(57) **CLAIM**

The ornamental design for an elevator landing door with integrated landing operating panel, as shown and described.

DESCRIPTION

FIG. 1 is an embodiment of an elevator landing door with integrated landing operating panel; and,
FIG. 2 is another embodiment of an elevator landing door with integrated landing operating panel.
Broken lines are used to illustrate features of the elevator landing door with integrated landing operating panel that form no part of the claimed design. Shade lines in the figures show contour or surface ornamentation.

1 Claim, 2 Drawing Sheets
