[57] CLAIM

The ornamental design for an air conditioner housing for mounting in double-hung windows, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of an air conditioner housing for mounting in double-hung windows showing our new design, the window and portion of a wall are shown in broken lines for illustrative purposes only; FIG. 2 is a side elevational view, the opposite side being similar; and FIG. 3 is a top plan view, the bottom being similar. The rear surface is unornamented.
