

UNITED STATES PATENT OFFICE.

JOSEPH LLADÓ, OF NEW ORLEANS, LOUISIANA.

IMPROVED MEDICAL COMPOUND OR "BITTERS."

Specification forming part of Letters Patent No. 93,209, dated August 3, 1869.

To all whom it may concern :

Be it known that I, JOSEPH LLADÓ, of New Orleans, parish of Orleans, and State of Louisiana, have invented a new and Improved Medical Compound, called the "Wanata Guaco Bitters;" and I do hereby declare that the following is a full, clear, and exact description of the same, which will enable others skilled in the art to make and use it.

The present invention relates to a new and improved medical compound, especially intended to strengthen and to increase the action of the stomach, (*i. e.*, a stomachic,) which compound consists of the following ingredients: Guaco root, one dram eighteen grains; calamus, half dram; false alcanet, half dram nine grains; mace, nine grains; cloves, nine grains;

cinnamon, half dram; fennel-seed, half dram; camomile, twenty-seven grains; coriander, eighteen grains; sage, half dram; orange-peel, one dram thirty grains; white sirup, two ounces; spirits, 20°, two and a half pounds; and water, four ounces.

Infuse during ten days, and then filter.

Dose, one wine-glassful before meals.

I claim as new and desire to secure by Letters Patent—

The medical compound made of the several ingredients, mixed together in or about the proportions, substantially as described.

JOSEPH LLADÓ.
