(57) CLAIM

The ornamental design for a post hole cover plate, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a post hole cover plate illustrating my new design, in the context of a cable railing assembly;

FIG. 2 is a front perspective view of the post hole cover plate illustrating my new design;

FIG. 3 is rear perspective view thereof;

FIG. 4 is front elevation view thereof;

FIG. 5 is rear elevation view thereof;

FIG. 6 is a bottom plan view thereof, it being understood that the top plan view is identical;

FIG. 7 is a left-side elevation view thereof, it being understood that the right-side elevation view is identical; and,

FIG. 8 is a side elevation, cross-section view thereof, taken along the line 8-8 of FIG. 4.

The broken lines appearing in the several views form no part of the claimed design. Unclaimed subject matter is shown in broken lines for the purpose of illustrating the environment in which the article embodying the design is used.
