Primary Examiner — Patricia A Palasik

(74) Attorney, Agent, or Firm — Fulwider Patton LLP

(57) CLAIM

The ornamental design for a watch winder turntable flange, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a watch winder turntable flange showing my new design;

FIG. 2 is a front elevational view of the watch winder turntable flange shown in FIG. 1, with the cuff removed from the watch winder turntable;

FIG. 3 is a perspective view thereof;

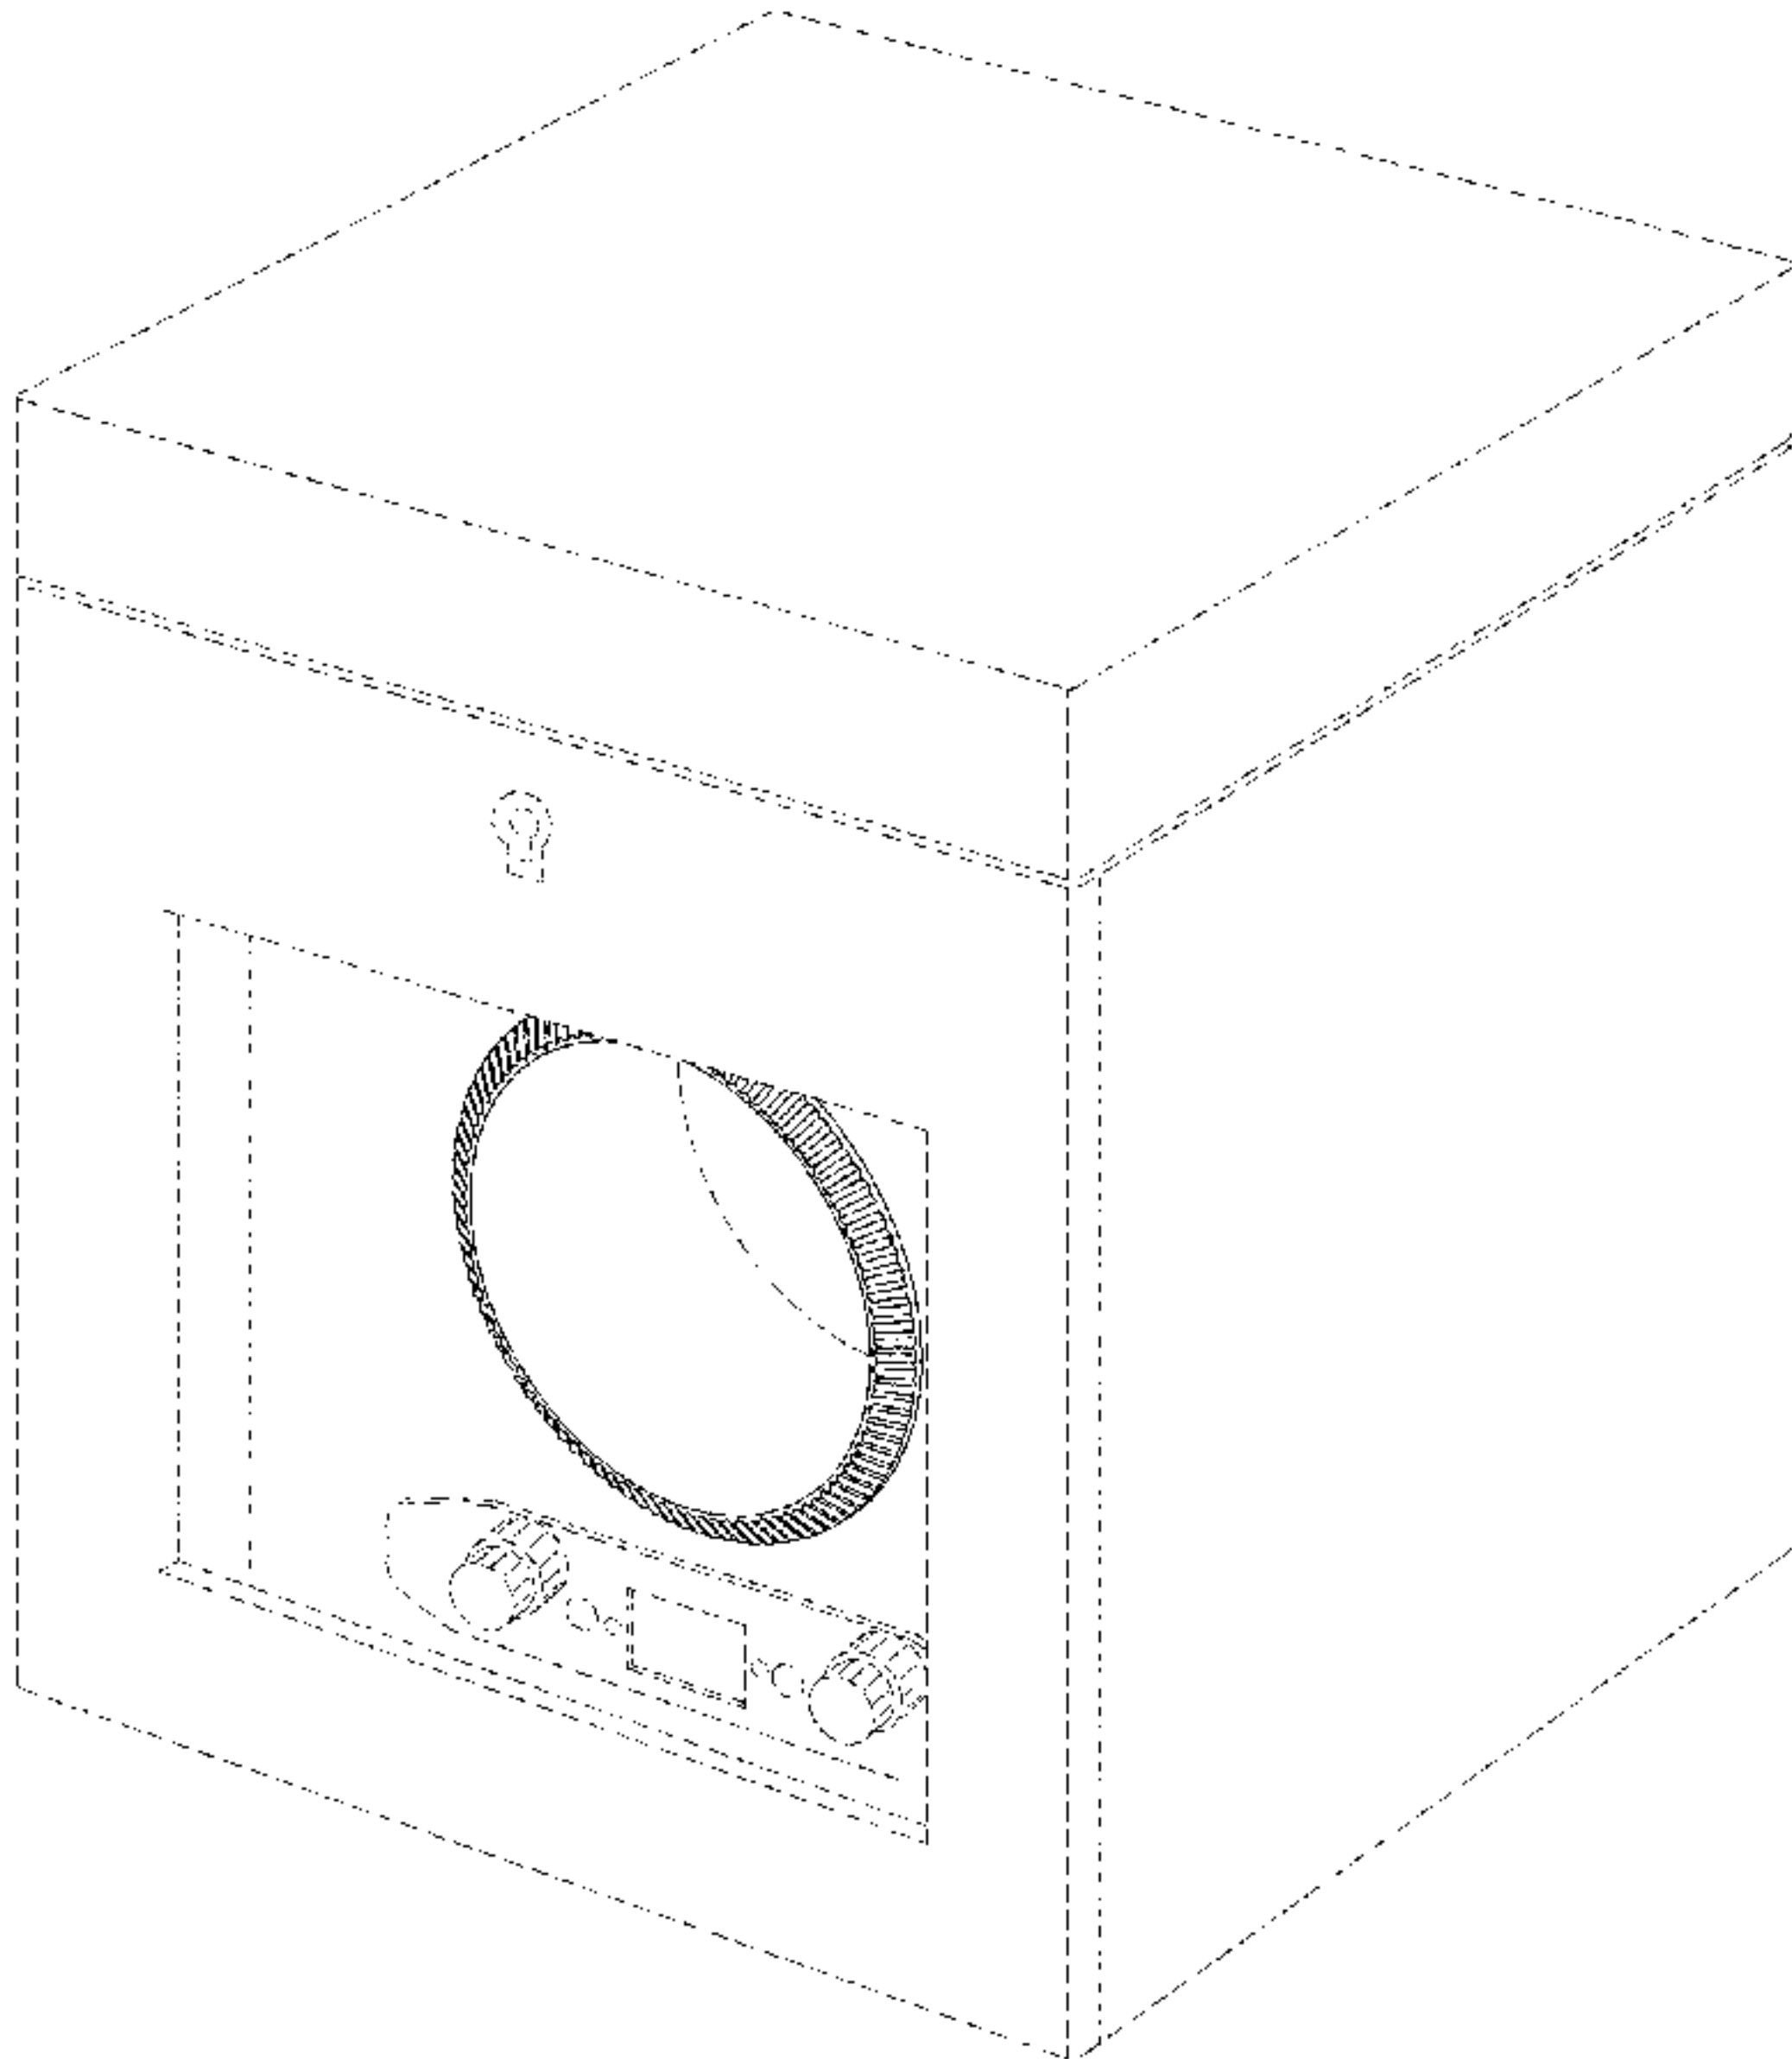

FIG. 4 is an enlarged front elevational view of the watch winder turntable flange of FIG. 1, apart from the watch winder;

FIG. 5 is an enlarged perspective view of the watch winder turntable flange of FIG. 1, apart from the watch winder; and,

FIG. 6 is an enlarged side elevational view of the watch winder turntable flange of FIG. 1, apart from the watch winder.

In the drawings, the broken line portions of the watch winder turntable are included for the purpose of illustrating subject matter that forms no part of the claimed design. The broken lines showing the watch winder represent environment of the claimed design and forms no part thereof.

1 Claim, 5 Drawing Sheets
