(57) **CLAIM**

The ornamental design for the bow cable management system, as shown and described.

DESCRIPTION

FIG. 1 is a first top perspective view of a bow cable management system showing my new design;
FIG. 2 is a second top perspective view of the bow cable management system;
FIG. 3 is a third top perspective view of the bow cable management system;
FIG. 4 is a fourth top perspective view of the bow cable management system;
FIG. 5 is a left side view of the bow cable management system;
FIG. 6 is a right side view of the bow cable management system;
FIG. 7 is a front elevational view of the bow cable management system;
FIG. 8 is a rear elevational view of the bow cable management system;
FIG. 9 is a top plan view of the bow cable management system;
FIG. 10 is a bottom plan view of the bow cable management system;
FIG. 11 is a first bottom perspective view of the bow cable management system; and,
FIG. 12 is a second bottom perspective view of the bow cable management system.
The broken lines shown represent portions of the bow cable management system that form no part of the claimed design.

1 Claim, 12 Drawing Sheets
