[57] **CLAIM**

The ornamental design for a pressure relief valve for a low pressure cuffed tracheostomy tube, as shown.

**DESCRIPTION**

FIG. 1 is a perspective view taken from the top, one side and one end of a pressure relief valve for a low pressure cuffed tracheostomy tube showing our new design.

FIG. 2 is an elevational view taken from the side opposite that shown in FIG. 1.

FIG. 3 is an elevational view taken from the end opposite that shown in FIG. 1.

FIG. 4 is a bottom plan view thereof.

*FIG. 1.*

*FIG. 2.*

*FIG. 3.*

*FIG. 4.*
