(57) CLAIM

The ornamental design for a tube having embedded LED lights, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the tube having embedded LED lights of the present invention;
FIG. 2 is an end view of the tube having embedded LED lights shown in FIG. 1;
FIG. 3 is a side view of the tube having embedded LED lights shown in FIG. 1; and,
FIG. 4 is a perspective view of the tube having embedded LED lights shown in FIG. 1.
The broken lines shown in the drawings are included for the purpose of illustrating elements of the tube having embedded LED lights, and form no part of the claimed design.
