[57] CLAIM

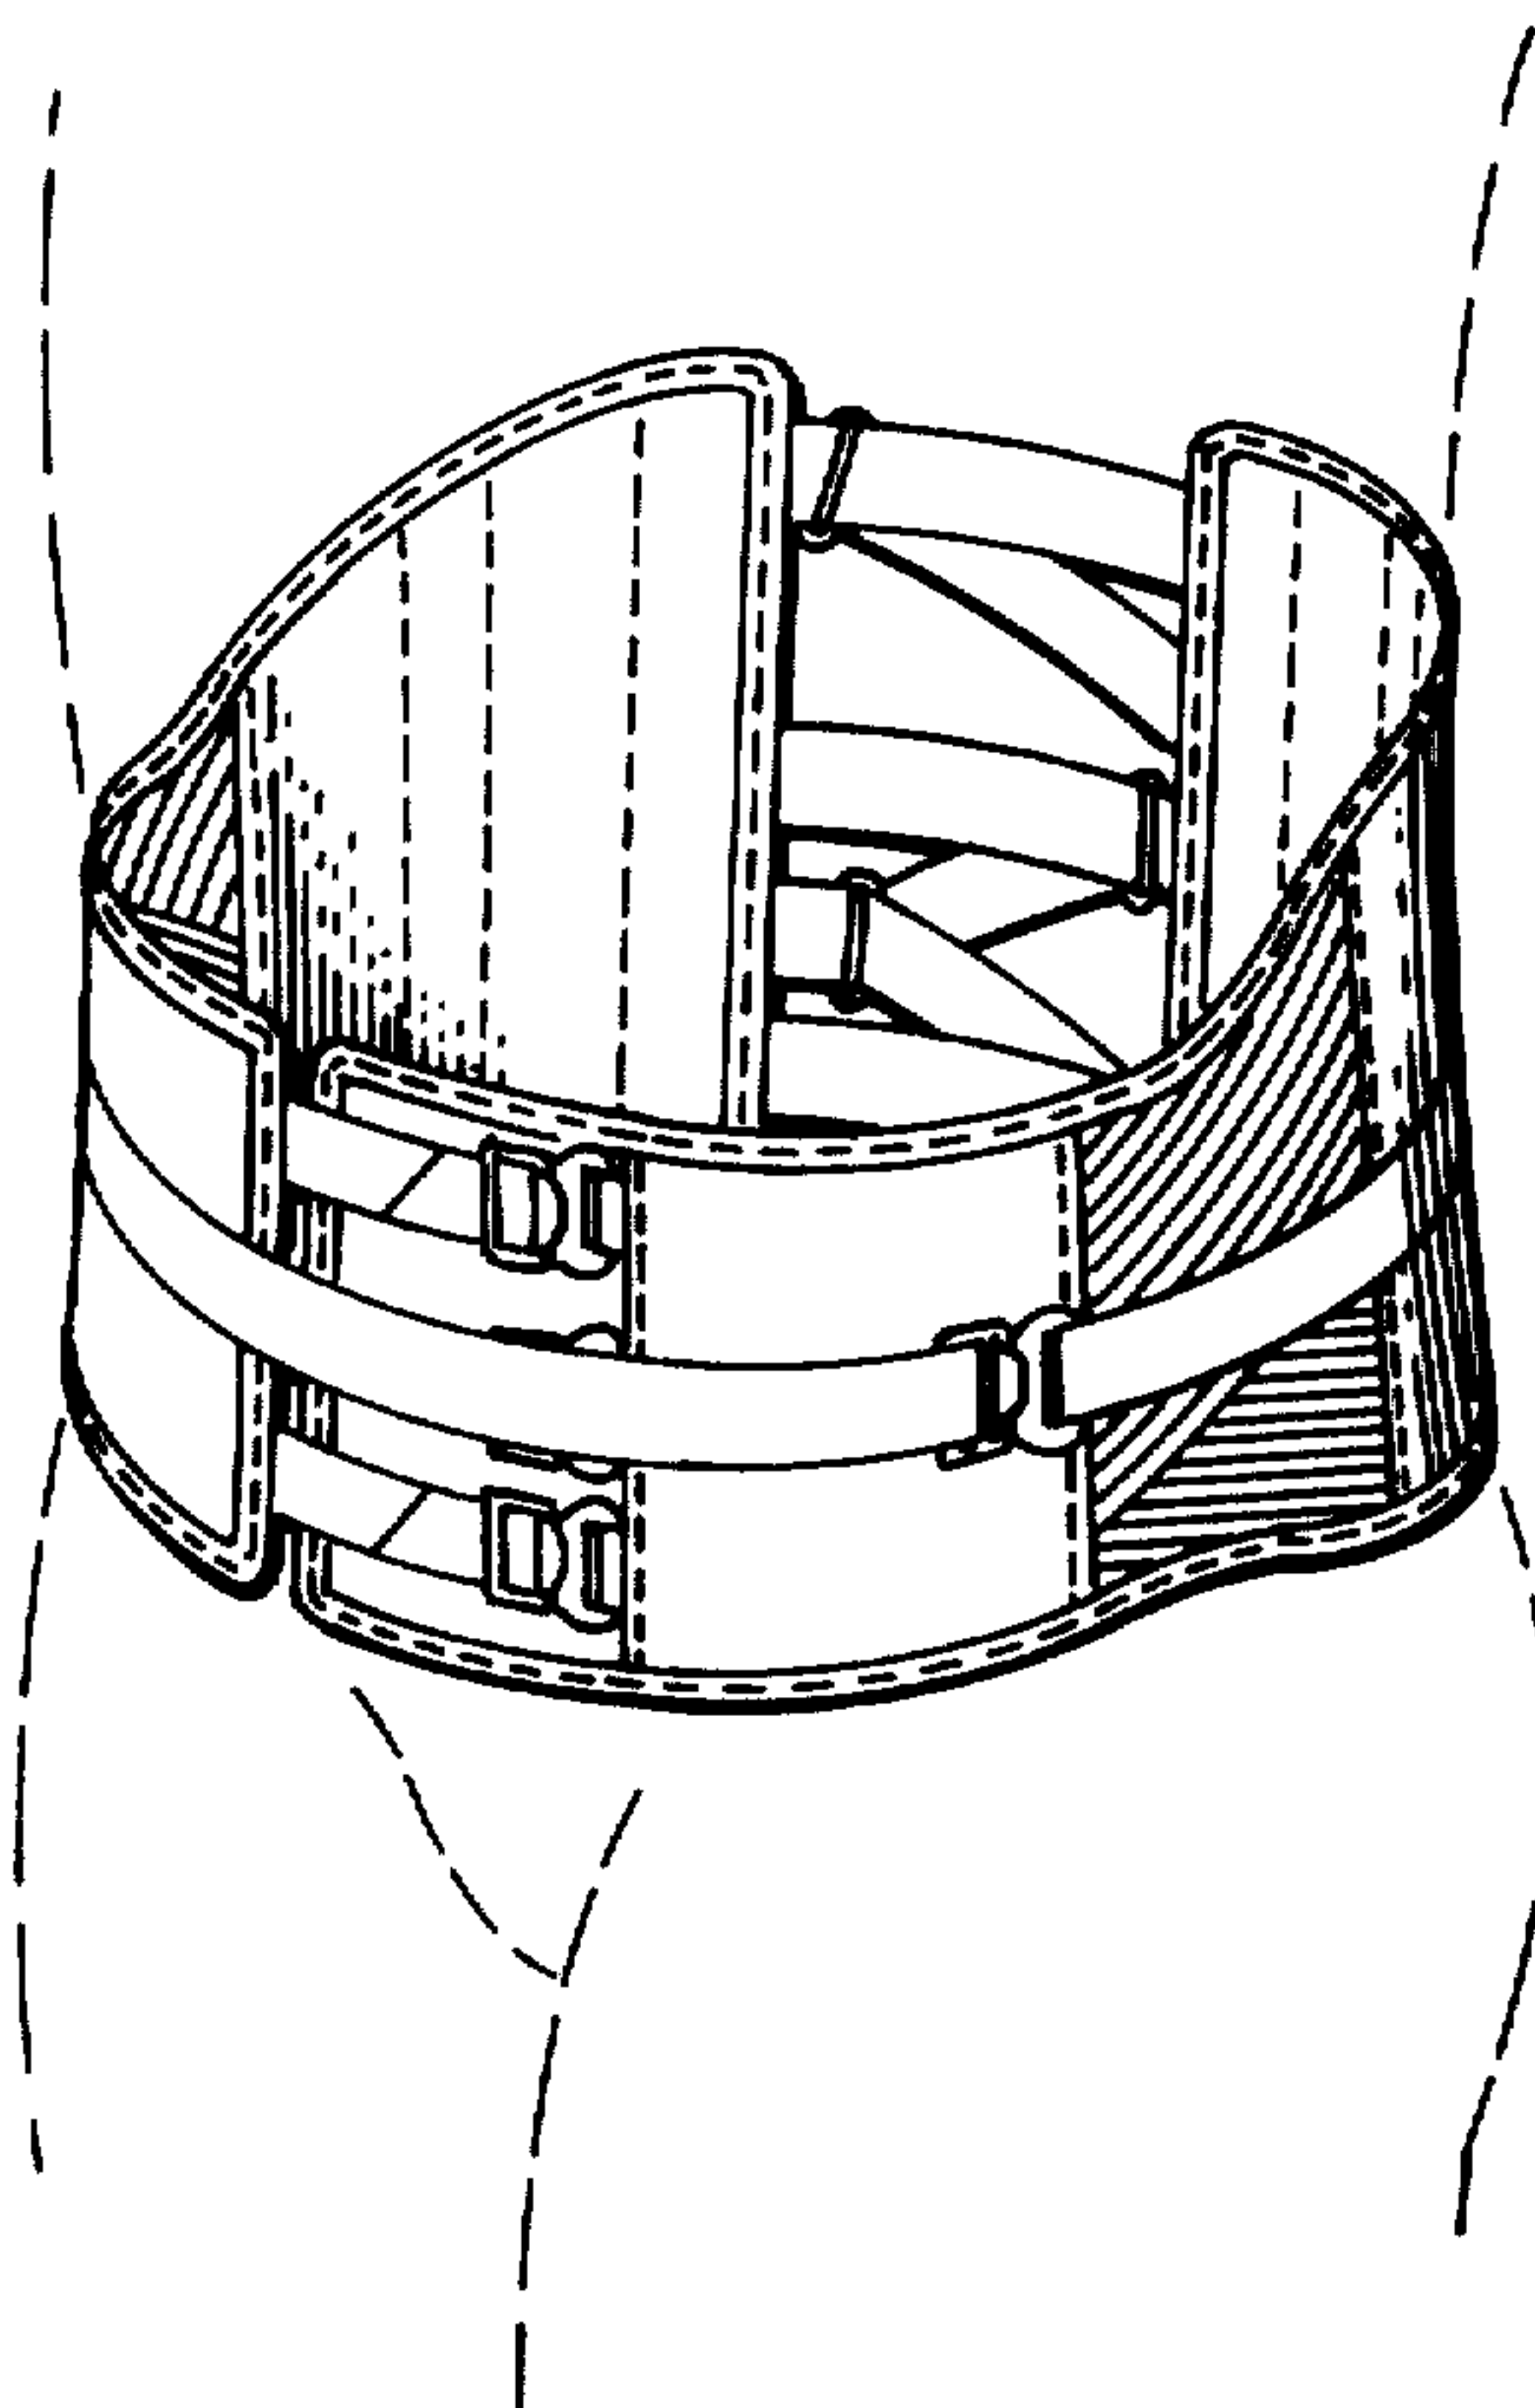

The ornamental design for a lumbo-sacral support, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a lumbo-sacral support showing my new design and positioned about a person's body indicated by dotted lines for illustrative purposes only.

FIG. 2 is a plan view of the outside thereof; and
FIG. 3 is a plan view of the inside thereof.

The broken lines on the lumbo-sacral support in the drawing are understood to be representative of stitching.

