(57) **CLAIM**

The ornamental design for a tungsten electrode grinding angle controller, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a tungsten electrode grinding angle controller showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a right side elevational view thereof; FIG. 6 is a top plan view thereof; and, FIG. 7 is a bottom plan view thereof. The broken lines and the interior areas inside the article depict portions of the tungsten electrode grinding angle controller that form no part of the claimed design.
