[57] CLAIM

The ornamental design for an air conditioner condenser cover, substantially as shown.

DESCRIPTION

FIG. 1 is a top plan view of an air conditioner condenser cover showing my new design.

FIG. 2 is a side view of the cover, the opposite side being substantially the same; the grille pattern which is partially shown is understood to repeat throughout the sides of the condenser;

FIG. 3 is a bottom view of the cover; and

FIG. 4 is an end view of the cover, the opposite end being essentially the same; the grille pattern which is partially shown is understood to repeat through the sides of the condenser.

FIG. 1

FIG. 2

FIG. 3

FIG. 4
