(57) **CLAIM**

The ornamental design for an electronic device with graphical user interface, as shown and described.

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

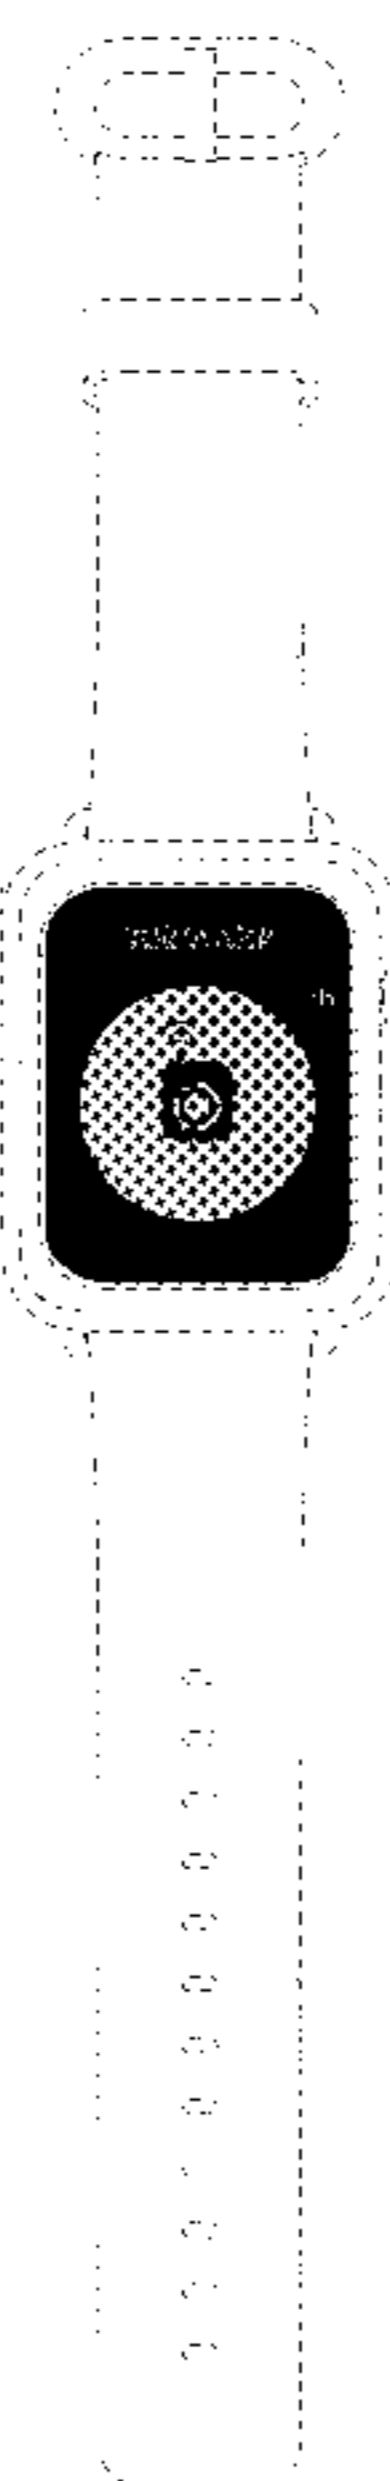

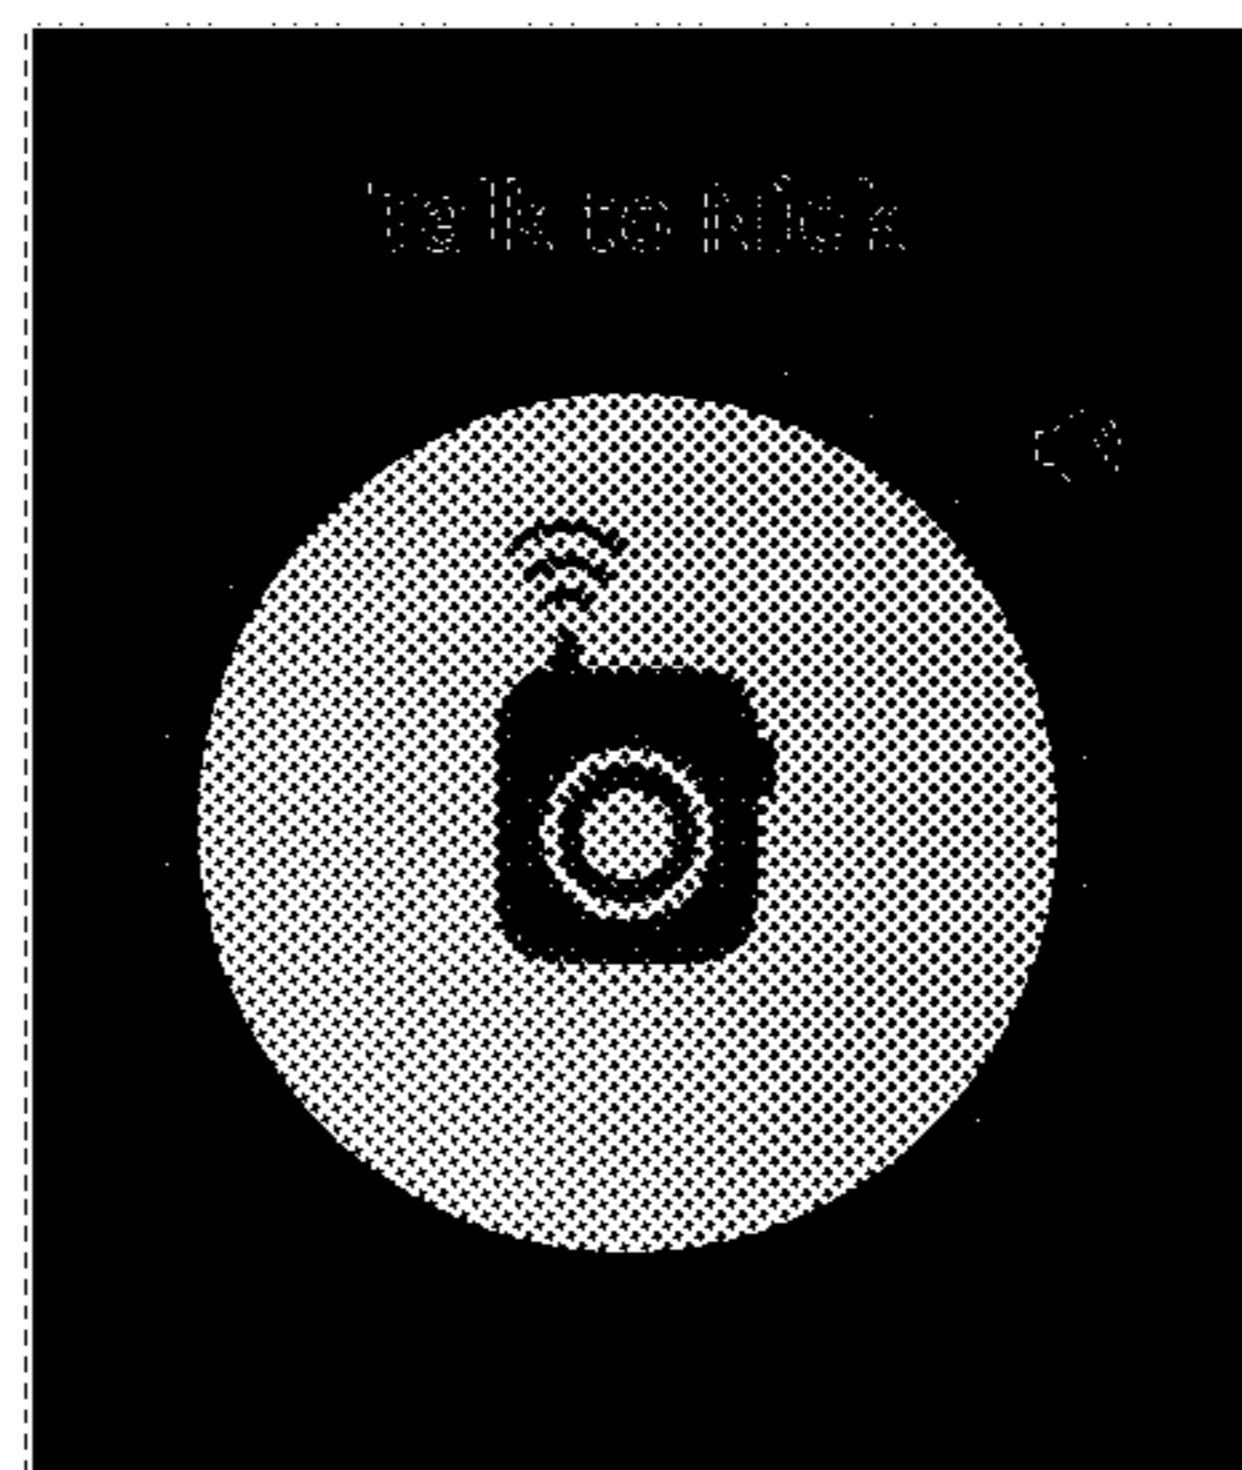

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface of the claimed design;

FIG. 2 is another embodiment thereof; and,

FIG. 3 is a front view of an electronic device having a display screen with graphical user interface, showing a third embodiment of the claimed design.

The outer broken lines in the figures show a display screen or portion thereof, or an electronic device having a display screen, and form no part of the claimed design. The other broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.
