(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

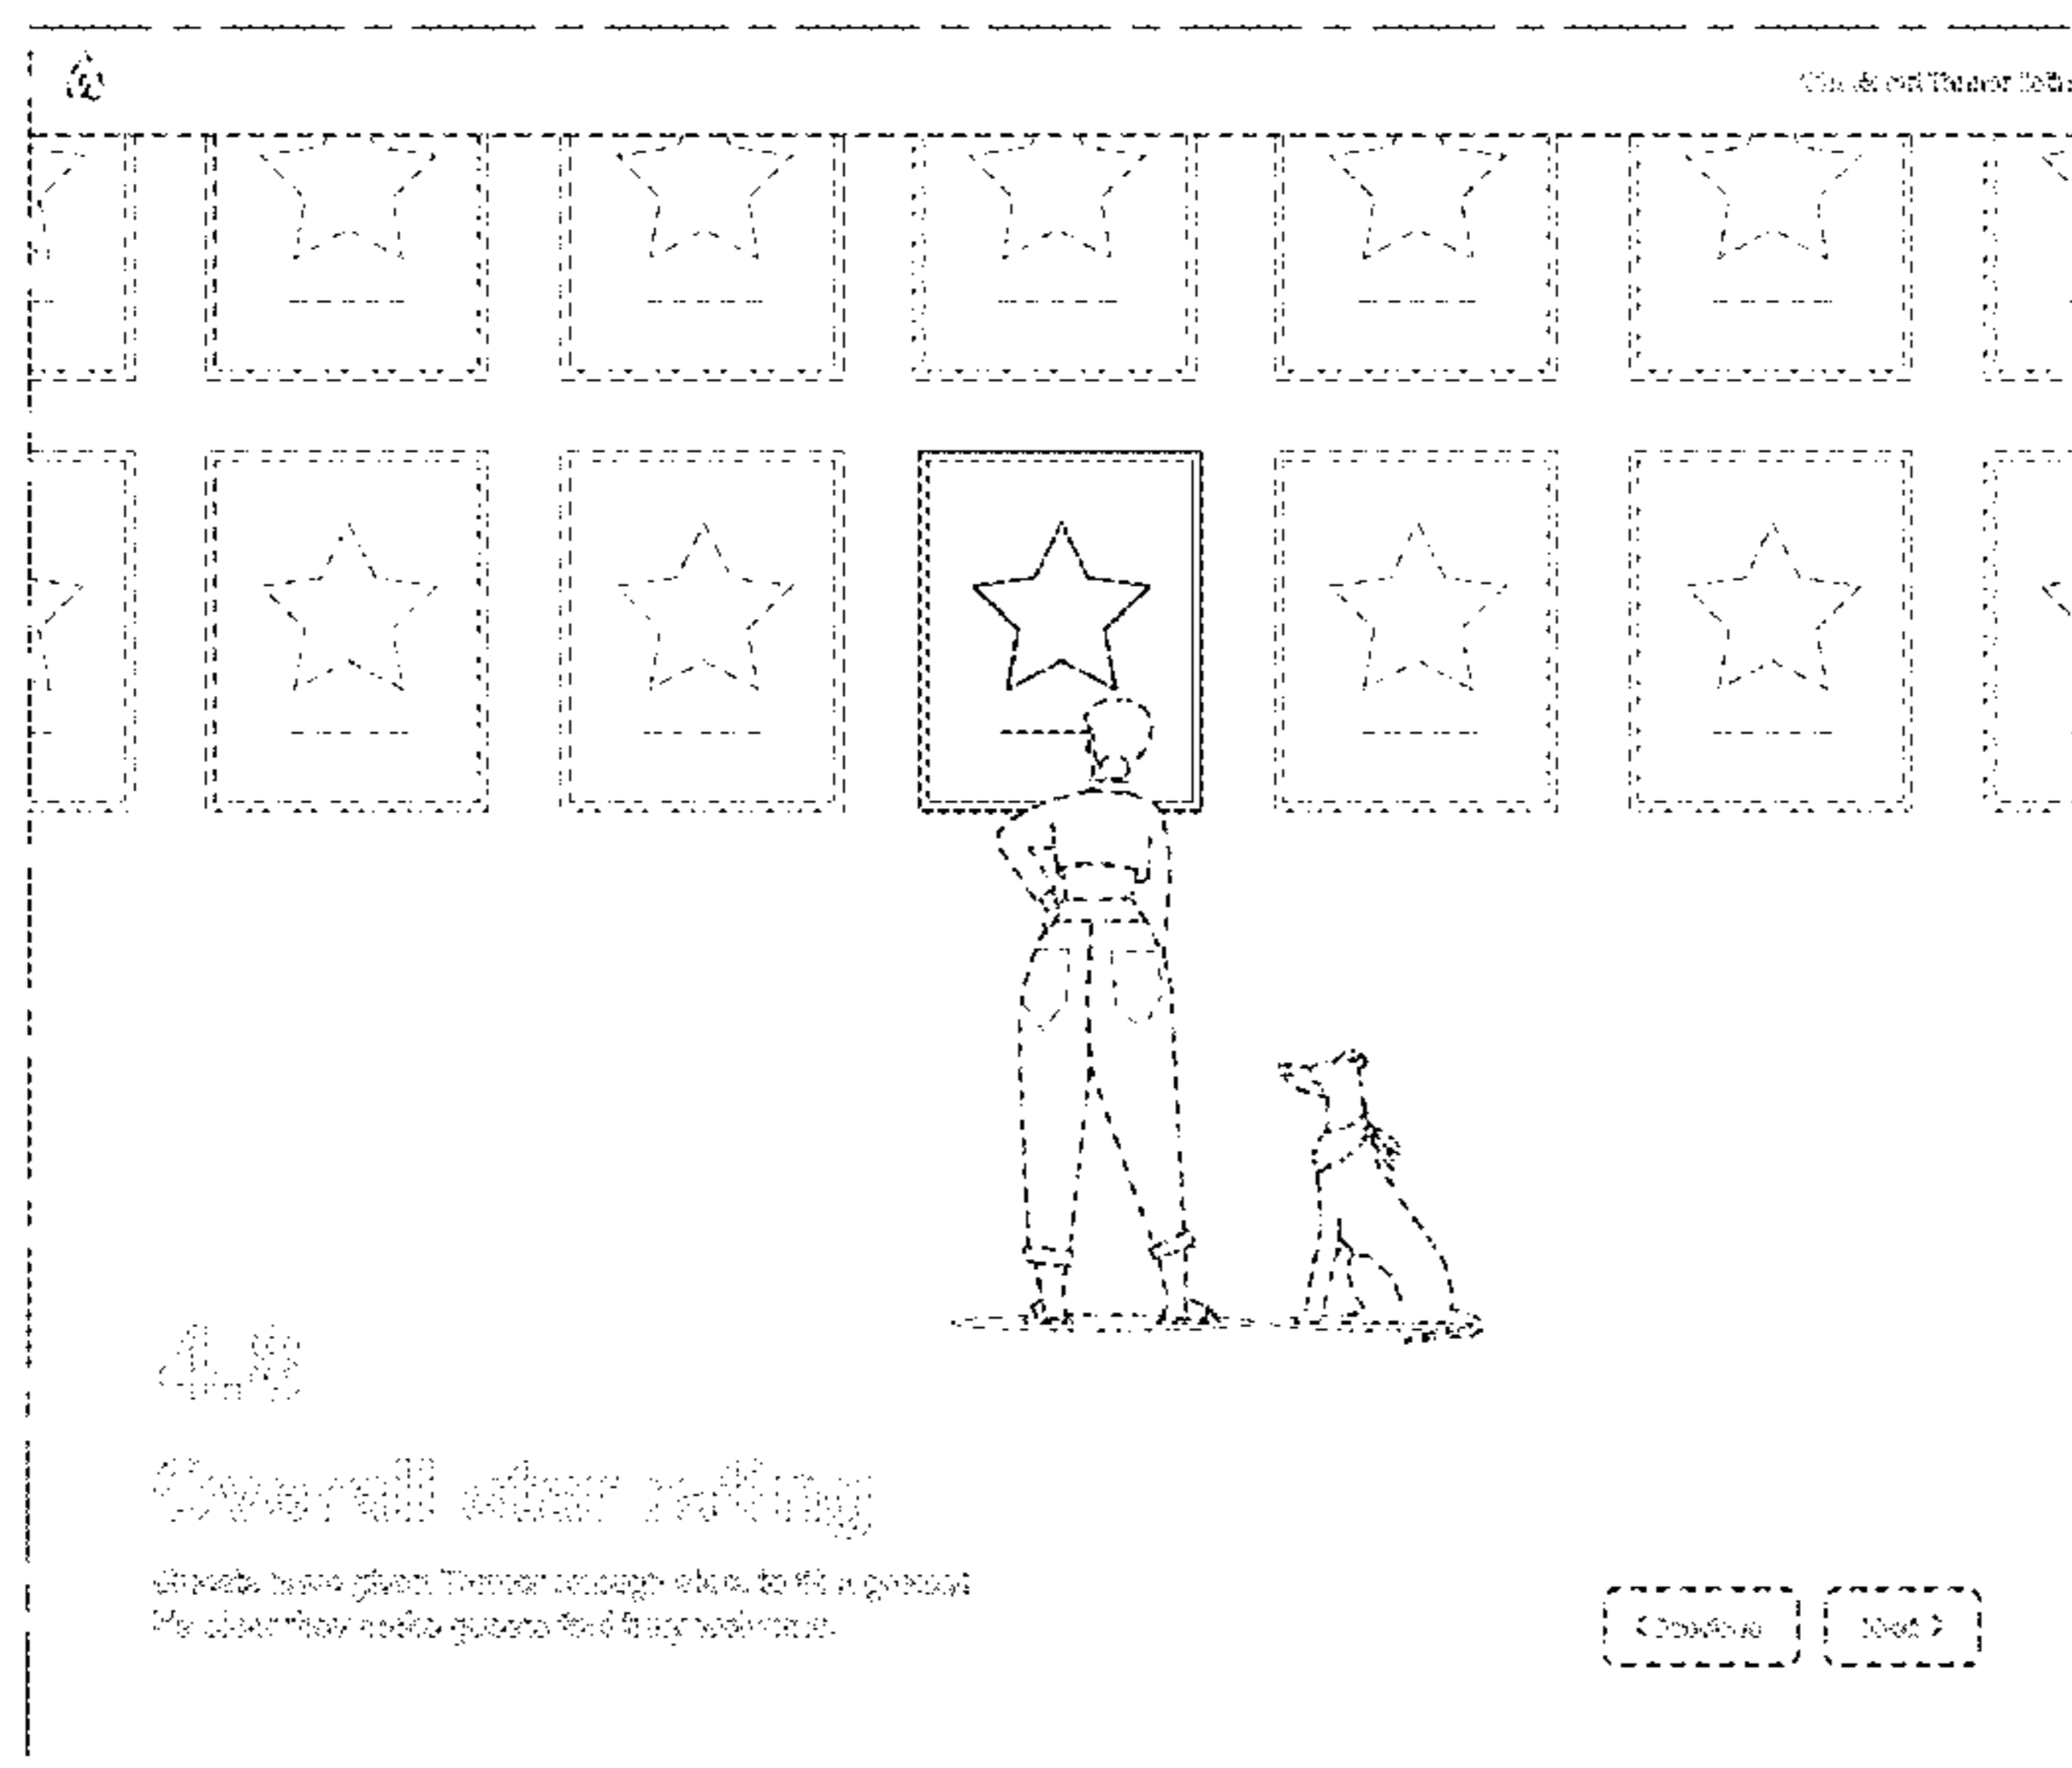

The FIGURE is a front view of an image for a display screen with graphical user interface showing our new design. The dot-dash broken lines showing a display screen or portion thereof, and the regular broken lines showing elements of the graphical user interface illustrate portions of the article, and form no part of the claimed design.

Connect and Trace Star Dots

4.8

Overall star rating:

Connect and Trace Star Dots is a fun and educational activity for children. It helps them practice their fine motor skills and hand-eye coordination. The star shape is a simple and recognizable geometric figure, making it easy for children to identify and trace. The dotted lines provide a clear guide for the tracing process, and the astronaut character adds a fun and engaging element to the activity. The overall star rating of 4.8 reflects the high quality and effectiveness of this educational tool.
