(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface;

FIG. 2 is a front view of a second embodiment of a display screen or portion thereof with graphical user interface;

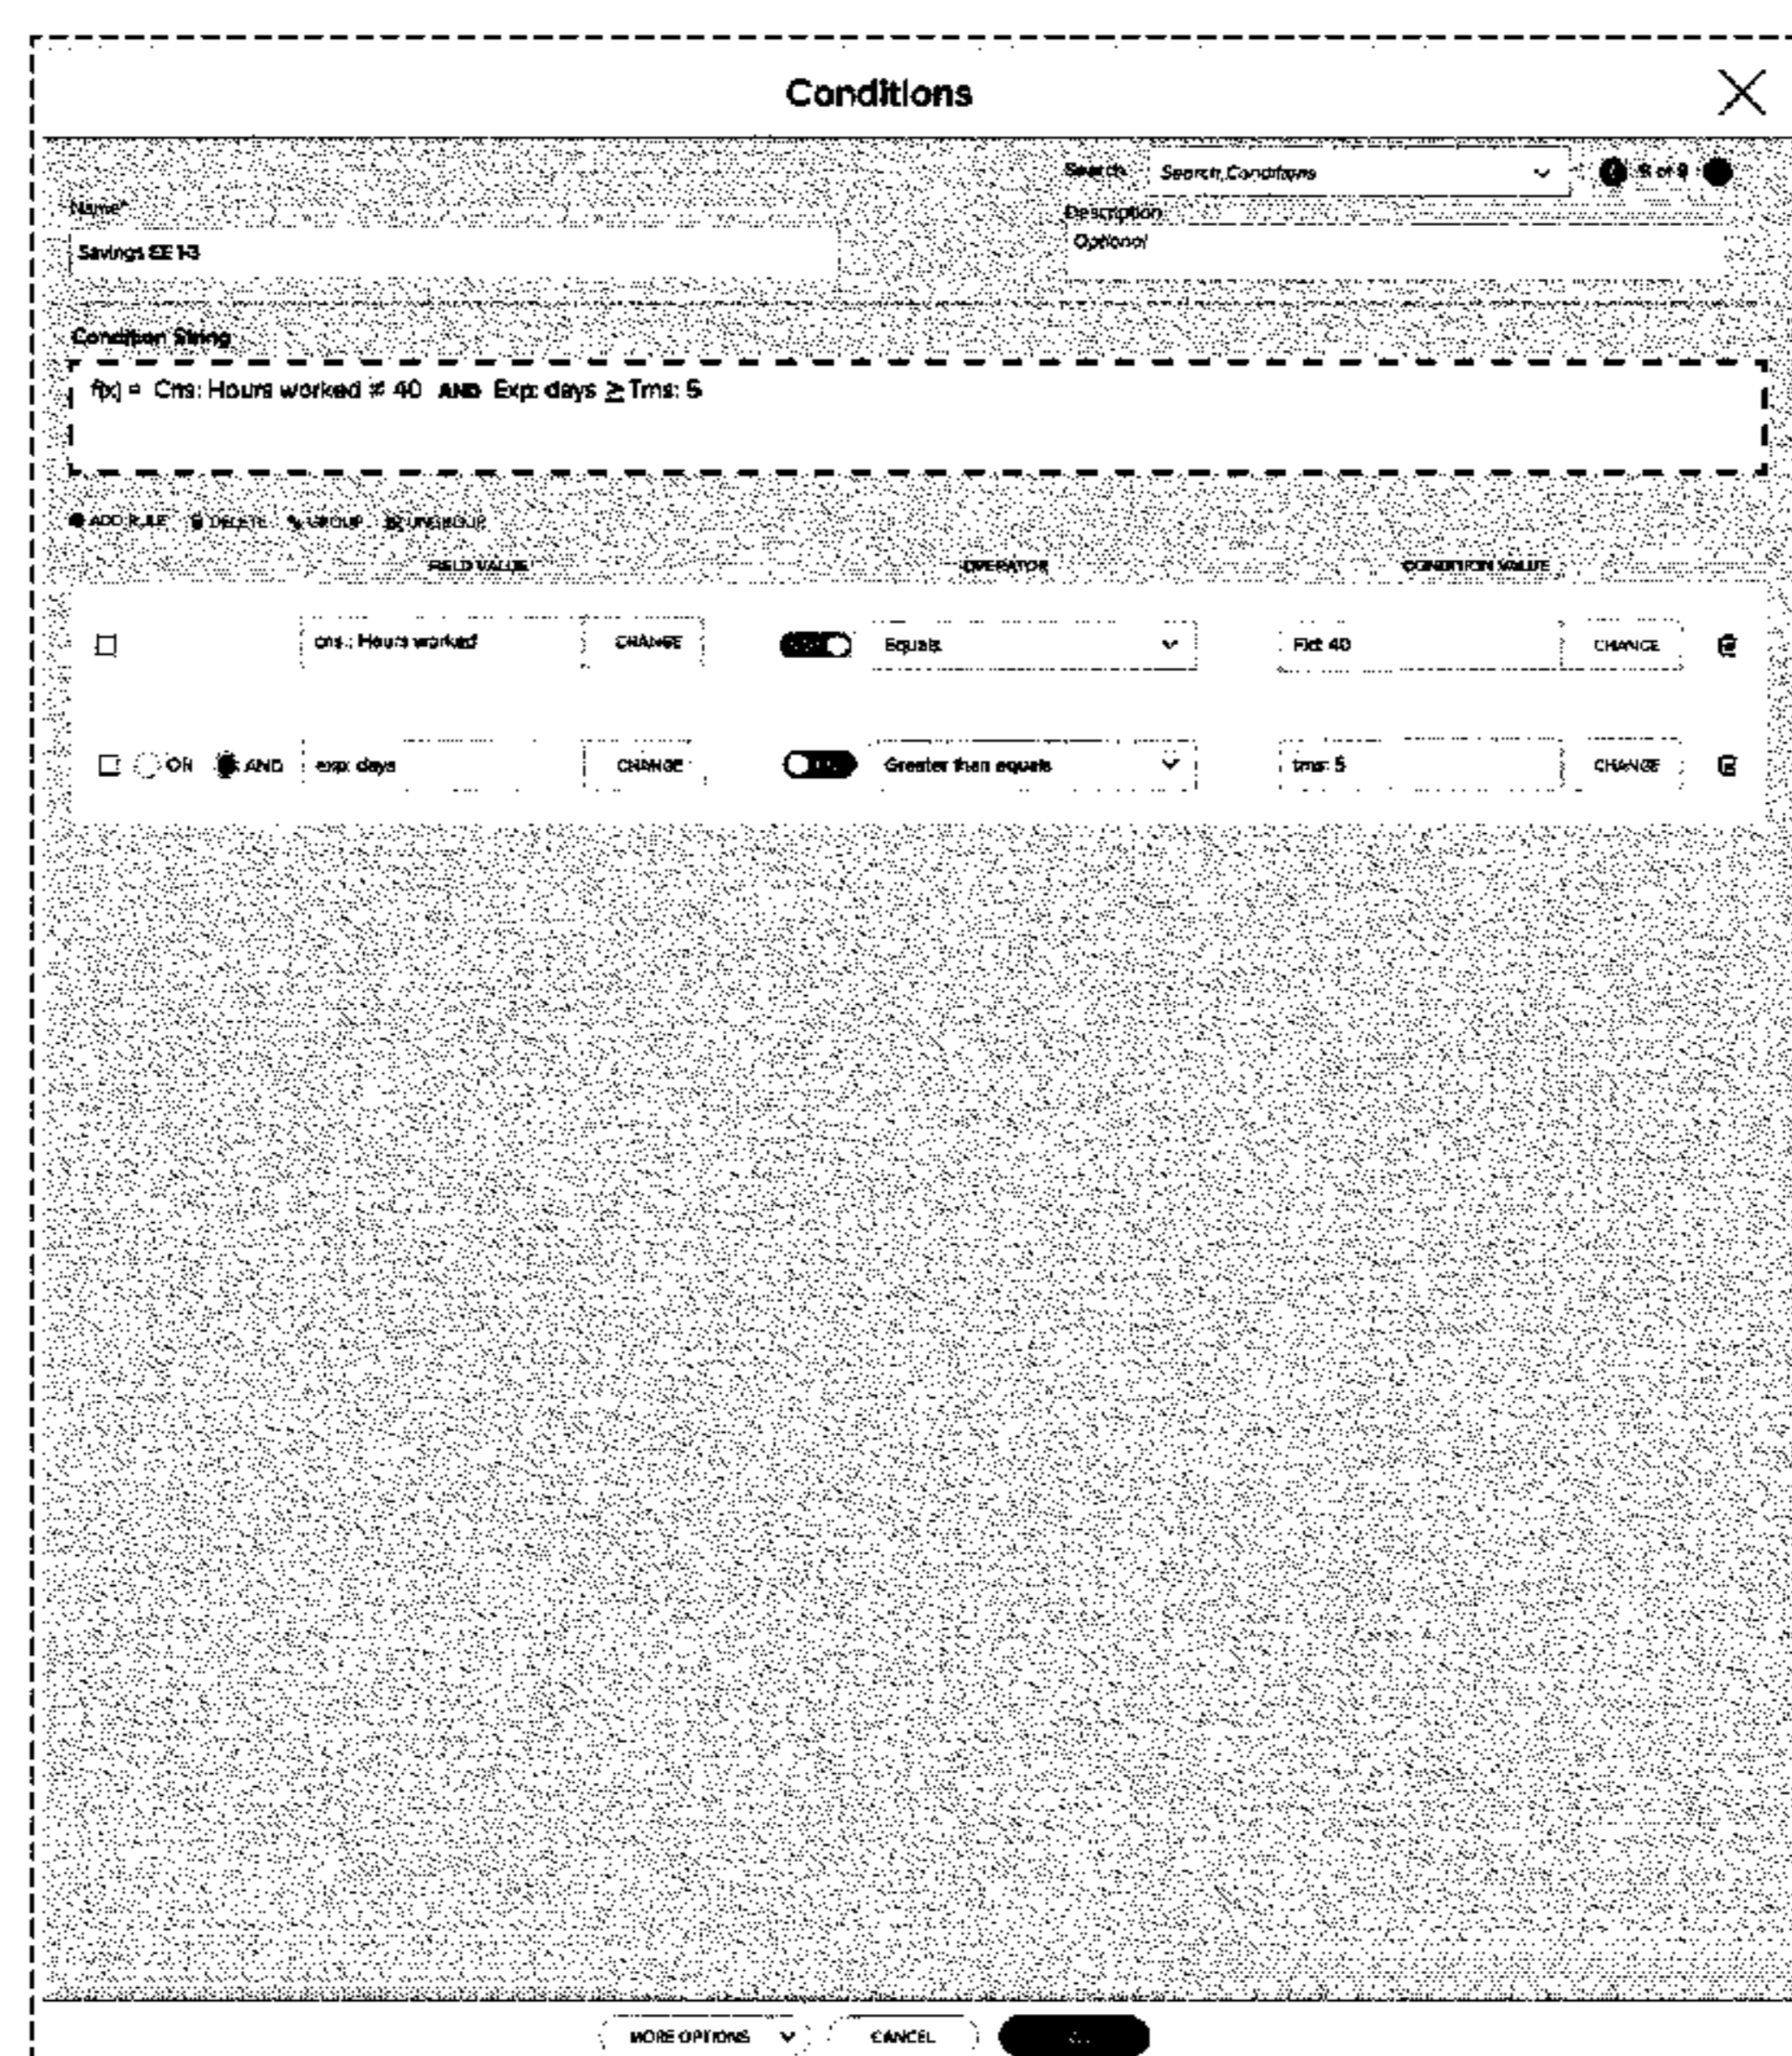

FIG. 3 is a front view of a third embodiment of a display screen or portion thereof with graphical user interface;

FIG. 4 is a front view of a fourth embodiment of a display screen or portion thereof with graphical user interface; and,

FIG. 5 is a front view of a fifth embodiment of a display screen or portion thereof with graphical user interface.

The broken lines showing a display screen or portion thereof in all views are for the purpose of illustrating environment and form no part of the claimed design. The inner broken line rectangle shows a portion of the graphical user interface that forms no part of the claimed design.
