(57) **CLAIM**

We claim the ornamental design for a charging station, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a charging station with a charging arm in a retracted position.
FIG. 2 is the front perspective view of the charging station with the charging arm in an extended position.
FIG. 3 is another front perspective view of the charging station with the charging arm in a retracted position; and, FIG. 4 is a rear perspective view of the charging station with the charging arm in an extended position.
The dash-dash broken lines are directed to the environment and form no part of the claimed design. The dot-dash broken line portion of the FIGURE drawings is included to show the claim boundary and form no part of the claimed design.
