DESCRIPTION

FIG. 1 is a top perspective view of an attachment for grinding tool showing my new design; FIG. 2 is another top perspective view thereof; FIG. 3 is a bottom perspective view thereof; FIG. 4 is a front elevational view thereof; FIG. 5 is a rear elevational view thereof; FIG. 6 is a top plan view thereof; FIG. 7 is a bottom view thereof; FIG. 8 is a right-side elevational view thereof; FIG. 9 is a left-side elevational view thereof; and, FIG. 10 is a top perspective view thereof, showing the environmental grinding tool and tungsten electrode. The broken lines in FIG. 10 represent environment and form no part of the claimed design.
