[57] **CLAIM**

The ornamental design for an auto mechanic's creeper, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an auto mechanic's creeper showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a side elevational view thereof, the opposite side being a mirror image to the side shown herein; FIG. 4 is an end elevational view thereof; and FIG. 5 is an end elevational view thereof opposite to that shown in FIG. 4.

The bottom of the auto mechanic's creeper is unornamented and the inverse of the top in configuration.
