

No. 12,174

FEB 15, 1881

UNITED STATES PATENT OFFICE.

GARRETTSON SMITH, OF PHILADELPHIA, ASSIGNOR TO OLIVER B. KEELEY,
OF SPRING CITY, PENNSYLVANIA.

DESIGN FOR A PARLOR-STOVE.

SPECIFICATION forming part of Design No. 12,174, dated February 15, 1881.

Application filed January 18, 1881. Term of patent 7 years.

To all whom it may concern:

Be it known that I, GARRETTSON SMITH, a citizen of the United States, residing in Philadelphia, Pennsylvania, have invented a new and original Design for a Parlor-Stove, of which the following is a specification.

My design is fully shown in the accompanying drawing, which represents a perspective view of the stove.

10 The design comprises the top section, A, with urn *a*, magazine-section B, illuminating-section D, fire-pot section E, and base-section F.

The urn *a* comprises the stem *b*, inverted conical lower part, *d*, semi-spherical top *e*, and 15 surrounding ornament *f*.

The magazine-section B is divided by vertical pillars *g* into a number of panels, each having an ornamental border, *h*, and a central tablet, *i*, ornamented as shown.

20 The illuminating-section D has a series of doors, each with five mica panels, *m*.

The fire-pot section E consists of an open-work screen.

25 The base-section F has ornamented panels *n*, ash-pit door, with panel *s*, and damper *t*, beaded base *w*, and segmental fender *x*.

I claim—

1. The design for the urn, said design comprising the stem *b*, conical base *d*, semi-spher-

ical top *e*, and surrounding ornament *f*, as 30 shown and described.

2. The design for the magazine-section B, said design comprising panels with ornamental borders *h*, and the central tablets, *i*, as shown and described.

3. The design for the magazine-section B, said design comprising the panels with ornamental borders *h* and tablets *i*, and the vertical separating pillars *g*, as shown and described. 35

4. The design for the base-section F, said 40 design comprising the ornamented panels *n*, ash-pit door, with panel *s*, and damper *t*, beaded base *w*, and segmental fender *x*, as shown and described.

5. The design for the complete stove, said 45 design comprising the top section, A, with urn *a*, magazine-section B, with ornamented panels, illuminating-section D, with mica-paneled doors, open-work fire-pot section E, and base-section F, all ornamented, as shown and de- 50 scribed.

In testimony whereof I have signed my name to this specification in the presence of two subscribing witnesses.

GARRETTSON SMITH.

Witnesses:

EMELINE JONES,
HARRY SMITH.
