[57] **CLAIM**

The ornamental design for a digital watch casing, substantially as shown and described.

DESCRIPTION

FIG. 1 is a top right perspective view of a digital watch casing showing my new design;

FIG. 2 is a top plan view thereof;

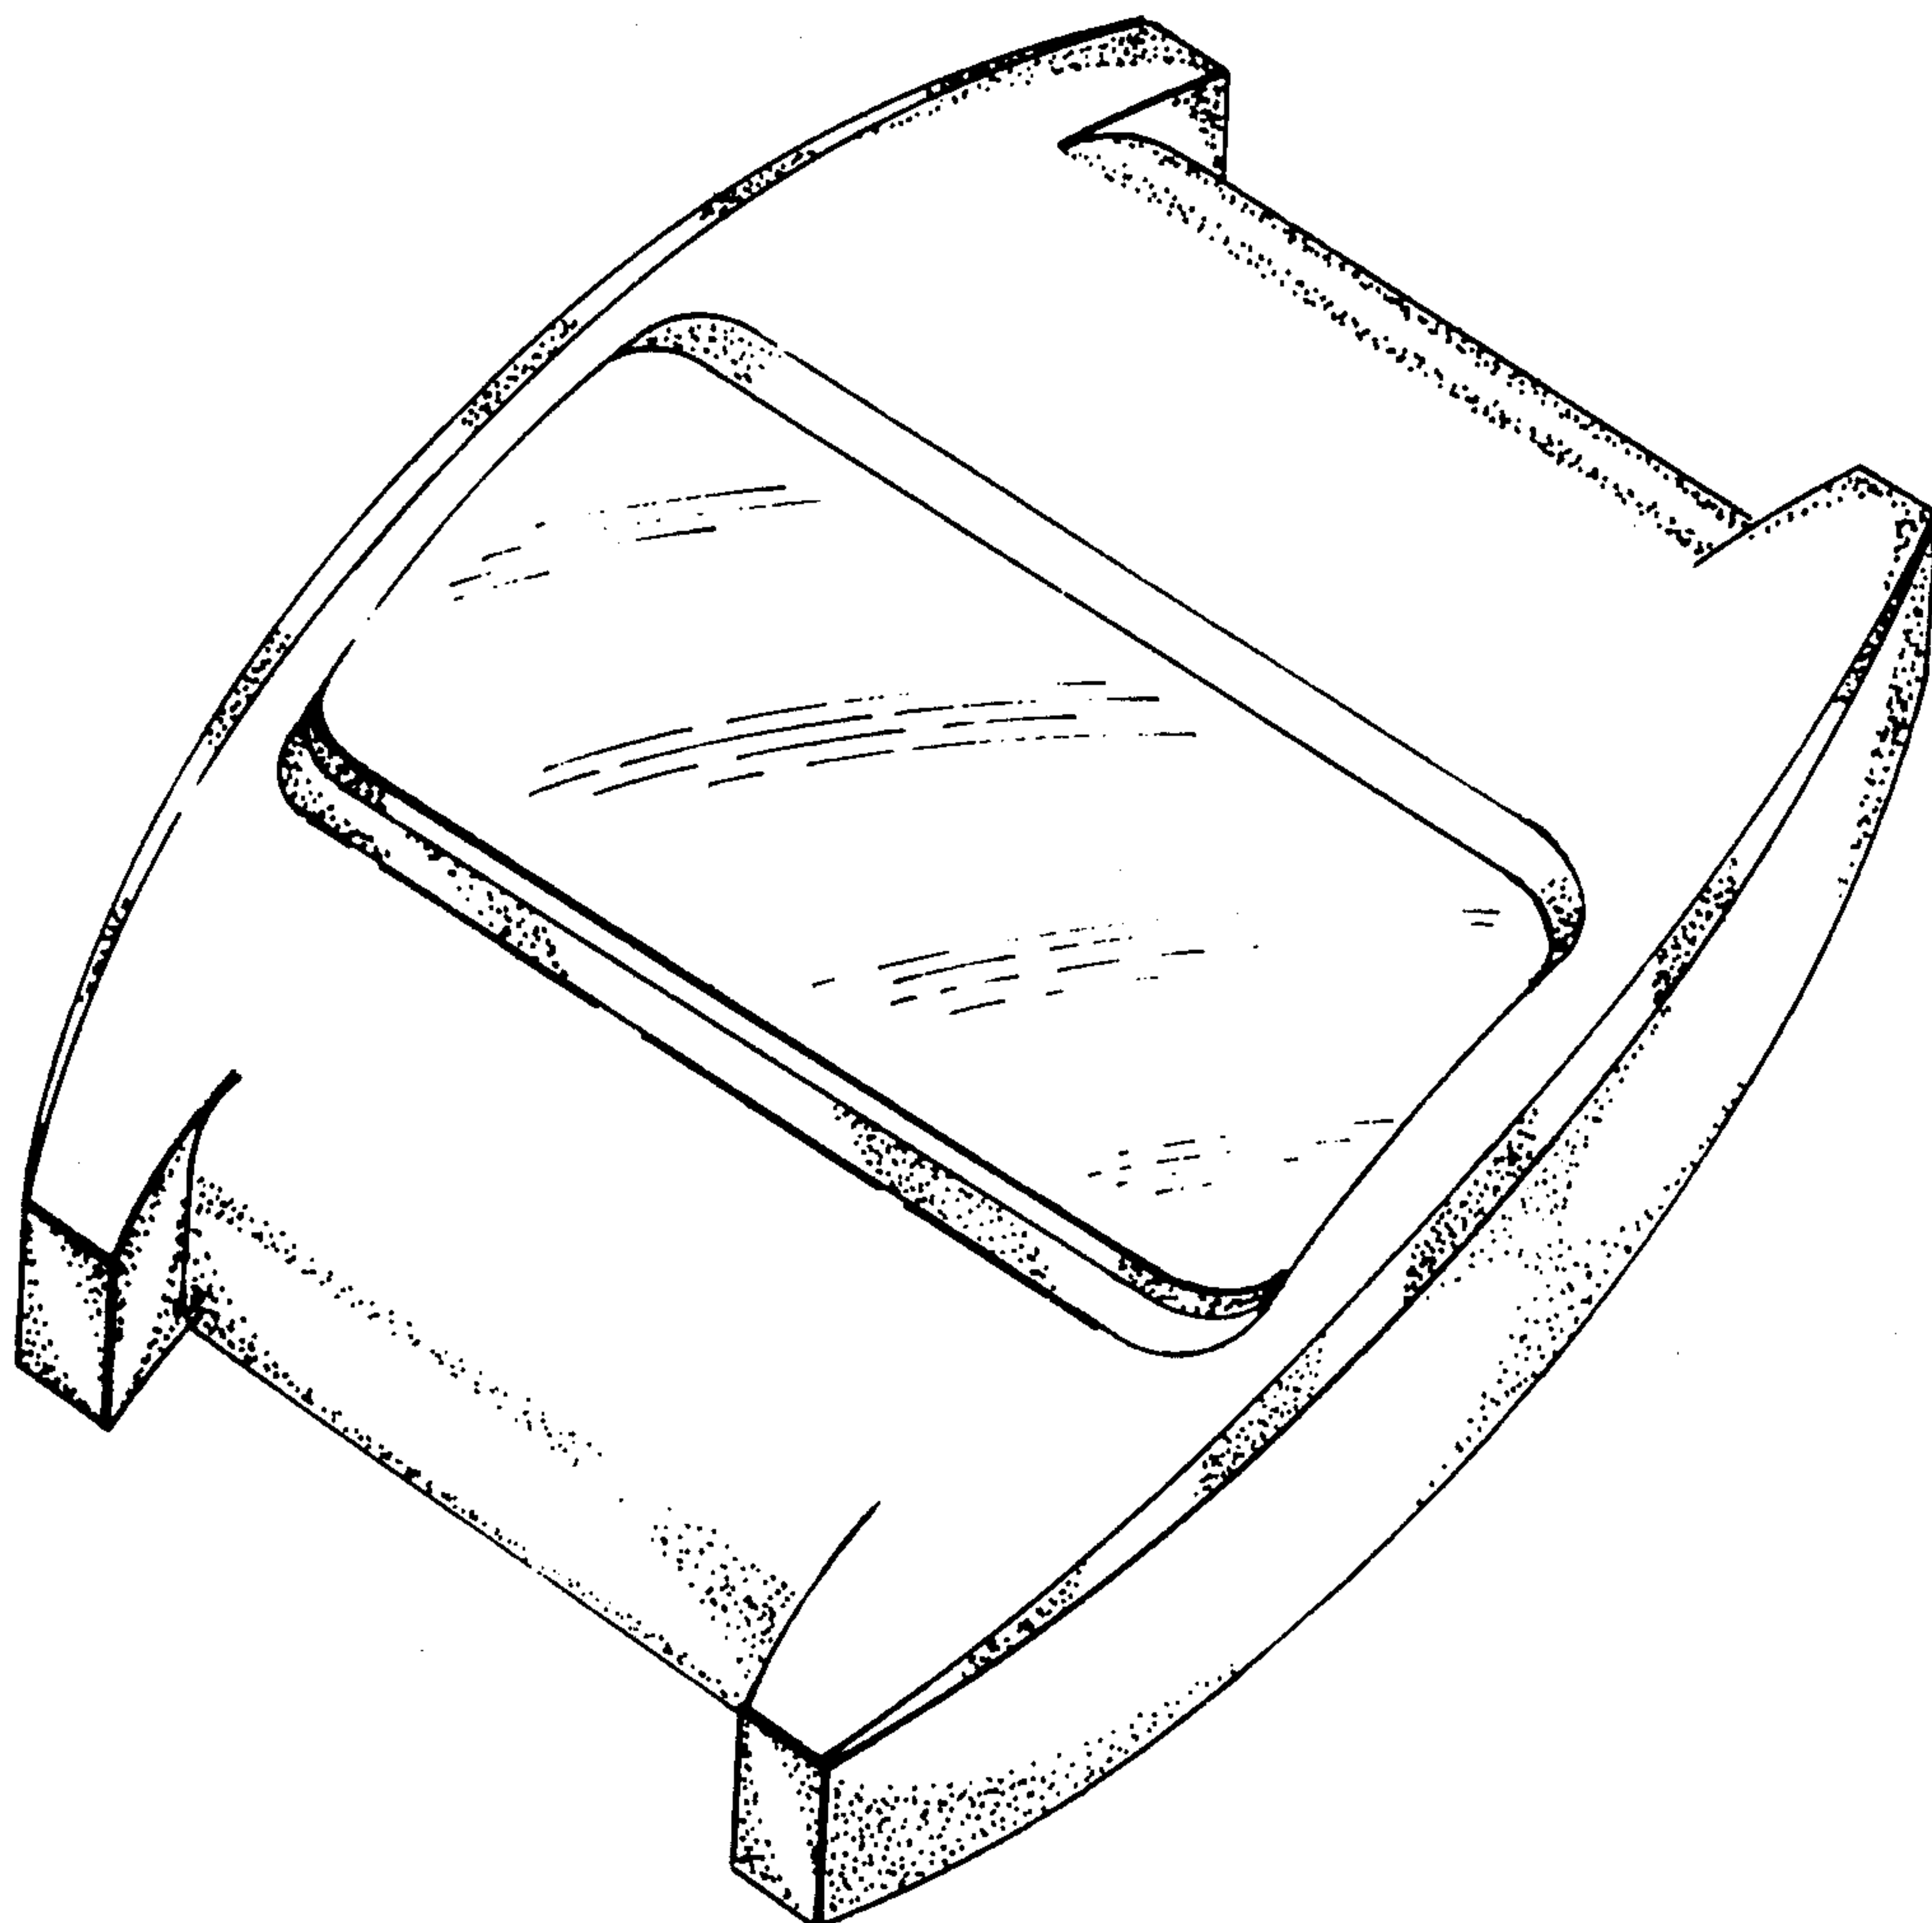

FIG. 3 is a side elevational view thereof, both sides being substantially identical;

FIG. 4 is an end view thereof, both ends being substantially identical;

FIG. 5 is a top right perspective view of another embodiment of my new design of FIG. 1;

FIG. 6 is a top plan view thereof; and

FIG. 7 is an end view thereof, both ends being substantially identical; the sides are the same as shown in FIG. 3.
