CLAIM

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the reproduction of the patent document or the patent disclosure as it appears in the U.S. Patent Office records, but reserves all other copyright rights whatsoever.

The FIGURE is a front view of a display screen with graphical user interface.

The broken lines showing a display screen and elements of the graphical user interface illustrate portions of the article, and form no part of the claimed design.
