(57) CLAIM

The ornamental design for a reusable hexagonal grip for a tattoo machine, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a reusable hexagonal grip for a tattoo machine showing the new design; FIG. 2 is a front elevational view of the reusable hexagonal grip for a tattoo machine, the rear elevational view being a mirror image thereof; FIG. 3 is a left side elevational view of the reusable hexagonal grip for a tattoo machine, the right side elevational view being a mirror image thereof; and FIG. 4 is a top plan view of the reusable hexagonal grip for a tattoo machine, the bottom plan view being a mirror image thereof; and, FIG. 5 is a perspective view of the reusable hexagonal grip for a tattoo machine shown in environmental use. The broken lines shown represent portions of the reusable hexagonal grip for a tattoo machine and environmental subject matter, all of which form no part of the claimed design.
