[57] CLAIM

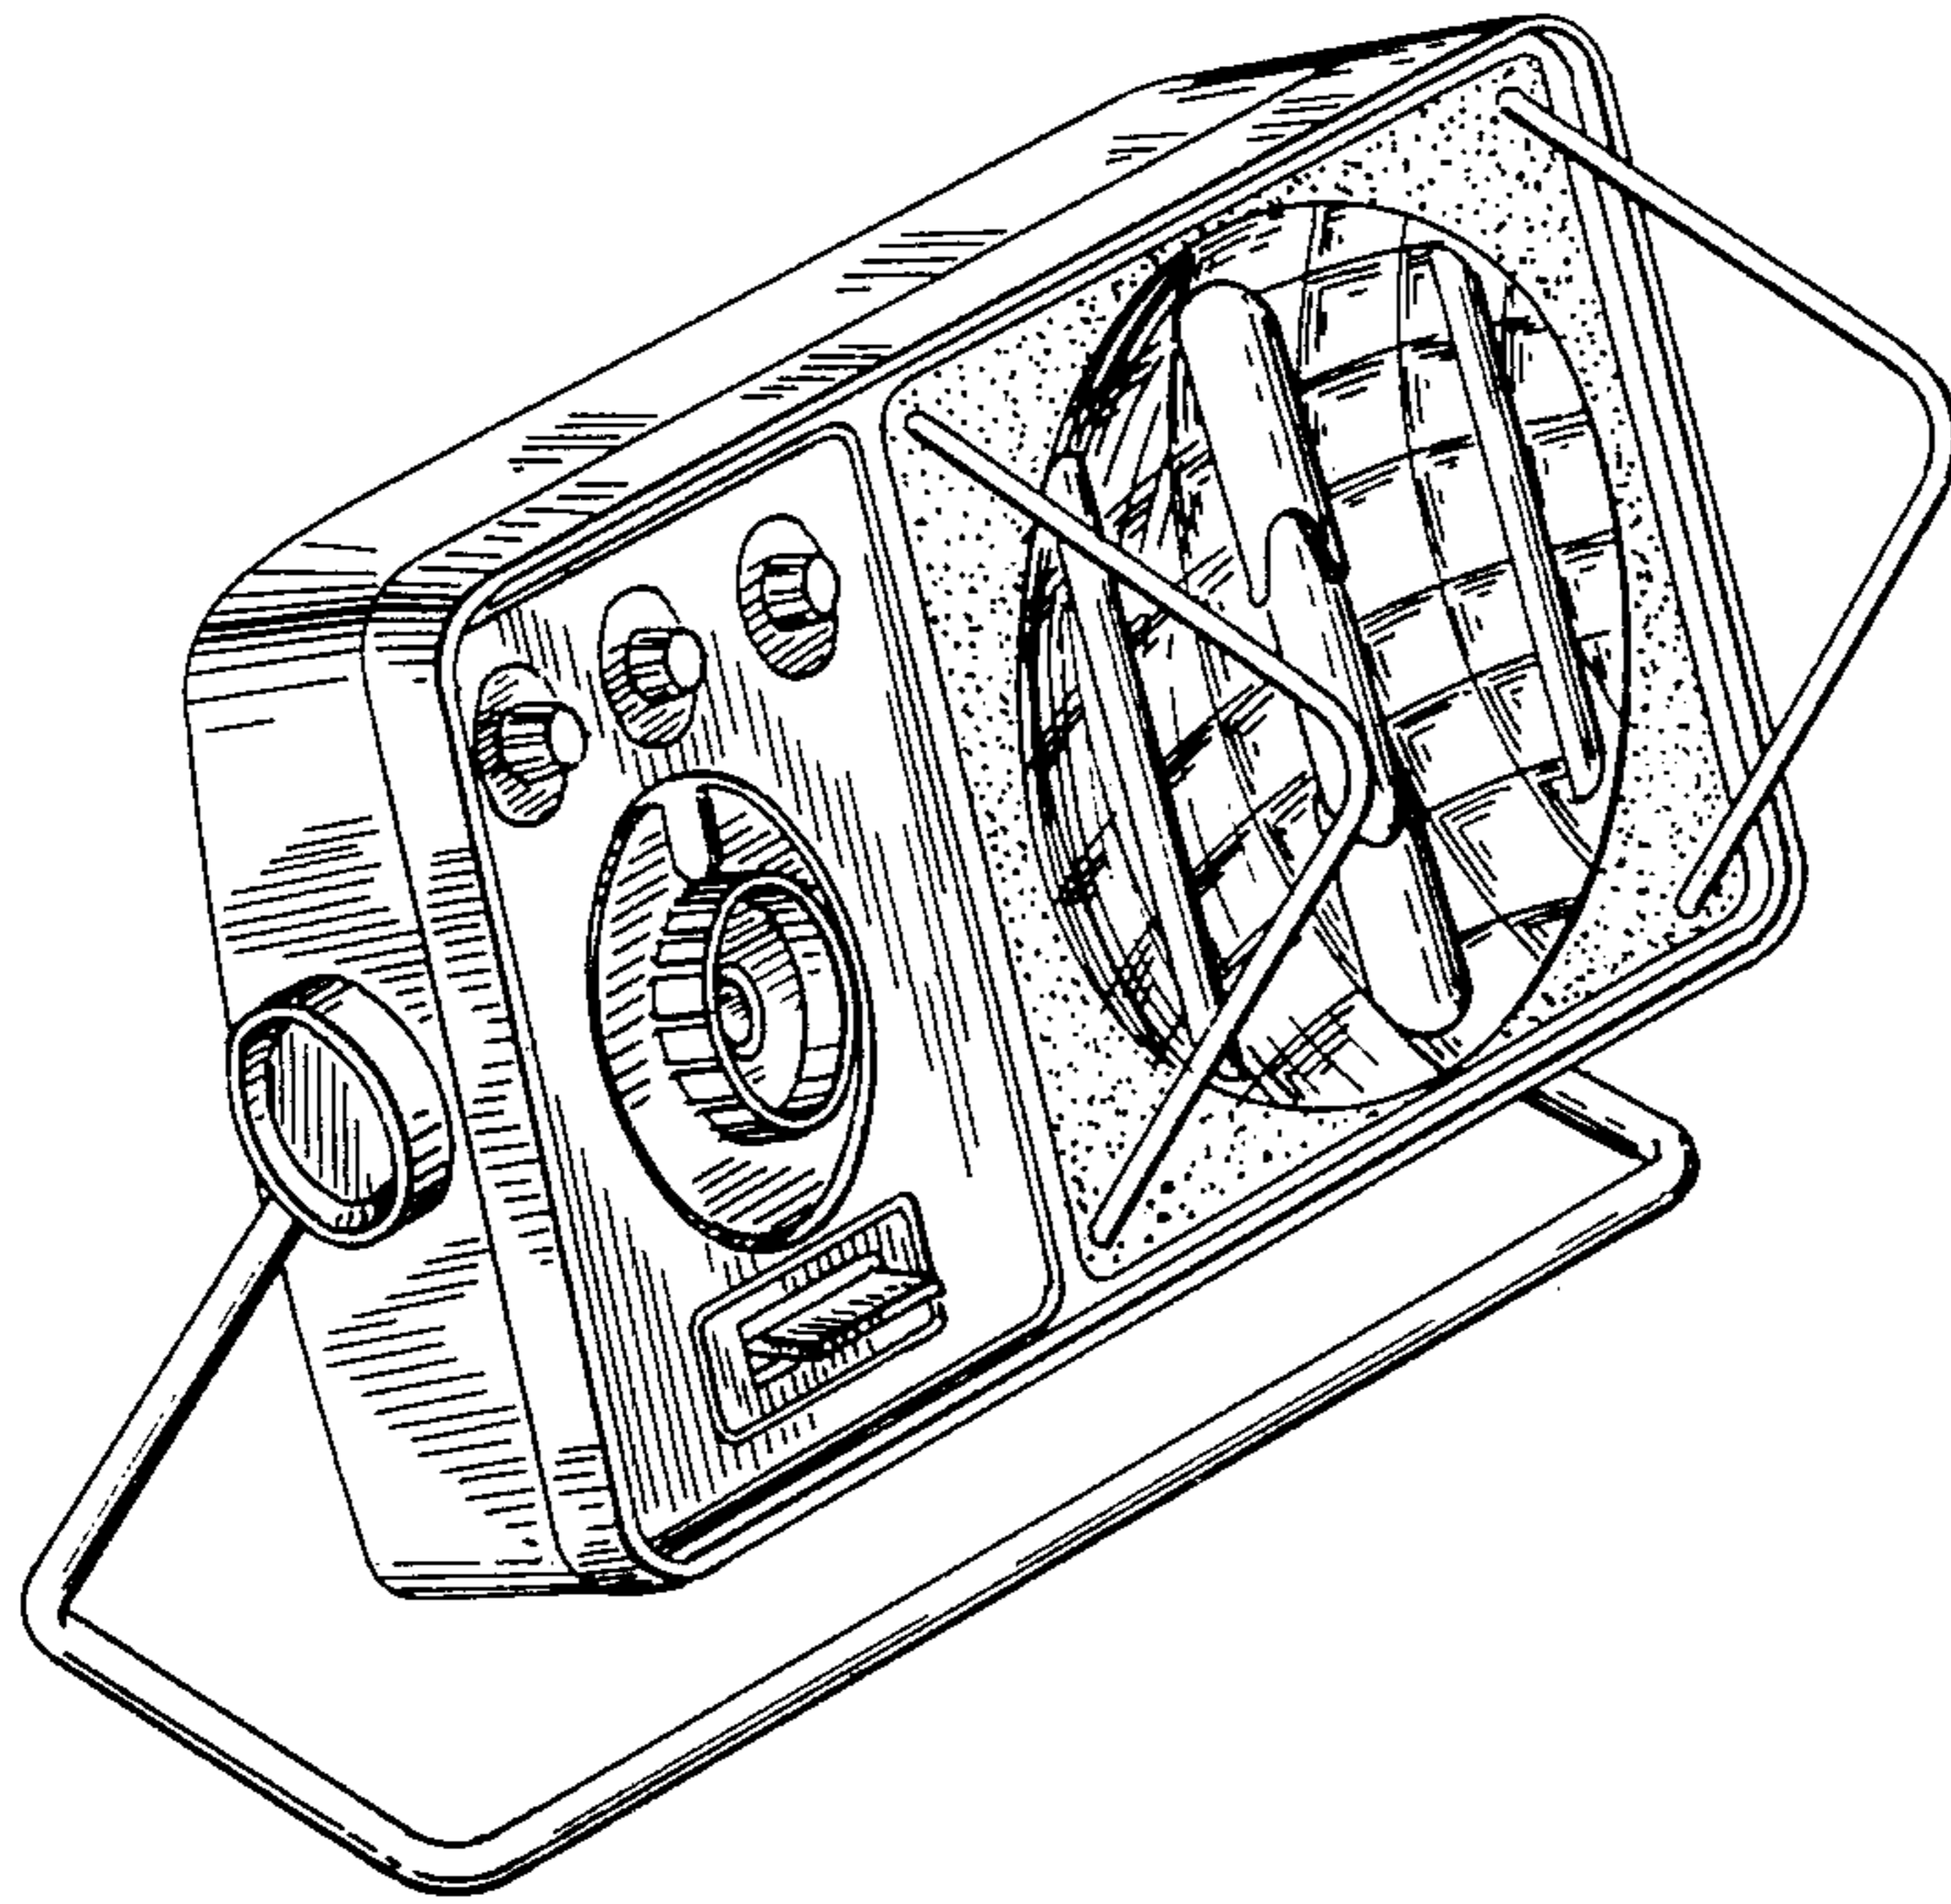

The ornamental design for a sun lamp, as shown and described.

