(57) CLAIM

The ornamental design for a lower sway block element for a three-point hitch assembly, substantially as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a lower sway block element for a three-point hitch assembly; FIG. 2 is a back perspective view of the lower sway block; FIG. 3 is a front view of the lower sway block; FIG. 4 is a back view of the lower sway block; FIG. 5 is a left side view of the lower sway block; FIG. 6 is a right side view of the lower sway block; FIG. 7 is a top view of the lower sway block; and, FIG. 8 is a bottom view of the lower sway block. The broken lines in the drawing depict portions of the lower sway block element for a three-point hitch assembly that form no part of the claimed design.
