CLAIM

The ornamental design for a grout nozzle for pump-filled elongated ballast pipes, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a grout nozzle for pump-filled elongated ballast pipes in a position of use showing my new design;

FIG. 2 is an enlarged detail view of detail II-II in FIG. 1;

FIG. 3 is an enlarged view of the claimed area of FIG. 2;

FIG. 4 is a side elevational view of FIG. 3, wherein the front, rear, and other side elevational views are mirror images;

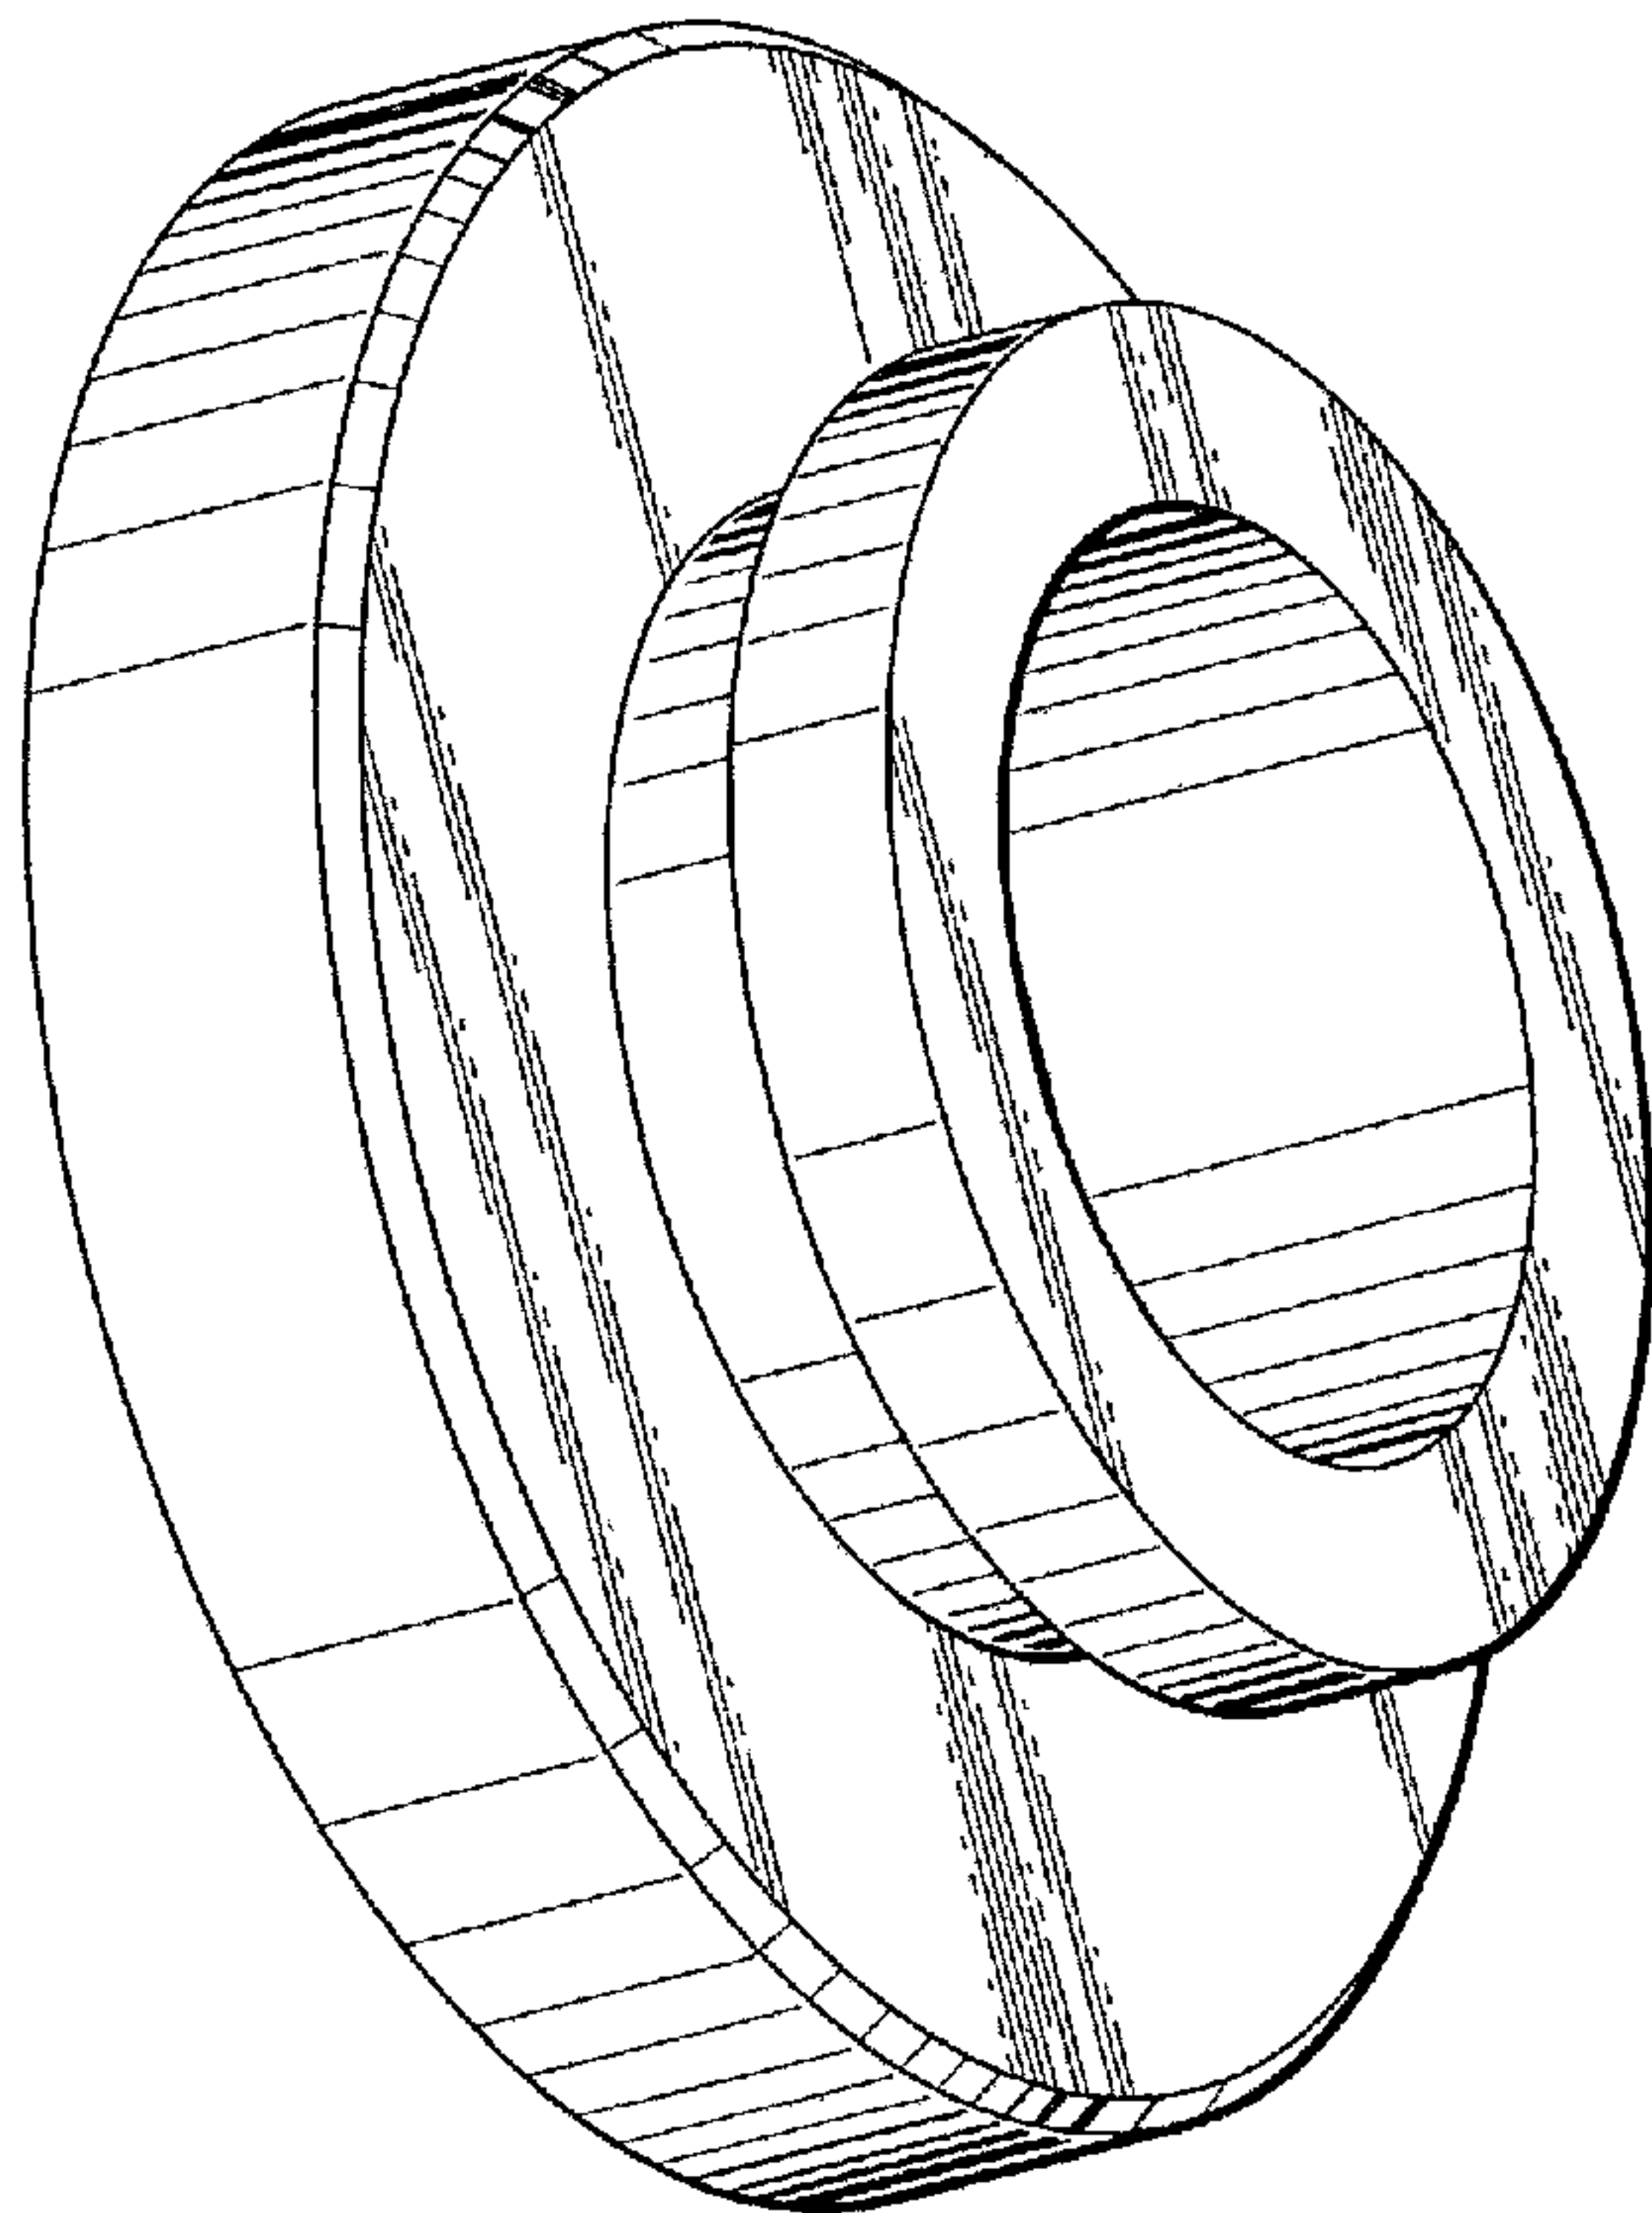

FIG. 5 is a top plan view;