DESCRIPTION

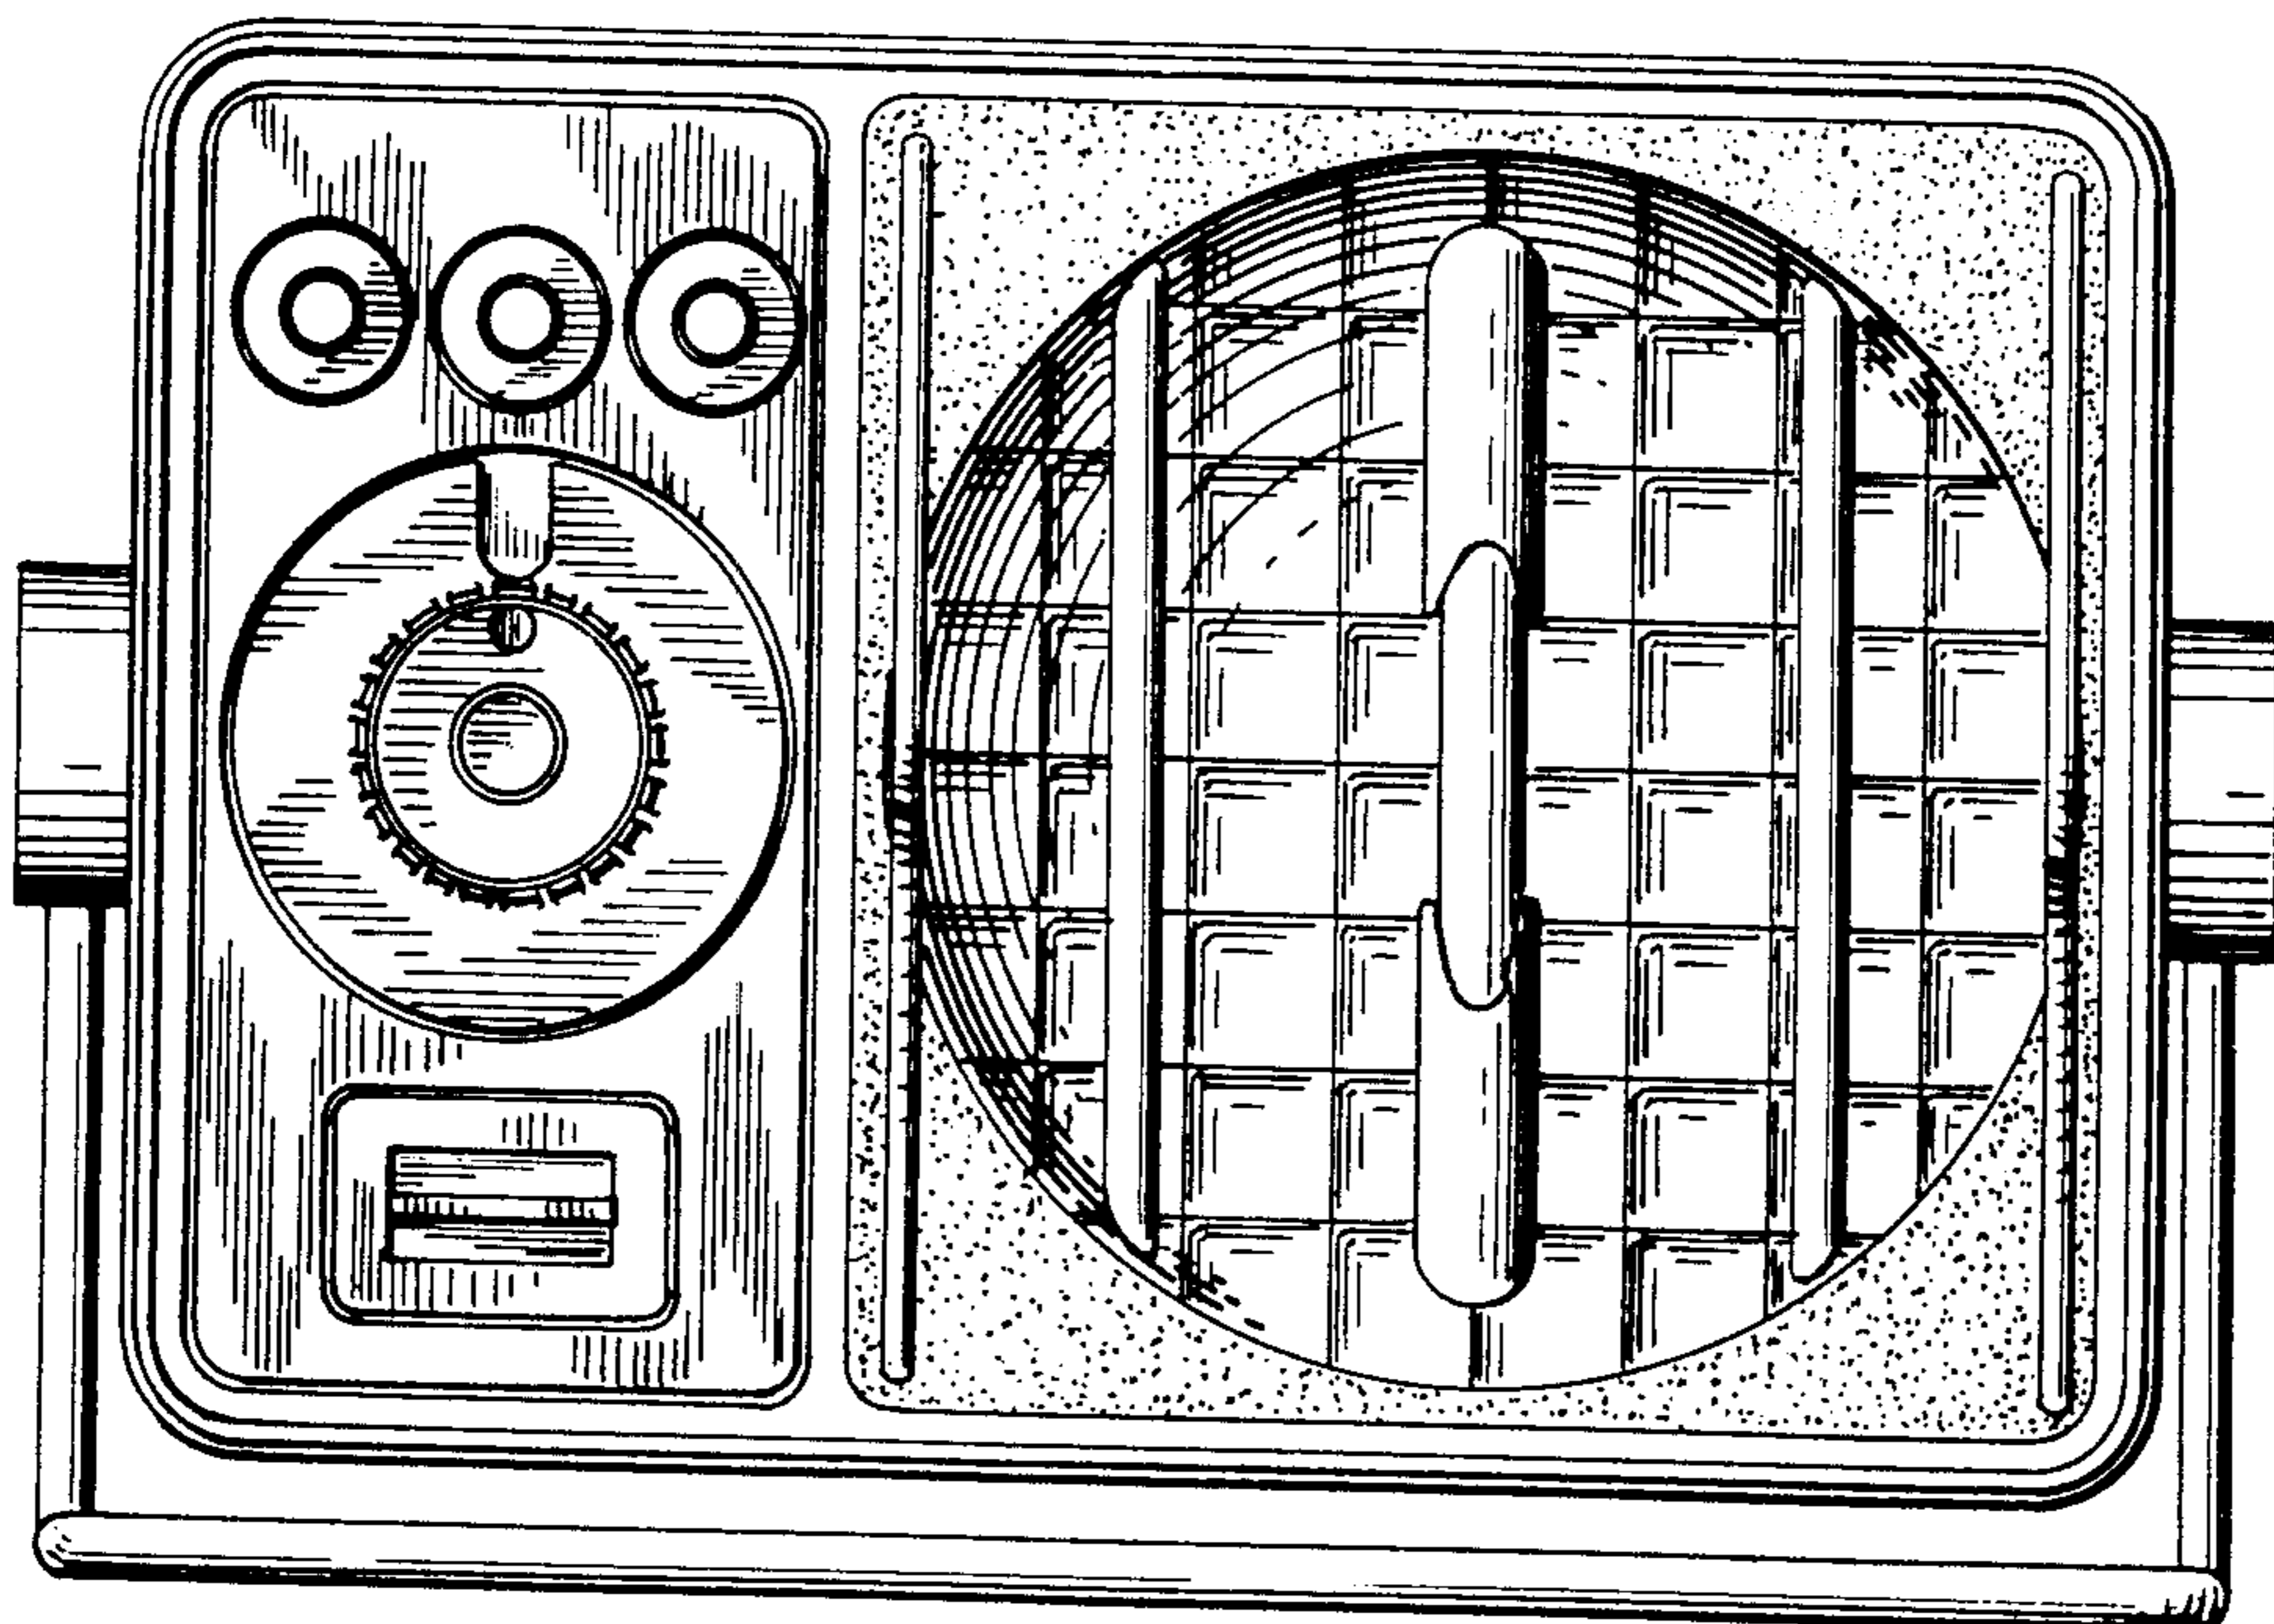

FIG. 1 is a perspective view of a sun lamp showing my new design, illustrating the front, top and right side surfaces; the left side surface is substantially a mirror image of the right side surface. The bottom surface is substantially a mirror image of the top surface; FIG. 2 is an enlarged front elevation thereof; FIG. 3 is a front elevation of a second embodiment showing my new design; FIG. 4 is a left side elevation thereof, the right side being the mirror image; FIG. 5 is a top plan view thereof; FIG. 6 is a bottom plan view thereof; FIG. 7 is a rear elevation view common to both embodiments.
