*To all whom it may concern:*

Be it known that I, WILLIAM W. JACKSON,  
(assignor to FARMER, LITTLE & Co.,) of the city  
and county of Philadelphia, Pennsylvania,  
5 have invented and produced a new and original  
Design for a Font of Printing-Type, of  
which the following is a specification.

The nature of my design is clearly shown in  
the accompanying typographic impression, to  
10 which reference is made; and it consists of an  
unshaded script letter, as shown. In the U, V,  
W, and Y the right-hand up-and-down por-

tion of the letter is shorter than the left-hand  
portion.

The character of the design is preserved in 15  
the lower-case and figures.

Having now described my invention, I claim  
as new—

The design for a font of printing-type, as  
shown and described.

WM. W. JACKSON.
