UNITED STATES PATENT OFFICE.

EDWIN NATHAN DENISON, OF WESTERLY, RHODE ISLAND.

DESIGN FOR A SPOON, &c.

SPECIFICATION forming part of Design No. 20,915, dated July 7, 1891.

Application filed May 19, 1891. Serial No. 393,320. Term of patent 7 years.

To all whom it may concern:

Be it known that I, EDWIN NATHAN DENISON, a citizen of the United States, residing at Westerly, in the county of Washington and State of Rhode Island, have invented and produced a new and original Design for an Ornament on Spoons and other Articles, of which the following is a specification, reference being had to the accompanying drawings, forming a part thereof.

The drawing is a face view of a spoon having the handle stamped or otherwise produced with my ornamental design in relief.

This new and original design is intended for souvenir spoons.

The leading features of my design consist in a representation of the configuration of the point of land known as "Watch Hill," in the State of Rhode Island, with the light-house and light-keeper's dwelling thereon. There is also shown thereon a view of a partially-submerged wreck and boats in act of saving lives from said wreck. Below the view are the word "Metis" and figures "1872," being the name of a lost vessel and the year of the disaster.

I have shown this design with a bead border and gracefully-flowing scroll-work, with the addition on shank of spoon of the name "Watch Hill, R. I.;" but the novel and essential features of my design may be adopted without these accessories.

My design is shown on the face of the broad portion of the handle of spoon; but it may be applied on any portion of spoons or on knives, forks, and generally on silver and silver-plated ware and on jewelry and all ornamented work. The words "Watch Hill" and "Metis" and the figures "1872" are not any parts of the ornamental design.

I claim as my invention—

The design for a spoon or like article herein shown and described.

In testimony that I claim the invention above set forth I affix my signature in presence of two witnesses.

EDWIN NATHAN DENISON.

Witnesses:

MARY CROWLEY,
JOSEPH J. VAN NORTWICK.
