[57] CLAIM

The ornamental design for a signal light for emergency highway use or the like, as shown.

DESCRIPTION

FIG. 1 is an isometric view of a signal light for emergency highway use or the like.

FIG. 2 is a view taken as indicated by line 2—2 on FIG. 1;

FIG. 3 is a view taken as indicated by line 3—3 on FIG. 2;

FIG. 4 is a view taken as indicated by line 4—4 on FIG. 1; and

FIG. 5 is a view taken as indicated by line 5—5 on FIG. 4.

The cord is shown broken at the ends of the fixture to indicate indeterminate length.
