(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a graphical user interface as shown and described.

DESCRIPTION

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent or patent application with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen or portion thereof with a graphical user interface showing our new design.

The outer perimeter broken lines in the drawing represents a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines in the drawing illustrate portions of a graphical user interface that form no part of the claimed design.
