(57)CLAIM

I claim the ornamental design for an embossed container, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of an embossed container, embodying my new design; and, FIG. 2 is a front elevation view thereof, the rear, left and right side elevation views being identical thereto. The dot-dot-dash broken lines immediately adjacent the shaded areas represent the bounds of the claimed design while all other broken lines are included for the purpose of illustrating portions of the embossed container; the broken lines form no part of the claimed design.
