(57) **CLAIM**

The ornamental design for a display screen or portion thereof with animated icon, as shown and described.

DESCRIPTION

FIG. **1** is the first image in a sequence for a display screen with animated icon showing my/our new design; and,
FIG. **2** is the second image thereof.
The appearance of the animated icon transitions sequentially between the images shown in FIGS. **1-2**. The process or period in which one image transitions to another forms no part of the claimed design. The broken line showings of a portion of the display screen are for environmental purposes only and to form no part of the claimed design.
