[57] **CLAIM**

The ornamental design of a stocking, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a stocking showing my new design, the appearance of the lower portion of the stocking being uniform throughout the hose portion, the rear of the stocking having the same design as the front thereof;

FIG. 2 is an enlarged view of the area shown in block 2 of FIG. 1. A unit of the design is indicated by dot-dash lines in the drawing. Such unit is repeated in regular succession throughout the upper portion of the stocking.
