(57) CLAIM

The ornamental design for a tag line alert device, as shown and described.

DESCRIPTION

FIG. 1 is a front oblique view of a tag line alert device. FIG. 2 is a front elevation view of the tag line alert device. FIG. 3 is a rear elevation view of the tag line alert device. FIG. 4 is a right elevation view of the tag line alert device. FIG. 5 is a left elevation view of the tag line alert device. FIG. 6 is a top view of the tag line device. FIG. 7 is a bottom view of the tag line alert device; and, FIG. 8 is a rear oblique view of the tag line alert device. The broken lines shown are included for the purpose of illustrating portions of the tag line alert device that form no part of the claimed design.
