(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outer broken lines in the figures show a display screen or portion thereof and form no part of the claimed design.

The other broken lines in the figures show portions of the graphical user interfaces that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
