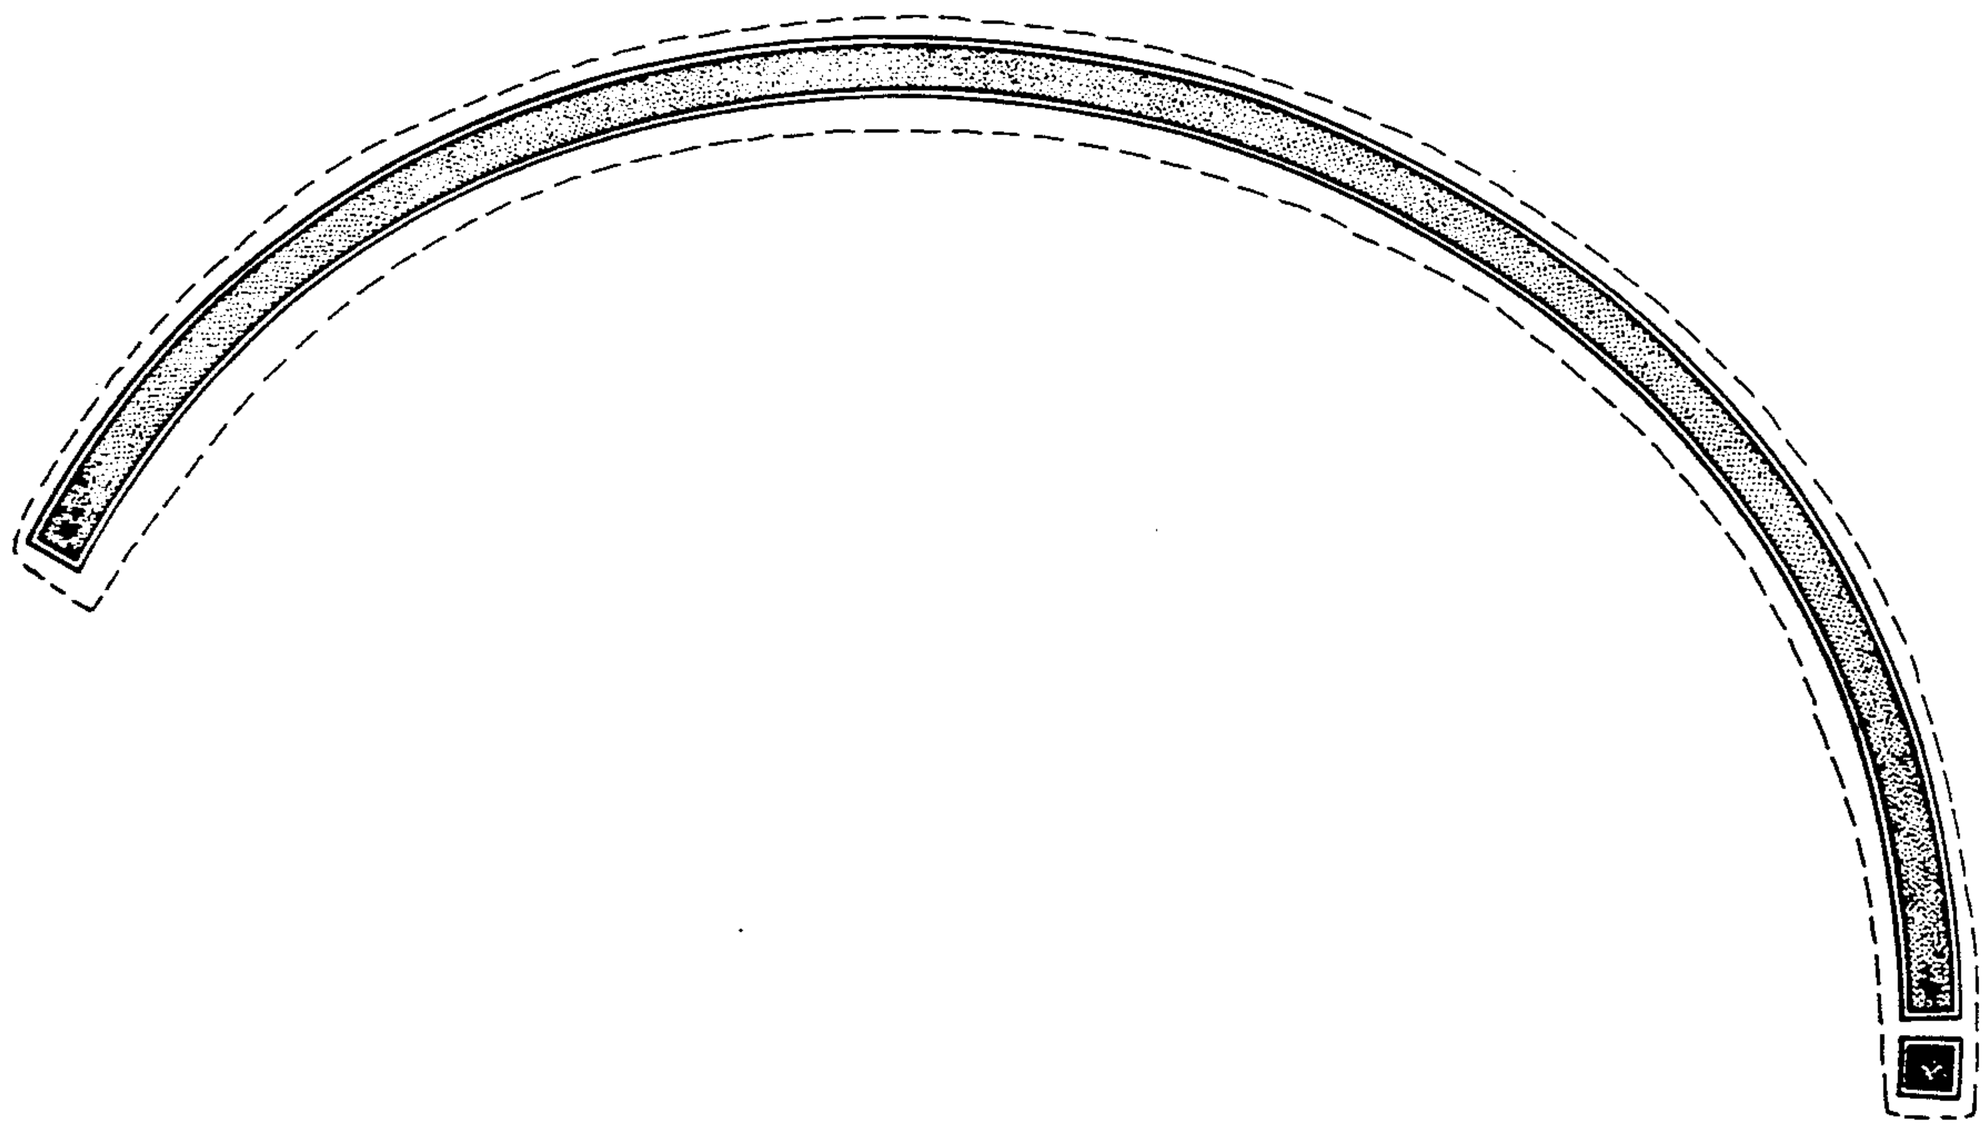
[57] CLAIM

The ornamental design for decalcomania for china dinnerware or similar article, as shown and described.

DESCRIPTION

FIG. **1** is a top plan view of a decalcomania for china dinnerware or similar article showing my new design;
FIG. **2** is a top plan view of a second embodiment of my new design of FIG. **1**; and,
FIG. **3** is a top plan view of a third embodiment of my new design of FIG. **1**.
The fragmentary broken line showing of the transfer surface in FIGS. **1-3** is illustrative of environment structure only and forms no part of the claimed design. The decalcomania is of no substantial thickness.



