[57] **CLAIM**

The ornamental design for a combined compartmented container and cover for food or the like, as shown and described.

DESCRIPTION

FIG. 1 is an exploded top perspective view of a combined compartmented container and cover for food or the like showing my new design;

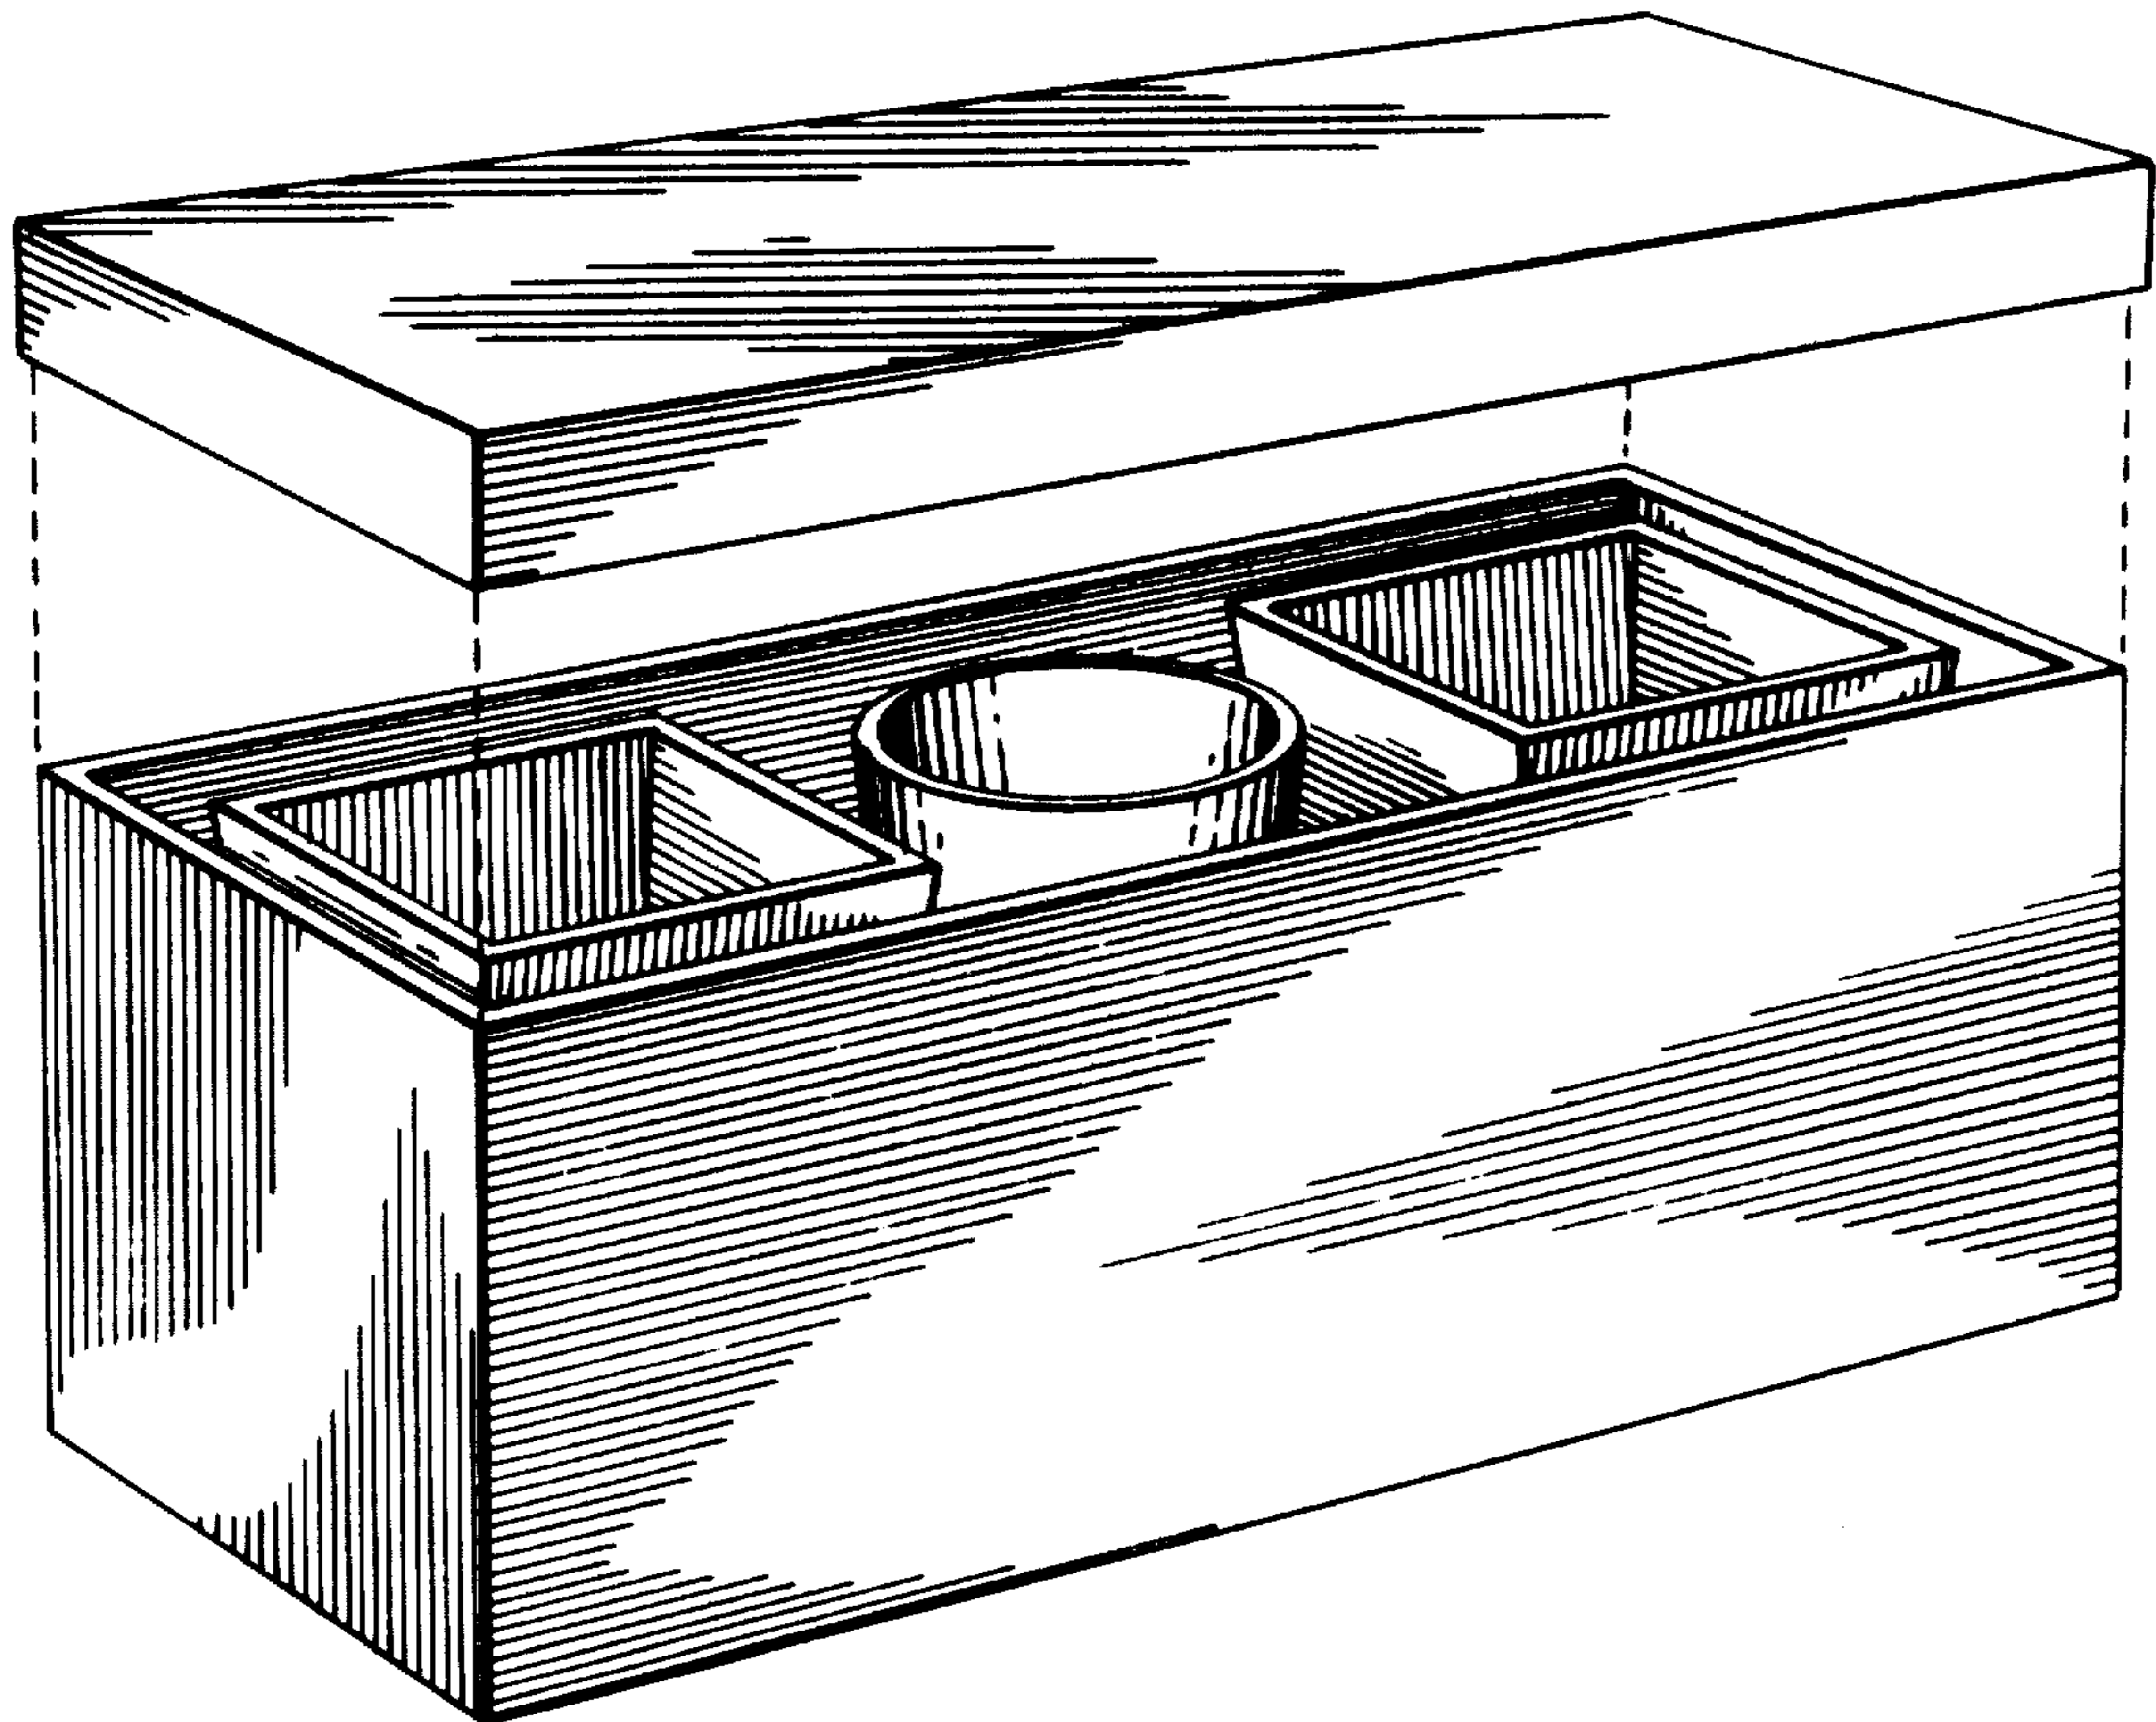

FIG. 2 is an elevational view of the cover only;

FIG. 3 is a plan view of the lower face of the cover;

FIG. 4 is a top plan view of the container with the cover removed; and

FIG. 5 is a side elevational view thereof.

The end and side not shown are the same in appearance as the end and side shown and the top of the cover and bottom of the container are plain and unornamented.
