(57) **CLAIM**

The ornamental design for a frunk cover with slide-out
workspace panels, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a frunk cover with slide-out
workspace panels in an electrical vehicle, in a closed posi-
tion;
FIG. 2 is a perspective view thereof in an electrical vehicle,
in an open position with the workspace panels collapsed;
and,
FIG. 3 is a perspective view thereof in an electrical vehicle,
in an open position with the workspace panels expanded.
The broken lines showing a vehicle and the frunk cargo
storage area illustrate environmental structure which form
no part of the claimed design. The broken lines on the frunk
cover with slide-out workspace panels depict portions of the
article which form no part of the claimed design.
