CLAIM

The design for a support for reinforcing members in concrete footing, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the support for reinforcing members in concrete footing;
FIG. 2 is a bottom perspective view of the support for reinforcing members in concrete footing;
FIG. 3 is a top plan view of the support for reinforcing members in concrete footing;
FIG. 4 is a bottom plan view of the support for reinforcing members in concrete footing;
FIG. 5 is a front elevation view of the support for reinforcing members in concrete footing;
FIG. 6 is a rear elevation view of the support for reinforcing members in concrete footing;
FIG. 7 is a right elevation view of the support for reinforcing members in concrete footing; and,
FIG. 8 is a left elevation view of the support for reinforcing members in concrete footing.
