[57] **CLAIM**

The ornamental design for a carrier blank, substantially as shown and described.

DESCRIPTION

FIG. **1** is a top plan view of a carrier blank embodying my new design, the bottom plan view being substantially the same in appearance.

FIG. **2** is a side elevational view of the blank shown in FIG. **1.**

The carrier blank is constructed of material of conventional thickness and the dashed lines in the drawing represent fold lines.

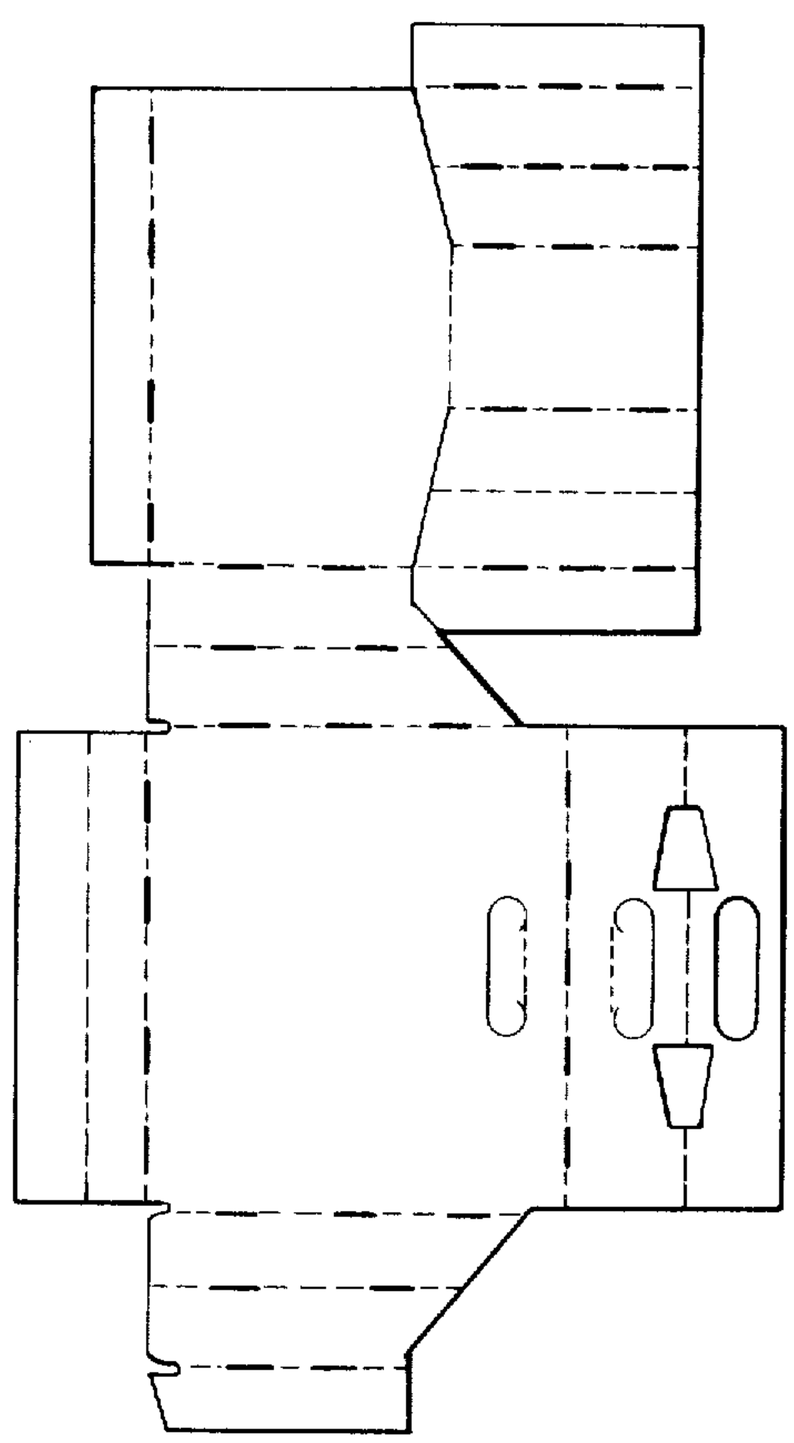

Fig. 1.