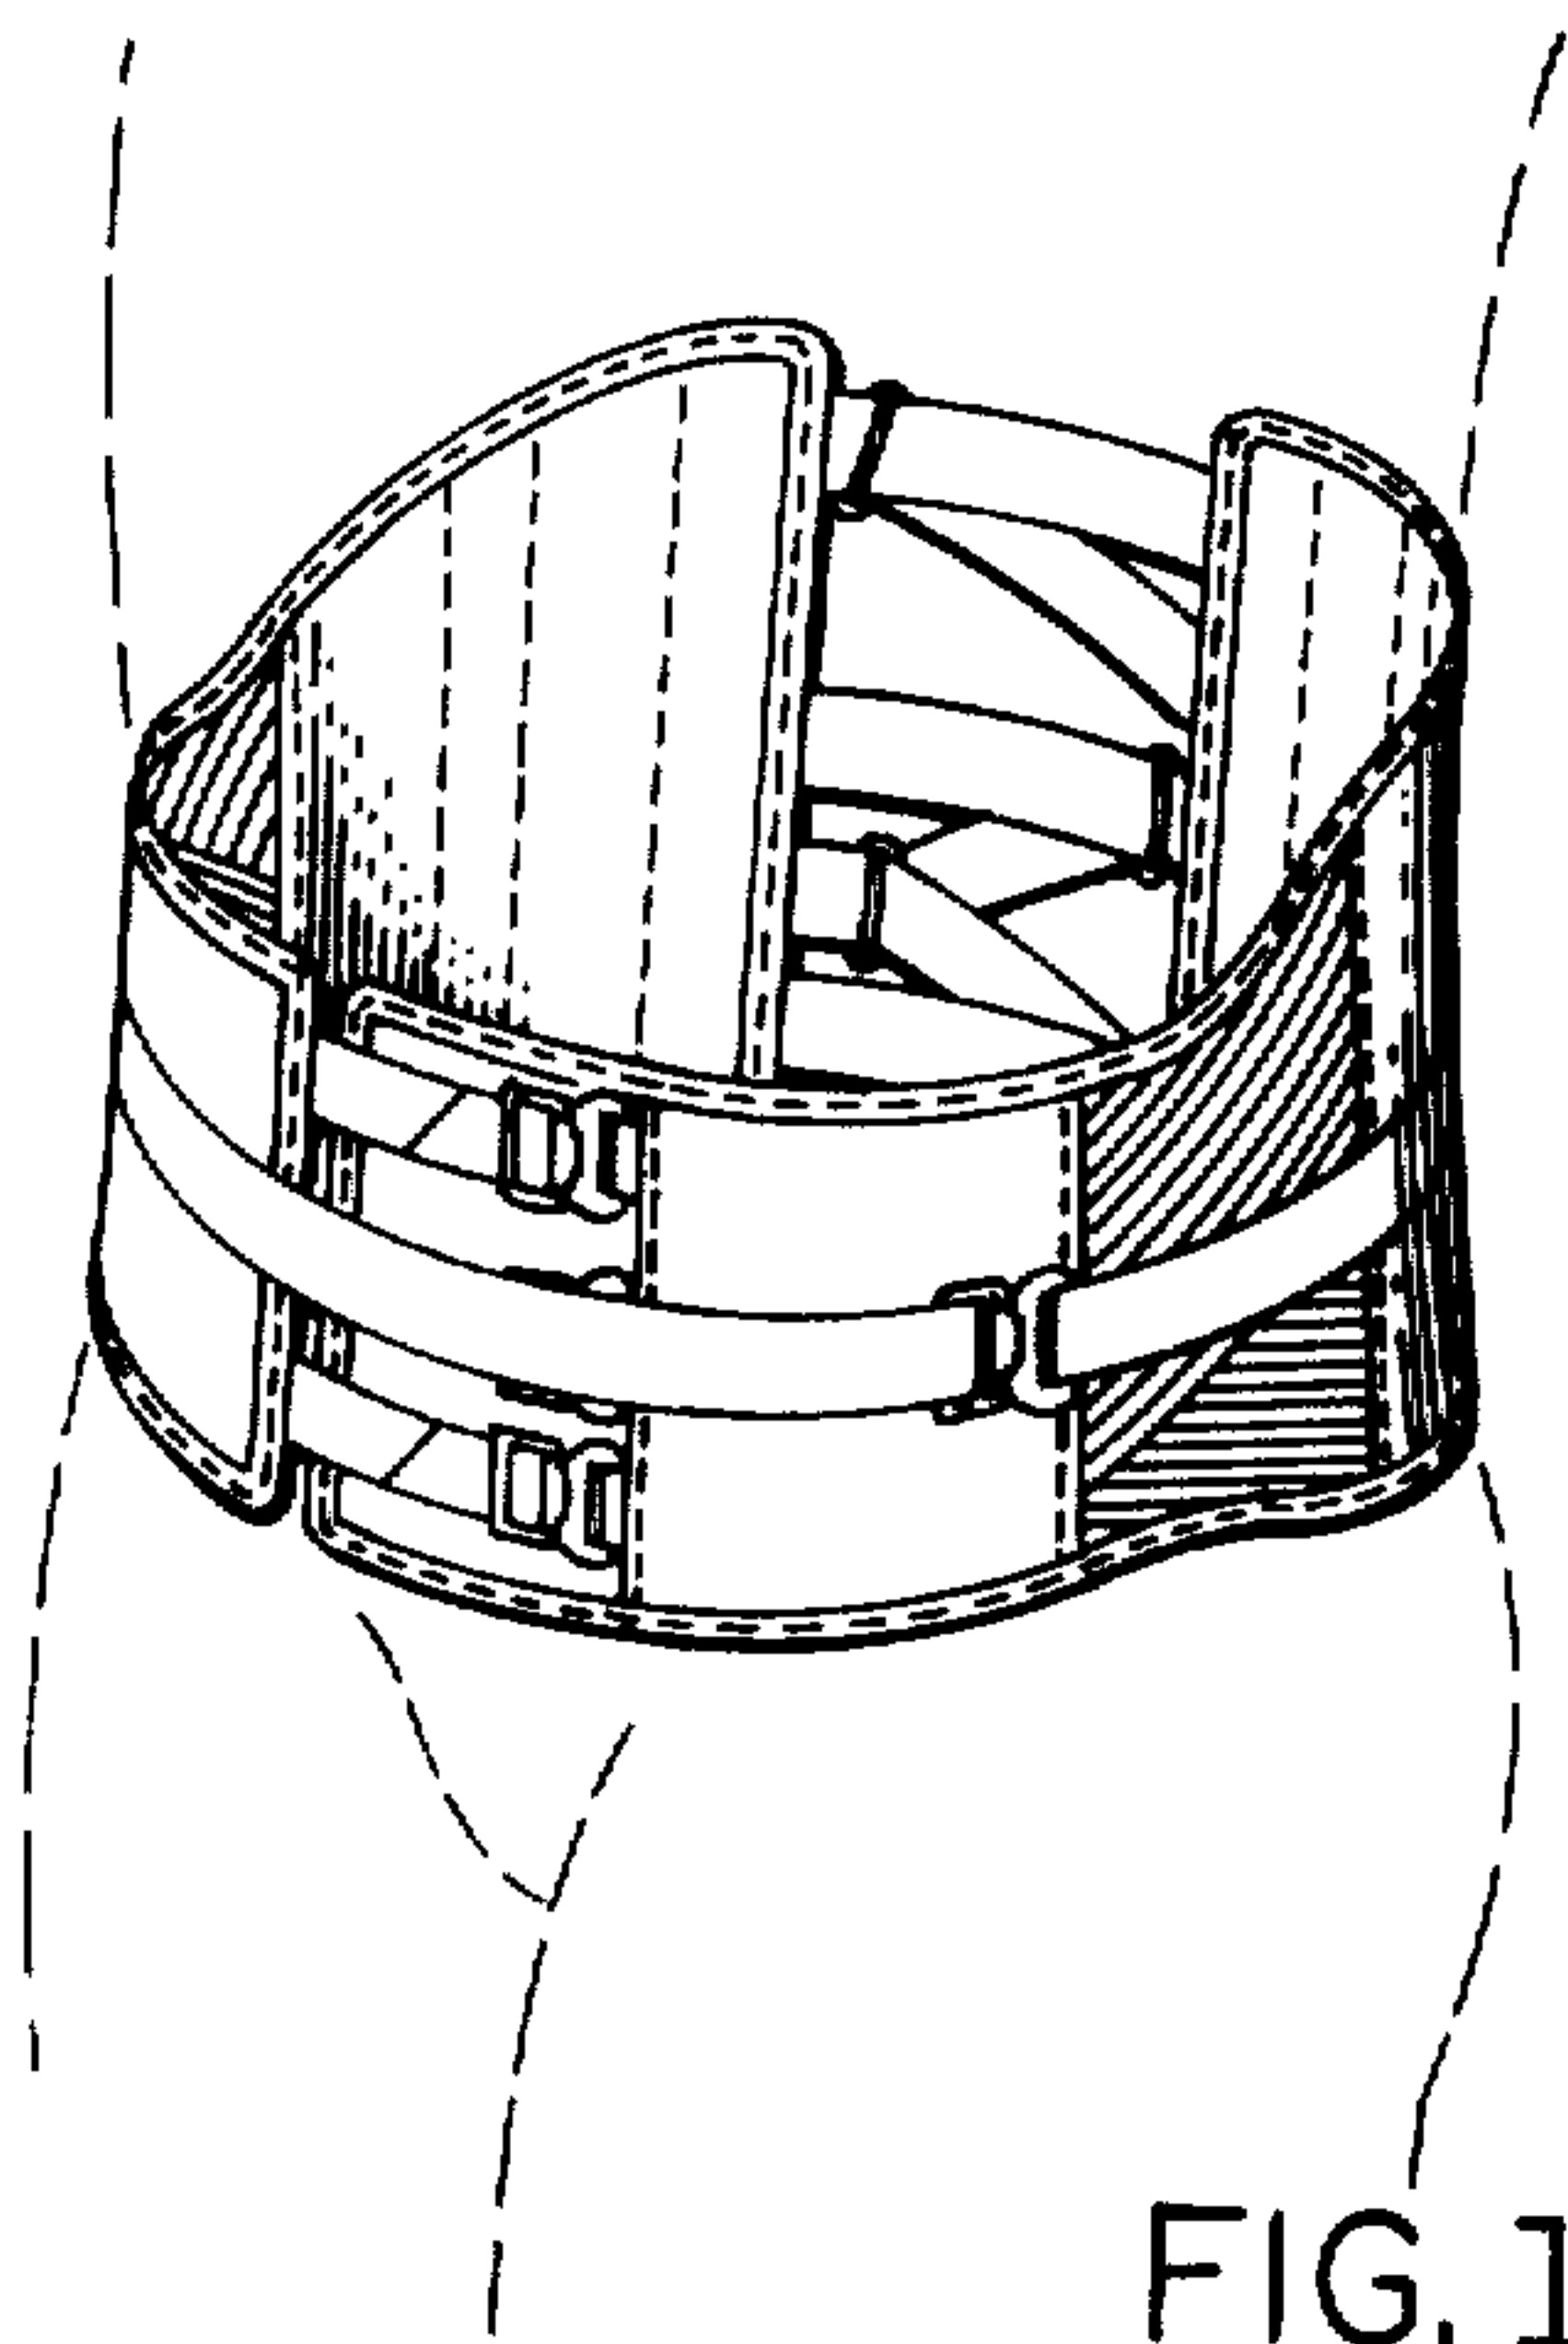

