CLAIM

The ornamental design for a rope tensioner, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a rope tensioner showing the claimed design;

FIG. 2 is a top plan view thereof, the bottom plan view being a mirror image of the top plan view;

FIG. 3 is a front elevational view thereof, the back elevational view being a mirror image of the front elevational view; and,

FIG. 4 is a left-side elevational view thereof, the right-side elevational view being a mirror image of the left-side elevational view.
