(57) **CLAIM**

The ornamental design for a meter display section for vehicles, as shown and described.

DESCRIPTION

This is a front elevation view of a meter display section for vehicles showing my new design.

The claimed design is a meter display section for vehicles, the portions of which are black-colored in the drawing drawing, and the white portions and grayed-out portions are illustrative purpose only and form no part of the claimed design.

The dark and light grayed surfaces shown on the surface of the design drawings do not represent a color nor a design pattern and only represent shading features on the surface of the ornamental design.
