CLAIM

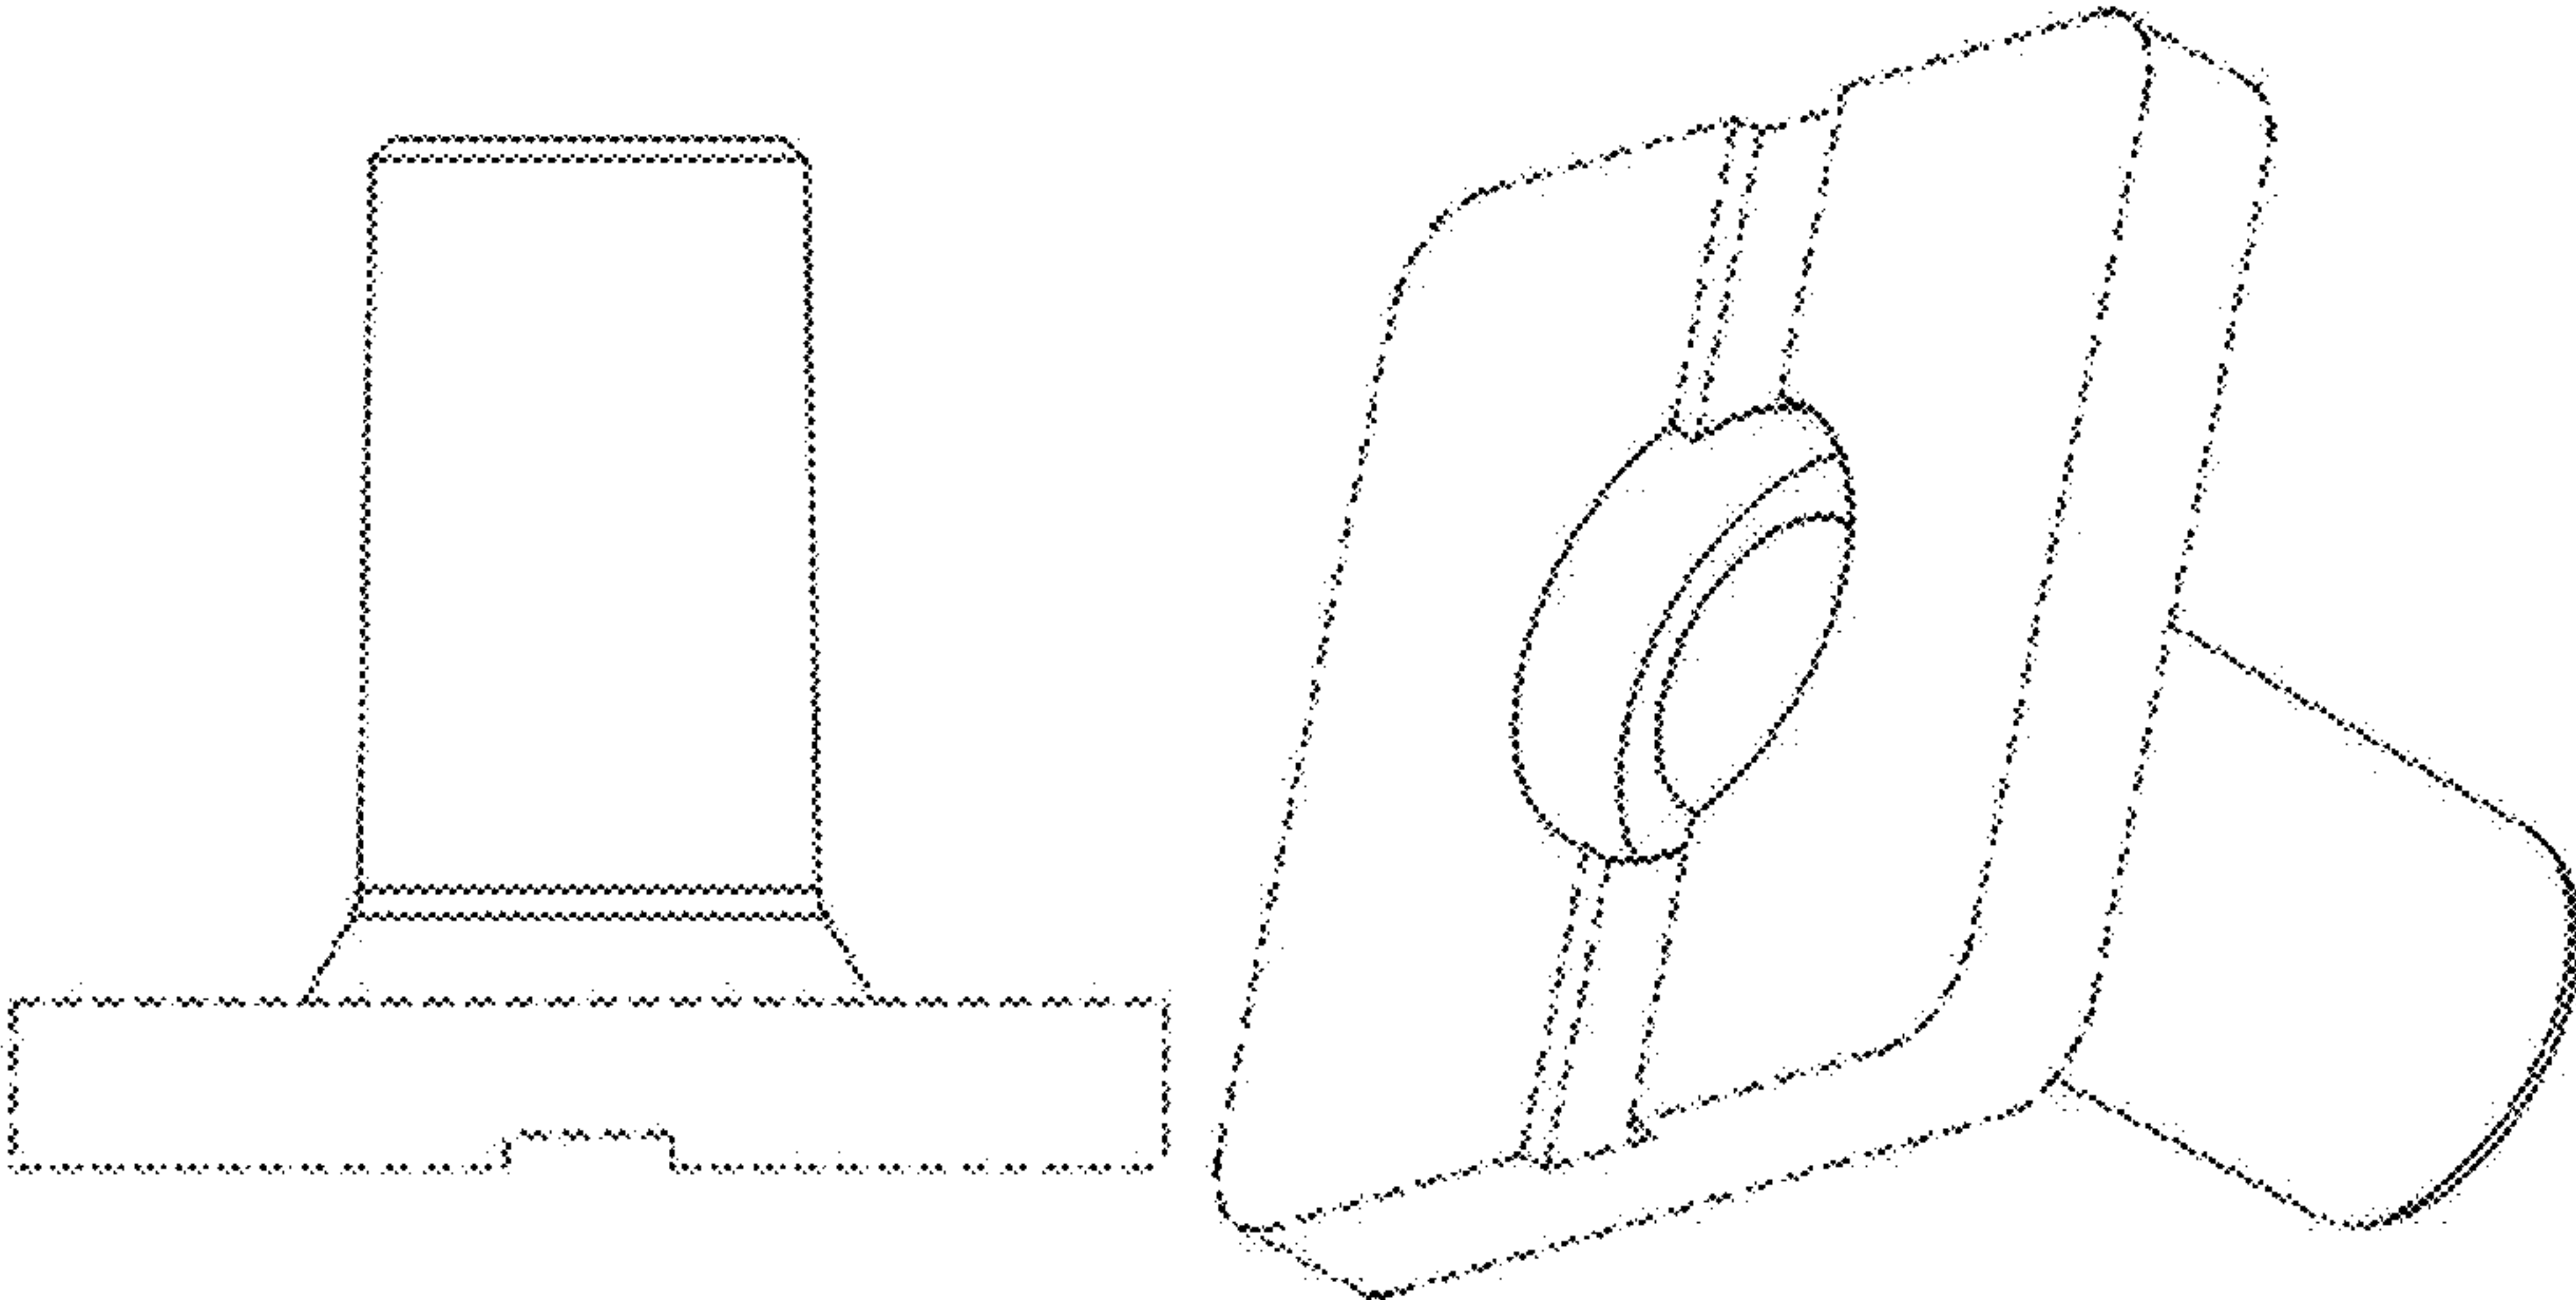

The ornamental design for a push button for switches, as shown and described.

DESCRIPTION

1. Push button for switches
- 1.1 : Front
- 1.2 : Right
- 1.3 : Top
- 1.4 : Bottom
- 1.5 : Top side perspective view
- 1.6 : Bottom side perspective view
- 1.7 : A-A cross sectional view

In each figure, the parts indicated by the solid lines, excluding the dotted lines, are the parts for which a design is to be registered as a partial design; the back view is omitted because it is identical to the front view; the left side view is omitted because it is identical to the right side view; the “A-A cross-sectional view” is a cross-sectional view of the article when it is cut by the A-A line of the bottom view. The broken lines showing portions of the push button for switches are for illustrative purposes and form no part of the claimed design.
