DESCRIPTION

FIG. 1 is a front view of a first embodiment of a display screen or a portion thereof with a digital pay statement showing a first image in a sequence; FIG. 2 is a second image thereof; FIG. 3 is a front view of a second embodiment of a display screen or a portion thereof with a digital pay statement showing a first image in a sequence; and, FIG. 4 is a second image thereof. The broken lines showing a display screen or a portion thereof in all views are for the purpose of illustrating environment and form no part of the claimed design. The remaining broken lines show portions of the digital pay statement that form no part of the claimed design. The hatching and cross-hatching in all views are representative of contrasting color. The appearance of the animated images sequentially transitions between the images shown in FIGS. 1-2 or FIGS. 3-4. The process or period in which one image transitions to another forms no part of the claimed design.
