(57) **CLAIM**

The ornamental design for display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our design. The outermost broken lines illustrate a display screen or portion thereof and form no part of the claimed design. The remaining broken lines illustrate the graphical user interface and form no part of the claimed design. The stippling represents a contrast in appearance and forms part of the claimed design.
