TRAURIG LLP

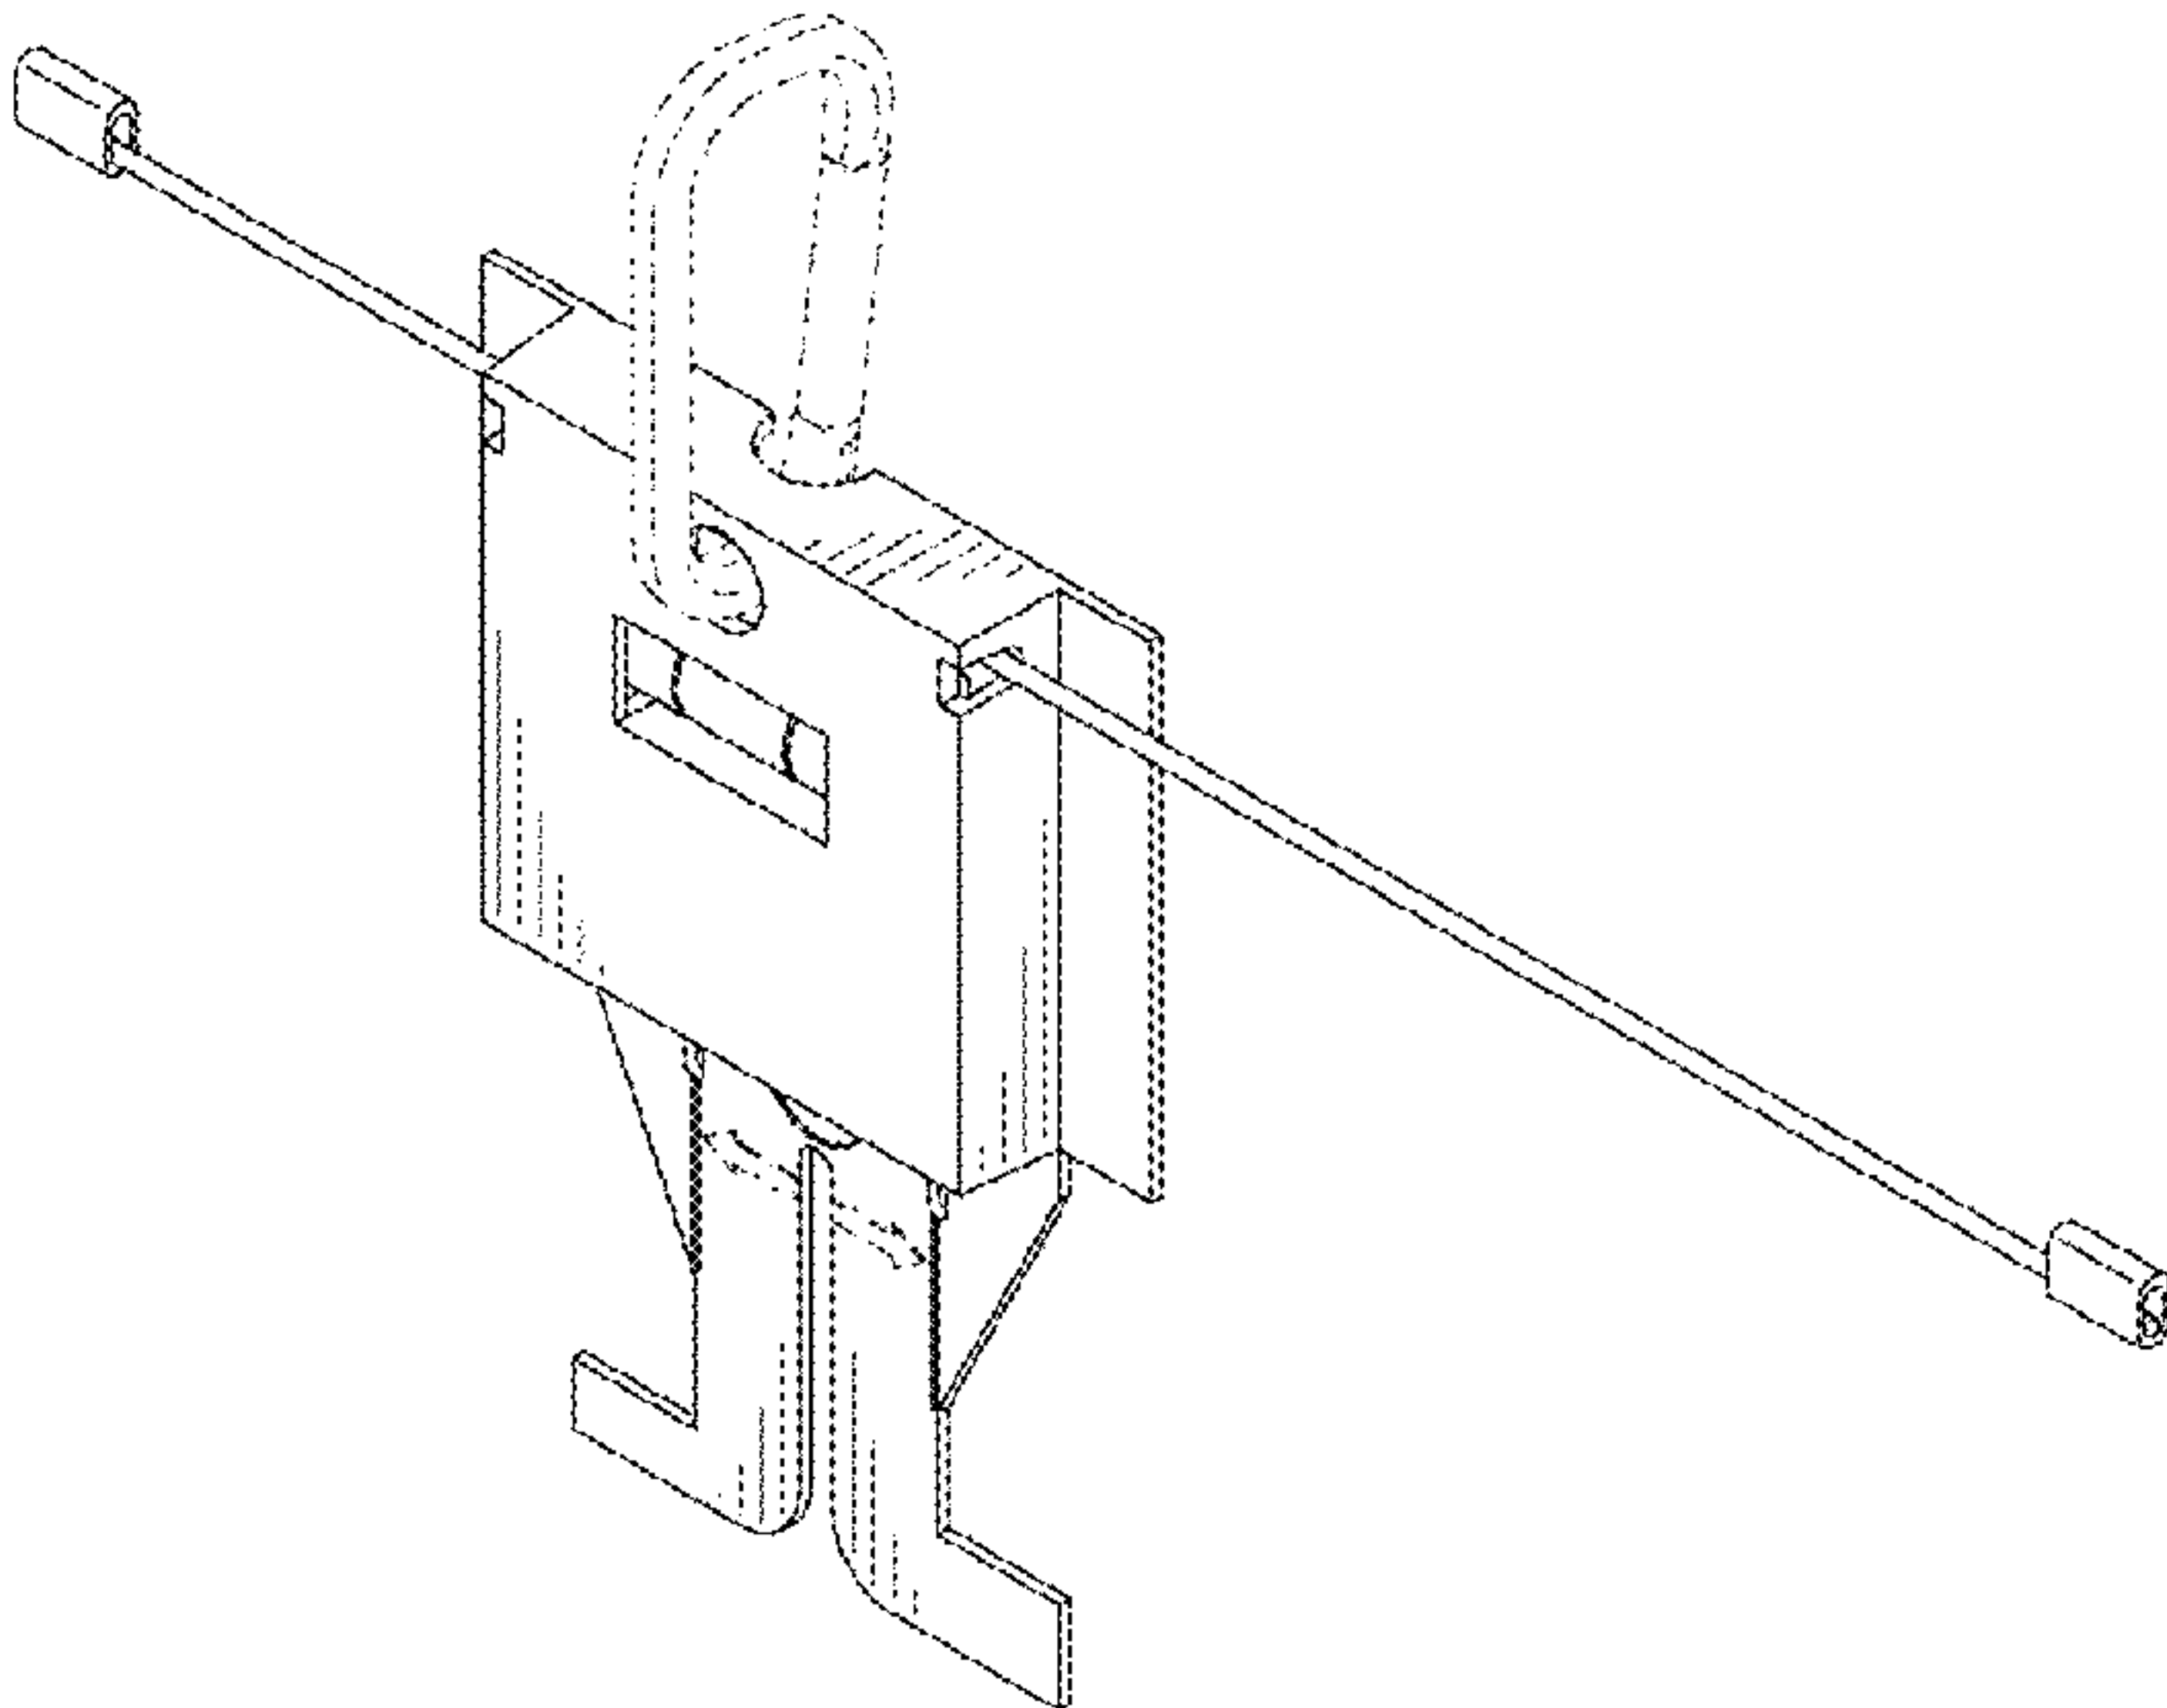

(57) CLAIM

The ornamental design for a siding guide installation veri-
fication tool, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a siding guide installation
verification tool;
FIG. 2 is a bottom perspective view of the siding guide
installation verification tool;
FIG. 3 is a back side elevation view of the siding guide
installation verification tool;
FIG. 4 is a front side elevation view of the siding guide
installation verification tool;
FIG. 5 is a right-side elevation view of the siding guide
installation verification tool;
FIG. 6 is a left-side elevation view of the siding guide
installation verification tool;
FIG. 7 is a top view of the siding guide installation veri-
fication tool; and,
FIG. 8 is a bottom view of the siding guide installation
verification tool.
The broken lines in the drawings depict portions of the
siding guide installation verification tool that form no part of
the claimed design.
