(57) **CLAIM**

The ornamental design for a screen assembly for a garage door opening, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a screen assembly for garage door opening illustrating my new design, the guide tracks are removed to clearly show details of the screen assembly; FIG. 2 is a perspective view of the screen assembly for garage door opening; FIG. 3 is an enlarged view of a portion of screen assembly inserted into a broken away section of track of FIG. 2; FIG. 4 is a cross-sectional view showing the screen assembly being inserted into the track; and, FIG. 5 is a cross-sectional view showing the screen assembly inserted into the track. The dot-dash broken lines represent the boundary of the claimed design and form no part of the claim.