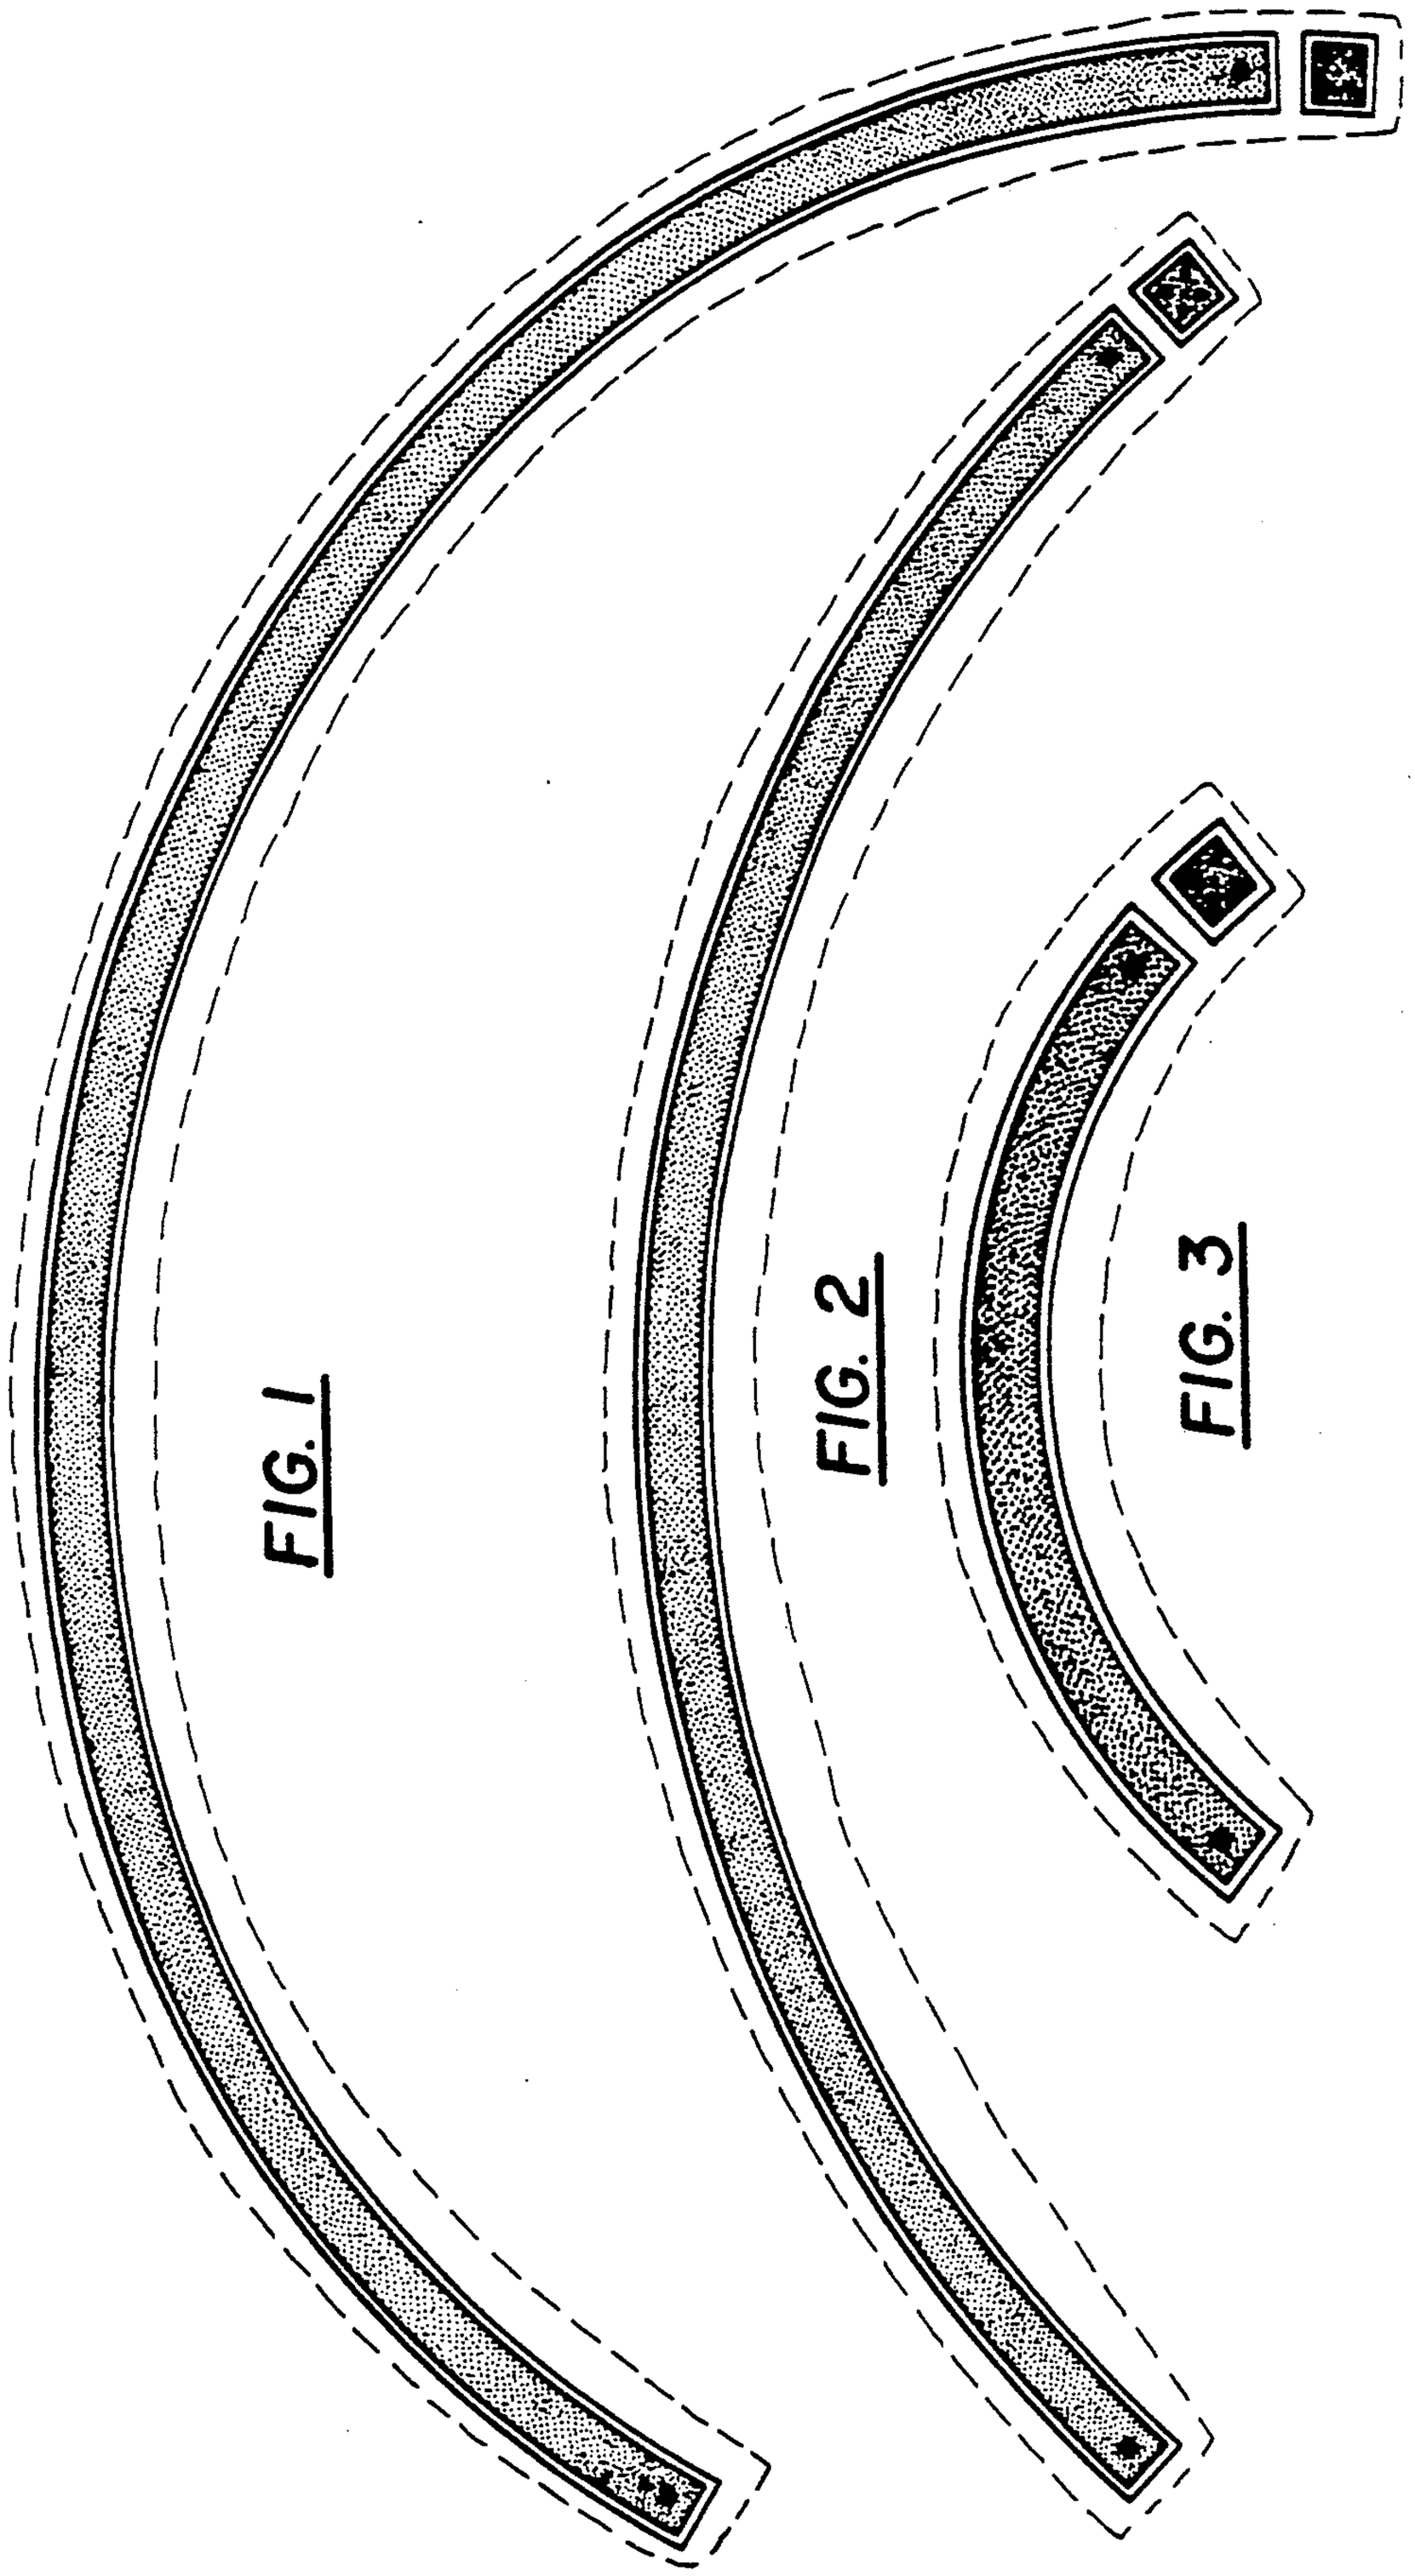


FIG. 1
FIG. 2
FIG. 3