FIG. 1

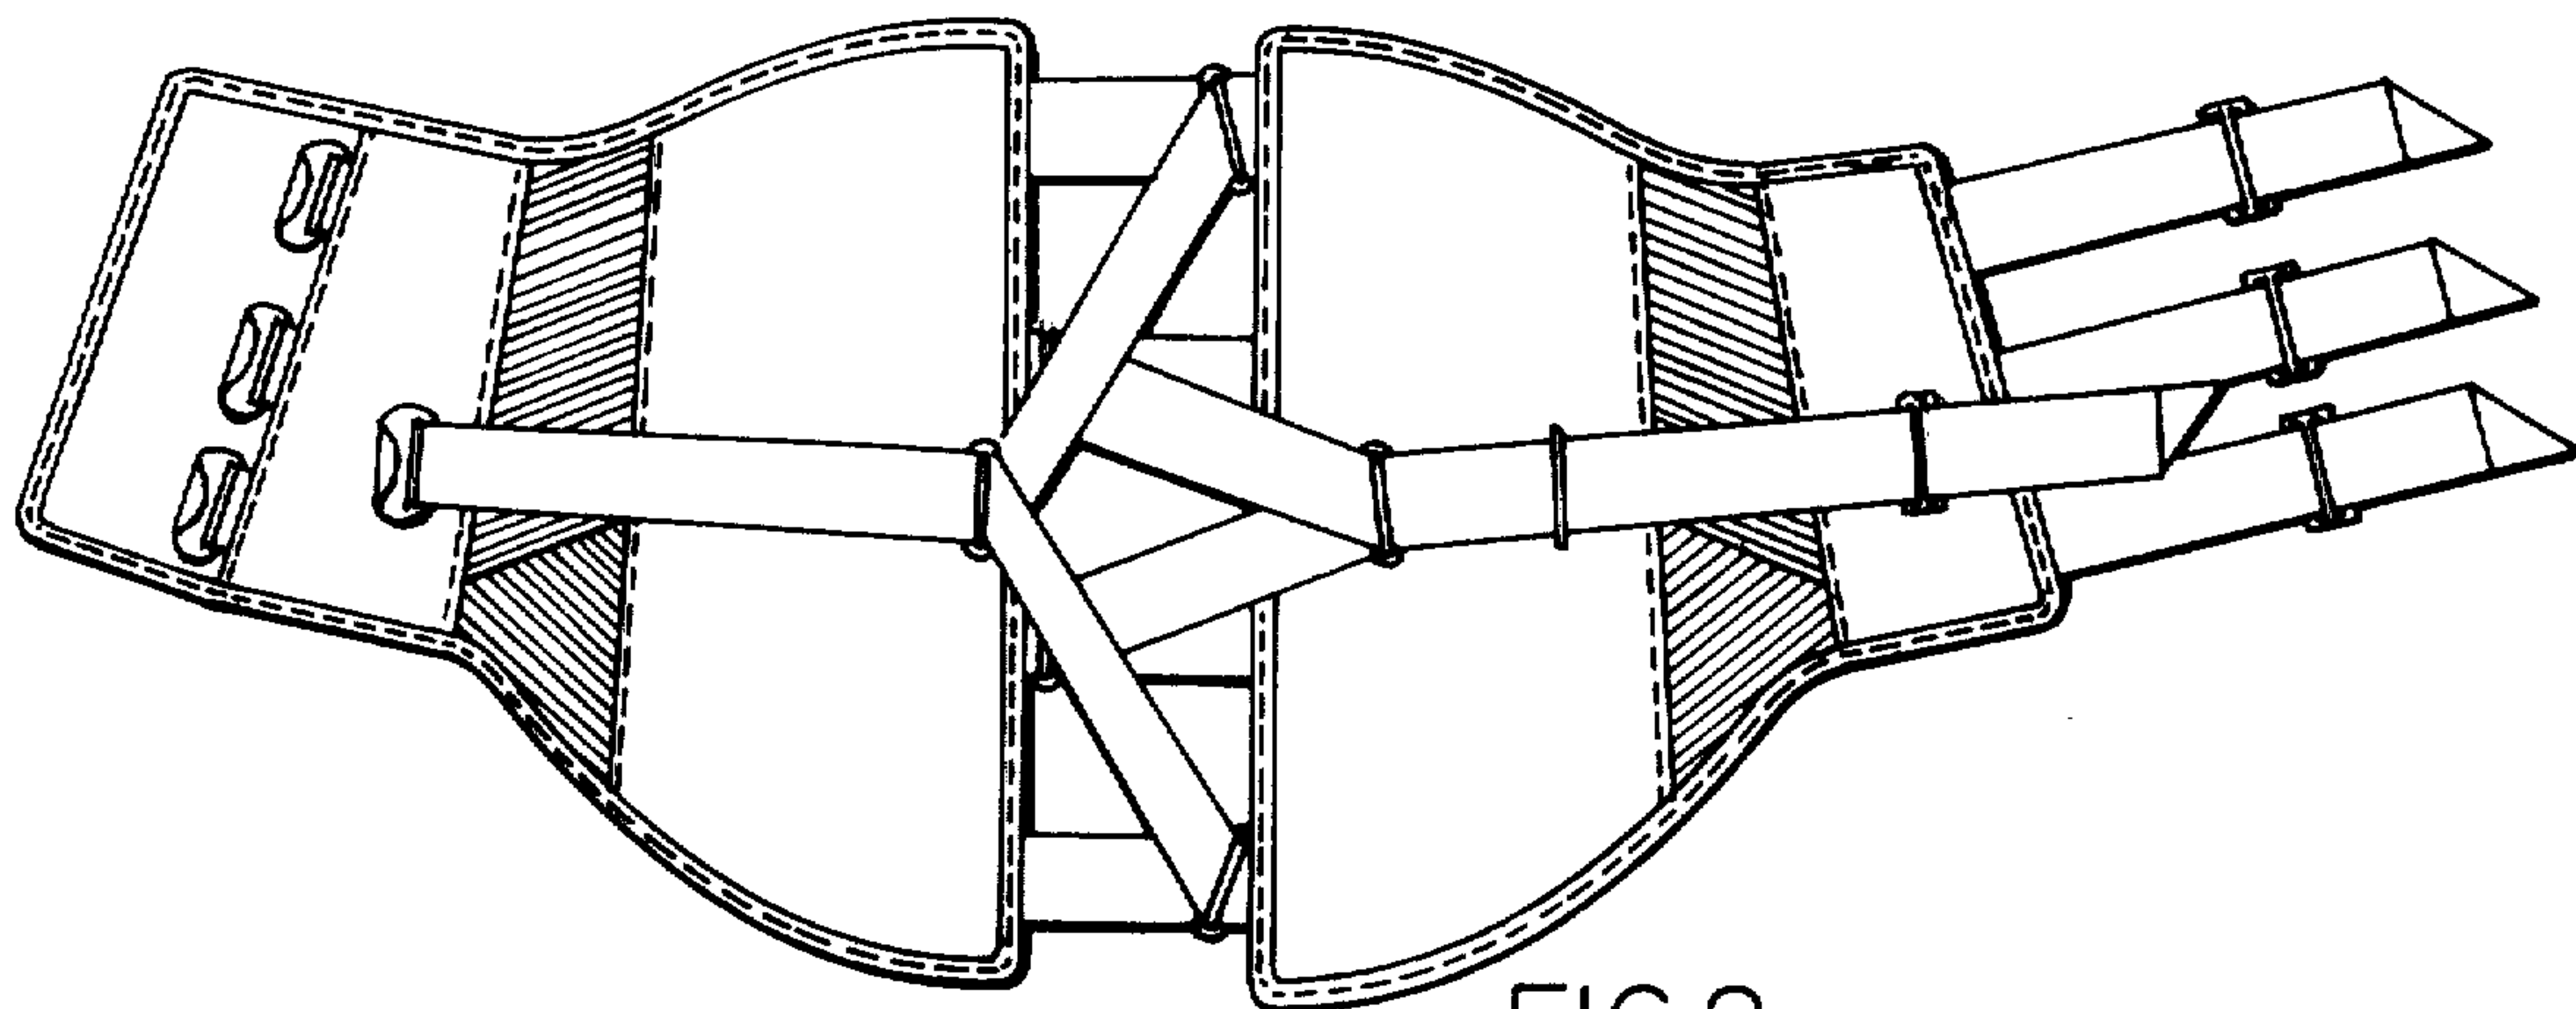

FIG.2
