(57) **CLAIM**

The ornamental design for a display screen or a portion thereof with a graphical user interface as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or a portion thereof with a graphical user interface showing my new design.
The dashed broken line perimeter in the drawing illustrates a display screen or a portion thereof and forms no part of the claimed design. The remaining dashed broken lines in the drawing illustrates portions of the graphical user interface that form no part of the claimed design.
