(57) CLAIM

The ornamental design for a plunger bellows as shown and described.

DESCRIPTION

FIG. 1 is an upper, front and left side perspective view of a plunger bellows showing my new design.
FIG. 2 is a front view thereof, a rear view being identical;
FIG. 3 is a left side view thereof, a right side view being identical; and,
FIG. 4 is a top view thereof.
The features presented in broken lines illustrate portions of the plunger bellows that form no part of the claimed design.
