(57) CLAIM

The ornamental design for a swivel blade as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view showing the new design. FIG. 2 is a rear perspective view showing the new design. FIG. 3 is a top view showing the new design. FIG. 4 is a bottom view showing the new design. FIG. 5 is a front view showing the new design. FIG. 6 is a rear view showing the new design; and, FIG. 7 is a right-side view showing the new design, which is a mirror image of the left-side view of the new design. The shading lines shown in the drawings represent the approximate three-dimensional contour of the design, and are not intended to indicate surface decoration. The broken line(s) shown in the drawings illustrate portions of the swivel blade that form no part of the claimed design.