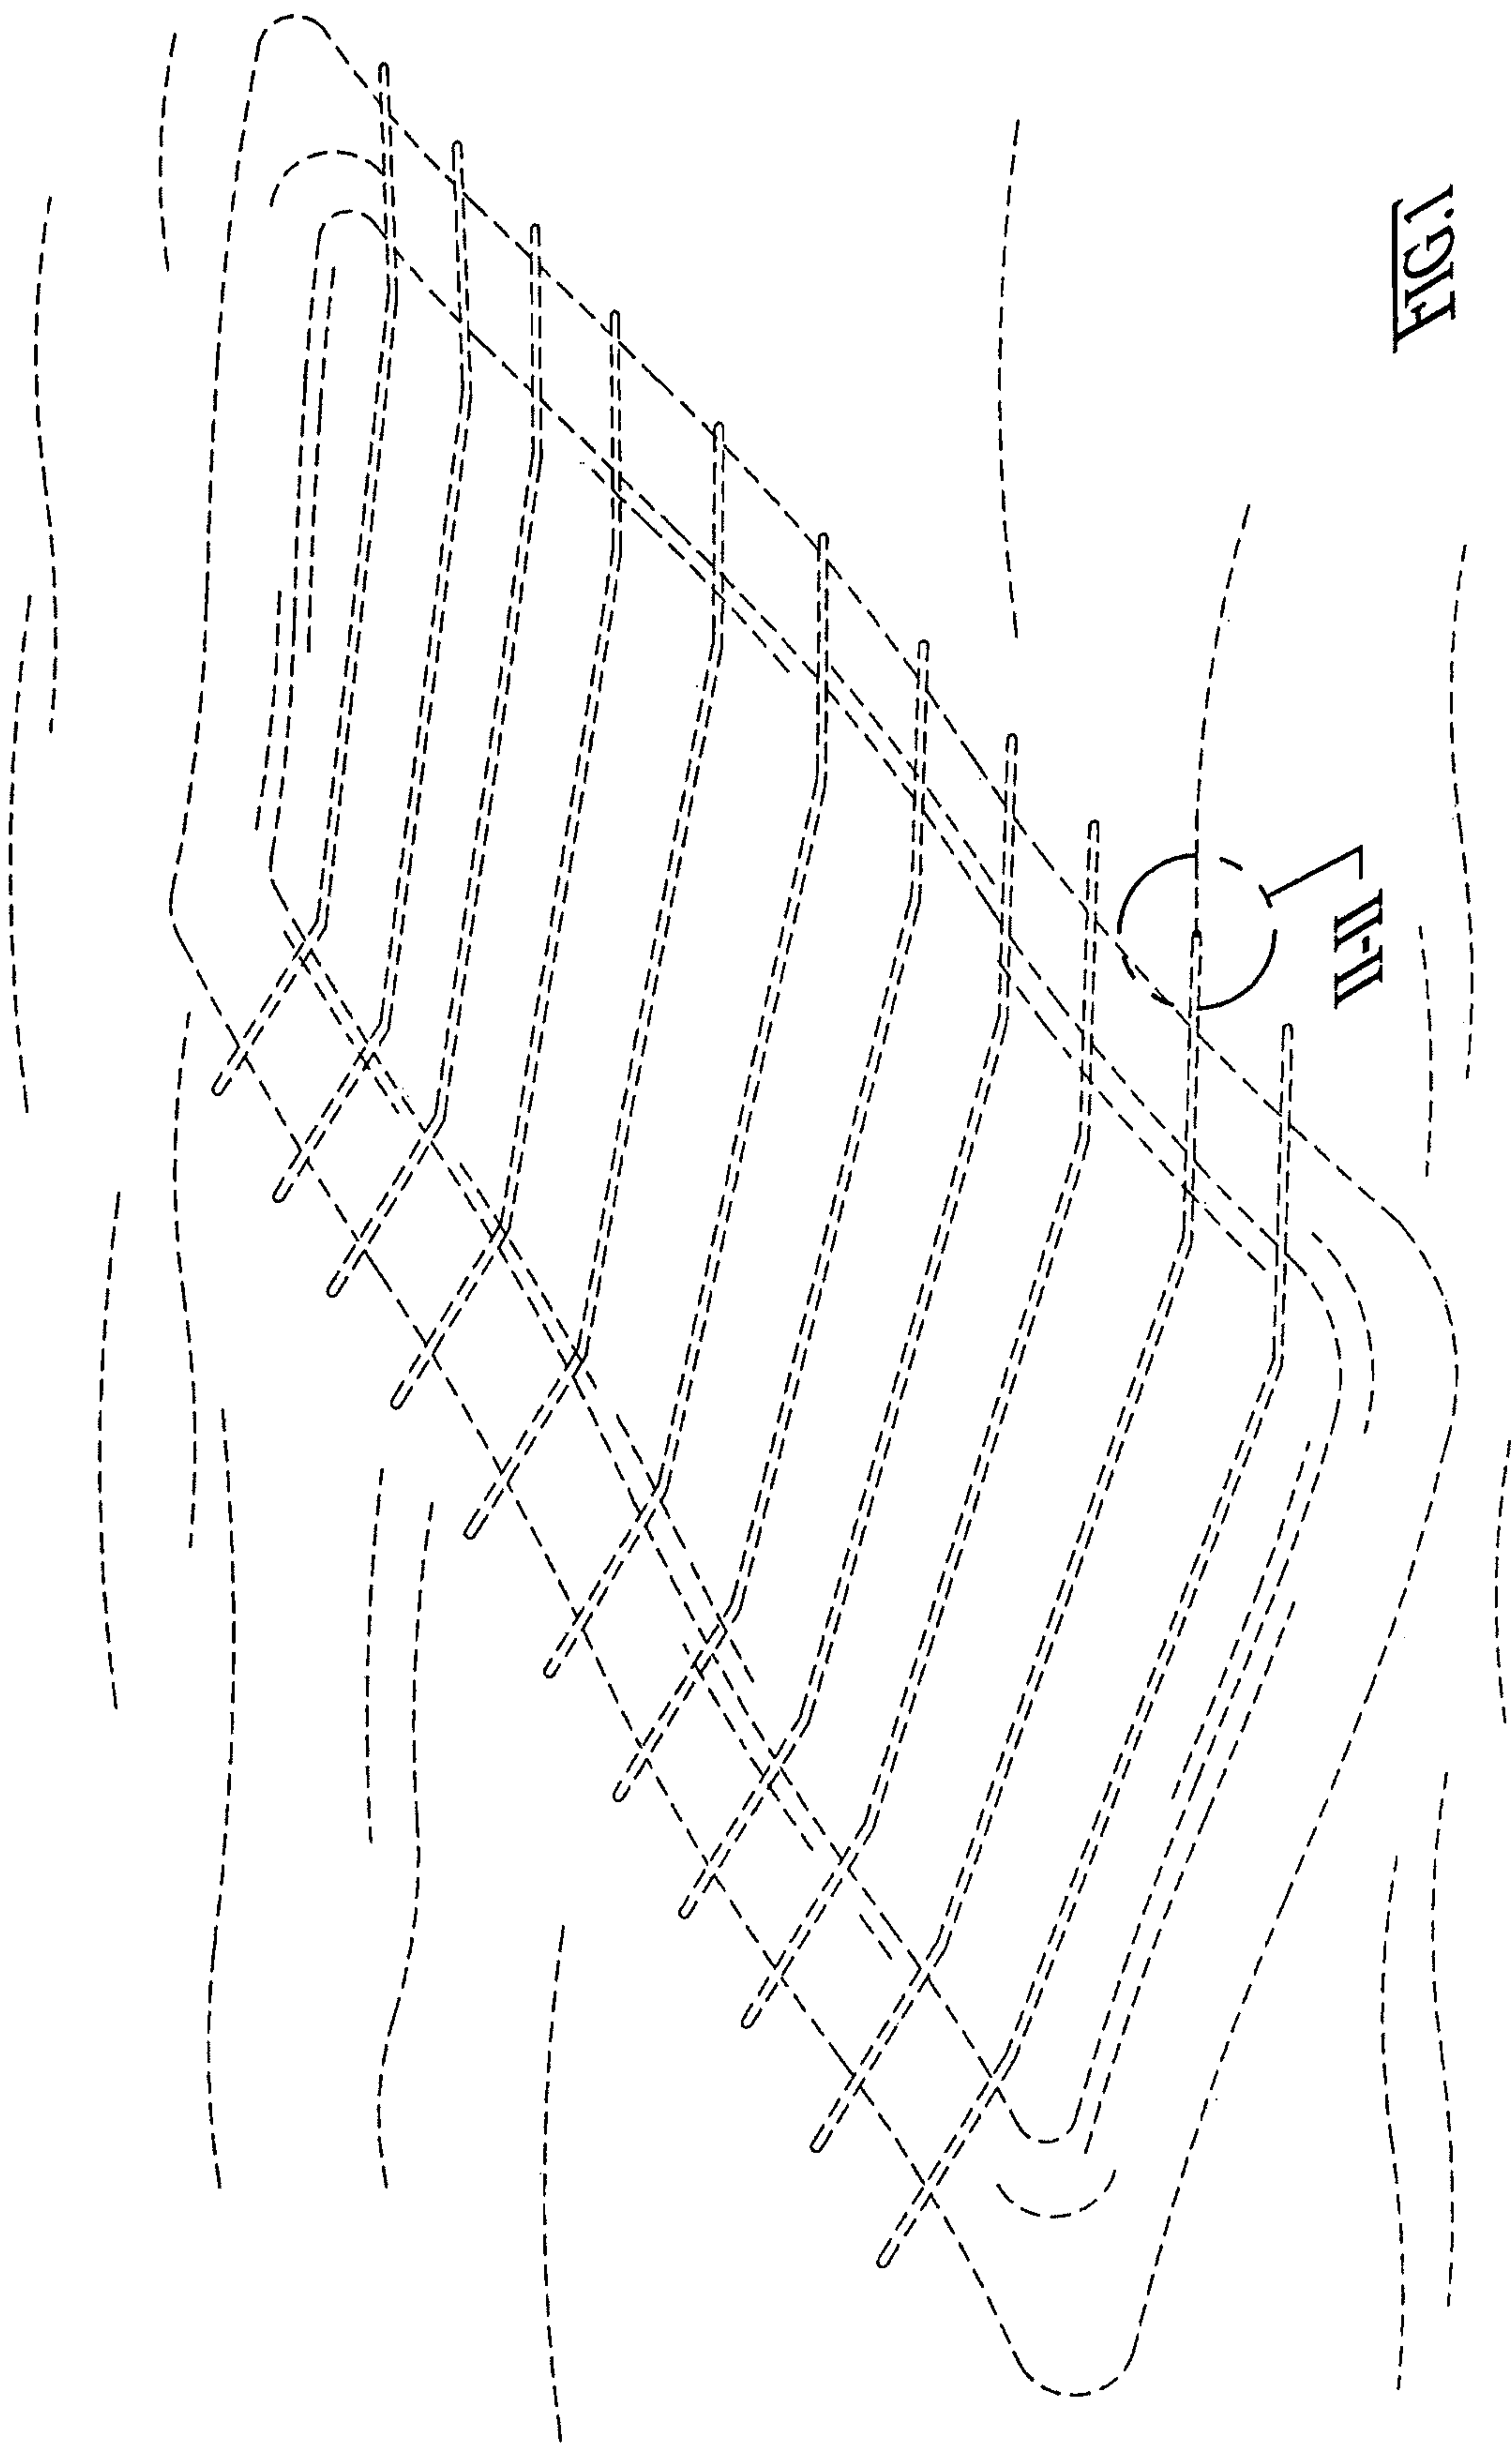

FIG. 6 is a bottom plan view; and,

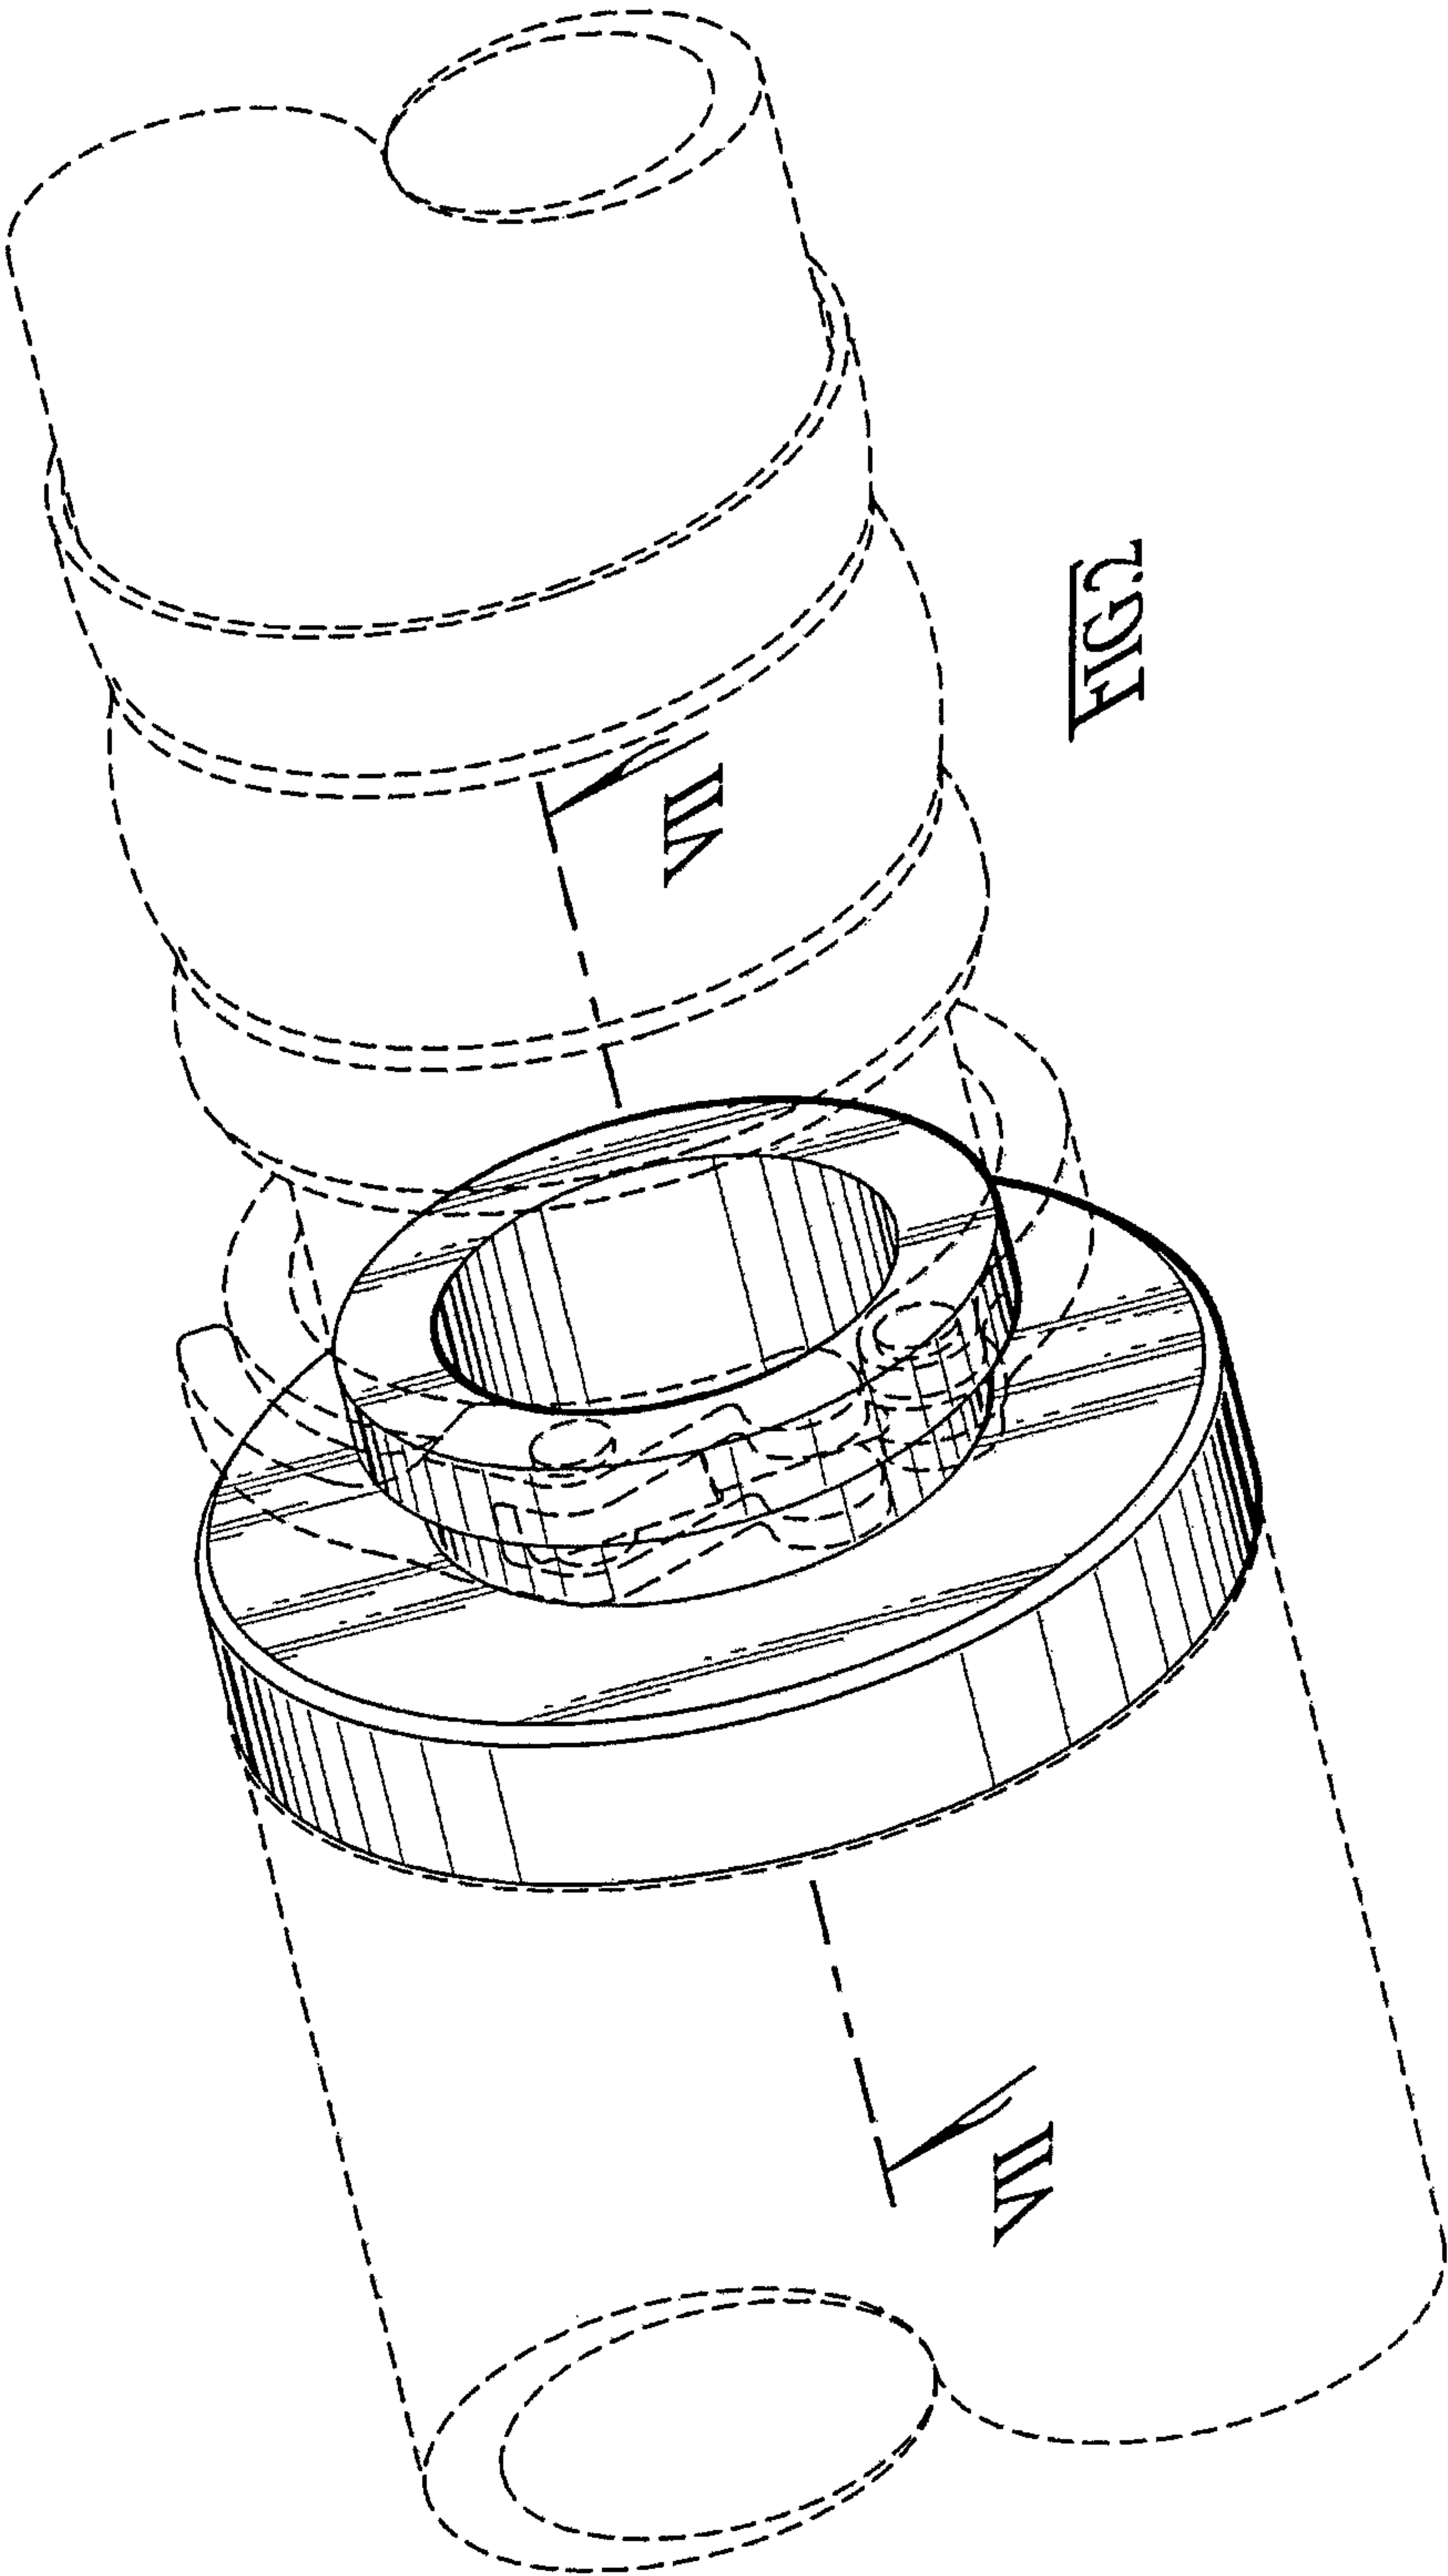

FIG. 7 is a cross-sectional view taken in the direction of line VII-VII in FIG. 2.

The broken lines in the drawing represent environmental subject matter that forms no part of the claimed design.
