C. Harris and P. W. Joiner of Cincinnati Ohio
Letters Patent No. 2339 dated June 12. 1866
Designed for a Coal Stove

The schedule referred to in these Letters Patent and making part of the same.

To all whom it may concern.

Be it known that we Conrad Harris
and Paul W. Joiner both of Cincinnati, County of Hamilton
State of Ohio, have invented a new and improved design for
Coal Heating Stoves, to be known and called the "Scout"
and we do hereby declare that the following is a full
and exact description thereof, reference being had to
the accompanying photographs and to letters of reference
marked thereon. Letter A showing a perspective
view of the stove -

What we claim as our invention
and desire to secure by letters patent, is the design
for a Coal Heating Stove, as shown and described -
