[57] **CLAIM**

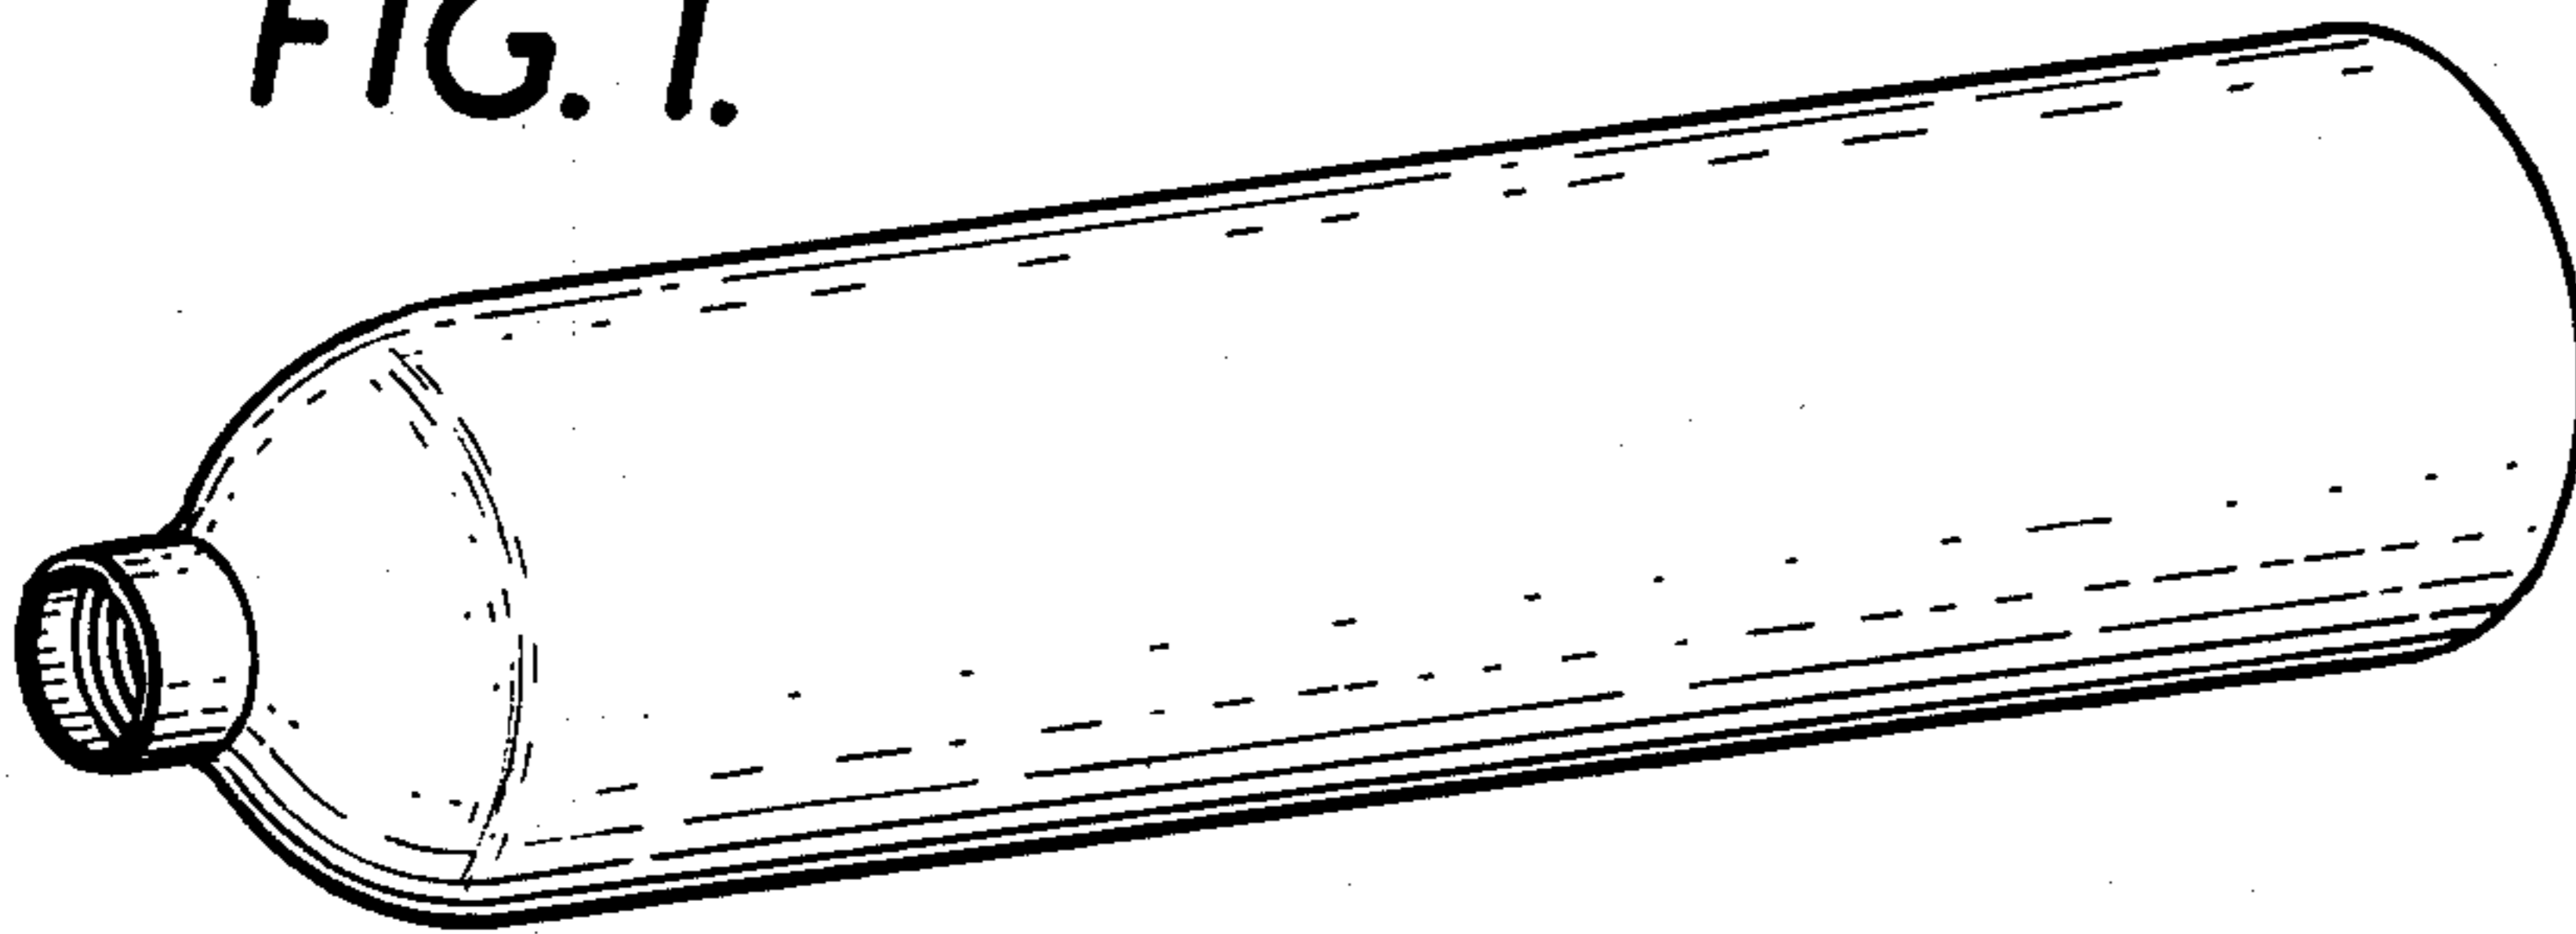

The ornamental design for a pressure vessel for fire extinguishers or the like, as shown and described.

**DESCRIPTION**

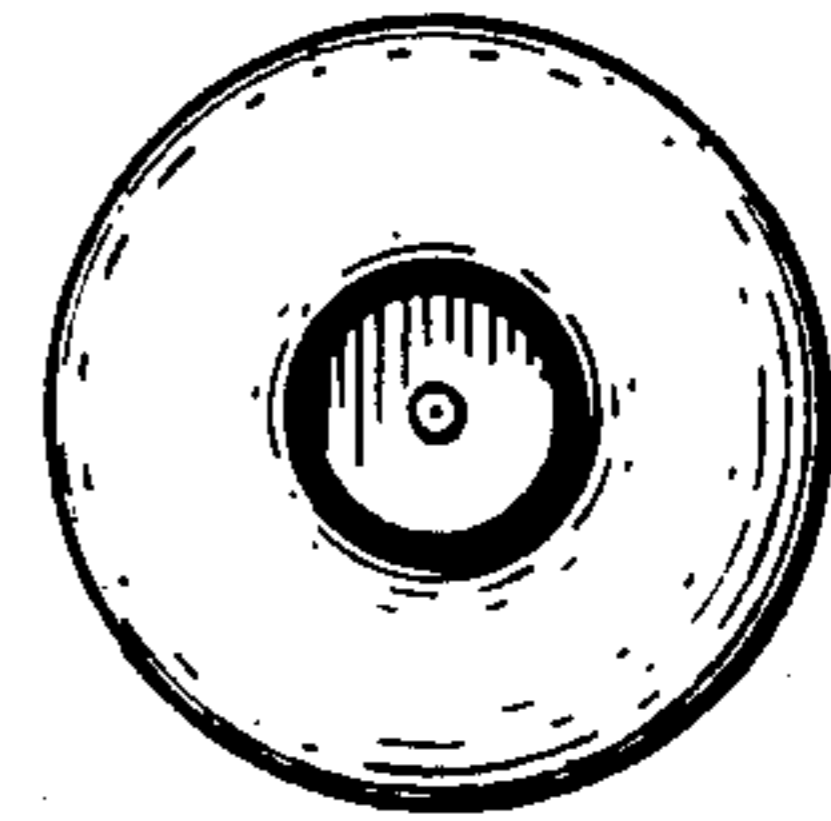

FIG. 1 is a perspective view of a pressure vessel for fire extinguishers or the like showing my new design;  
 FIG. 2 is a top plan view;  
 FIG. 3 is an enlarged bottom perspective view, partly broken away for convenience of illustration;  
 FIG. 4 is a bottom plan view on a further enlarged scale;  
 FIG. 5 is an elevational view on a scale less than FIG. 4 but greater than FIG. 3; and  
 FIG. 6 is a fragmentary sectional view on a scale greater than FIG. 5 but less than FIG. 4 showing the configuration of the bottom portion.  
 The characteristic features of my design reside in the appearance and configuration of the bottom of the pressure vessel as shown.

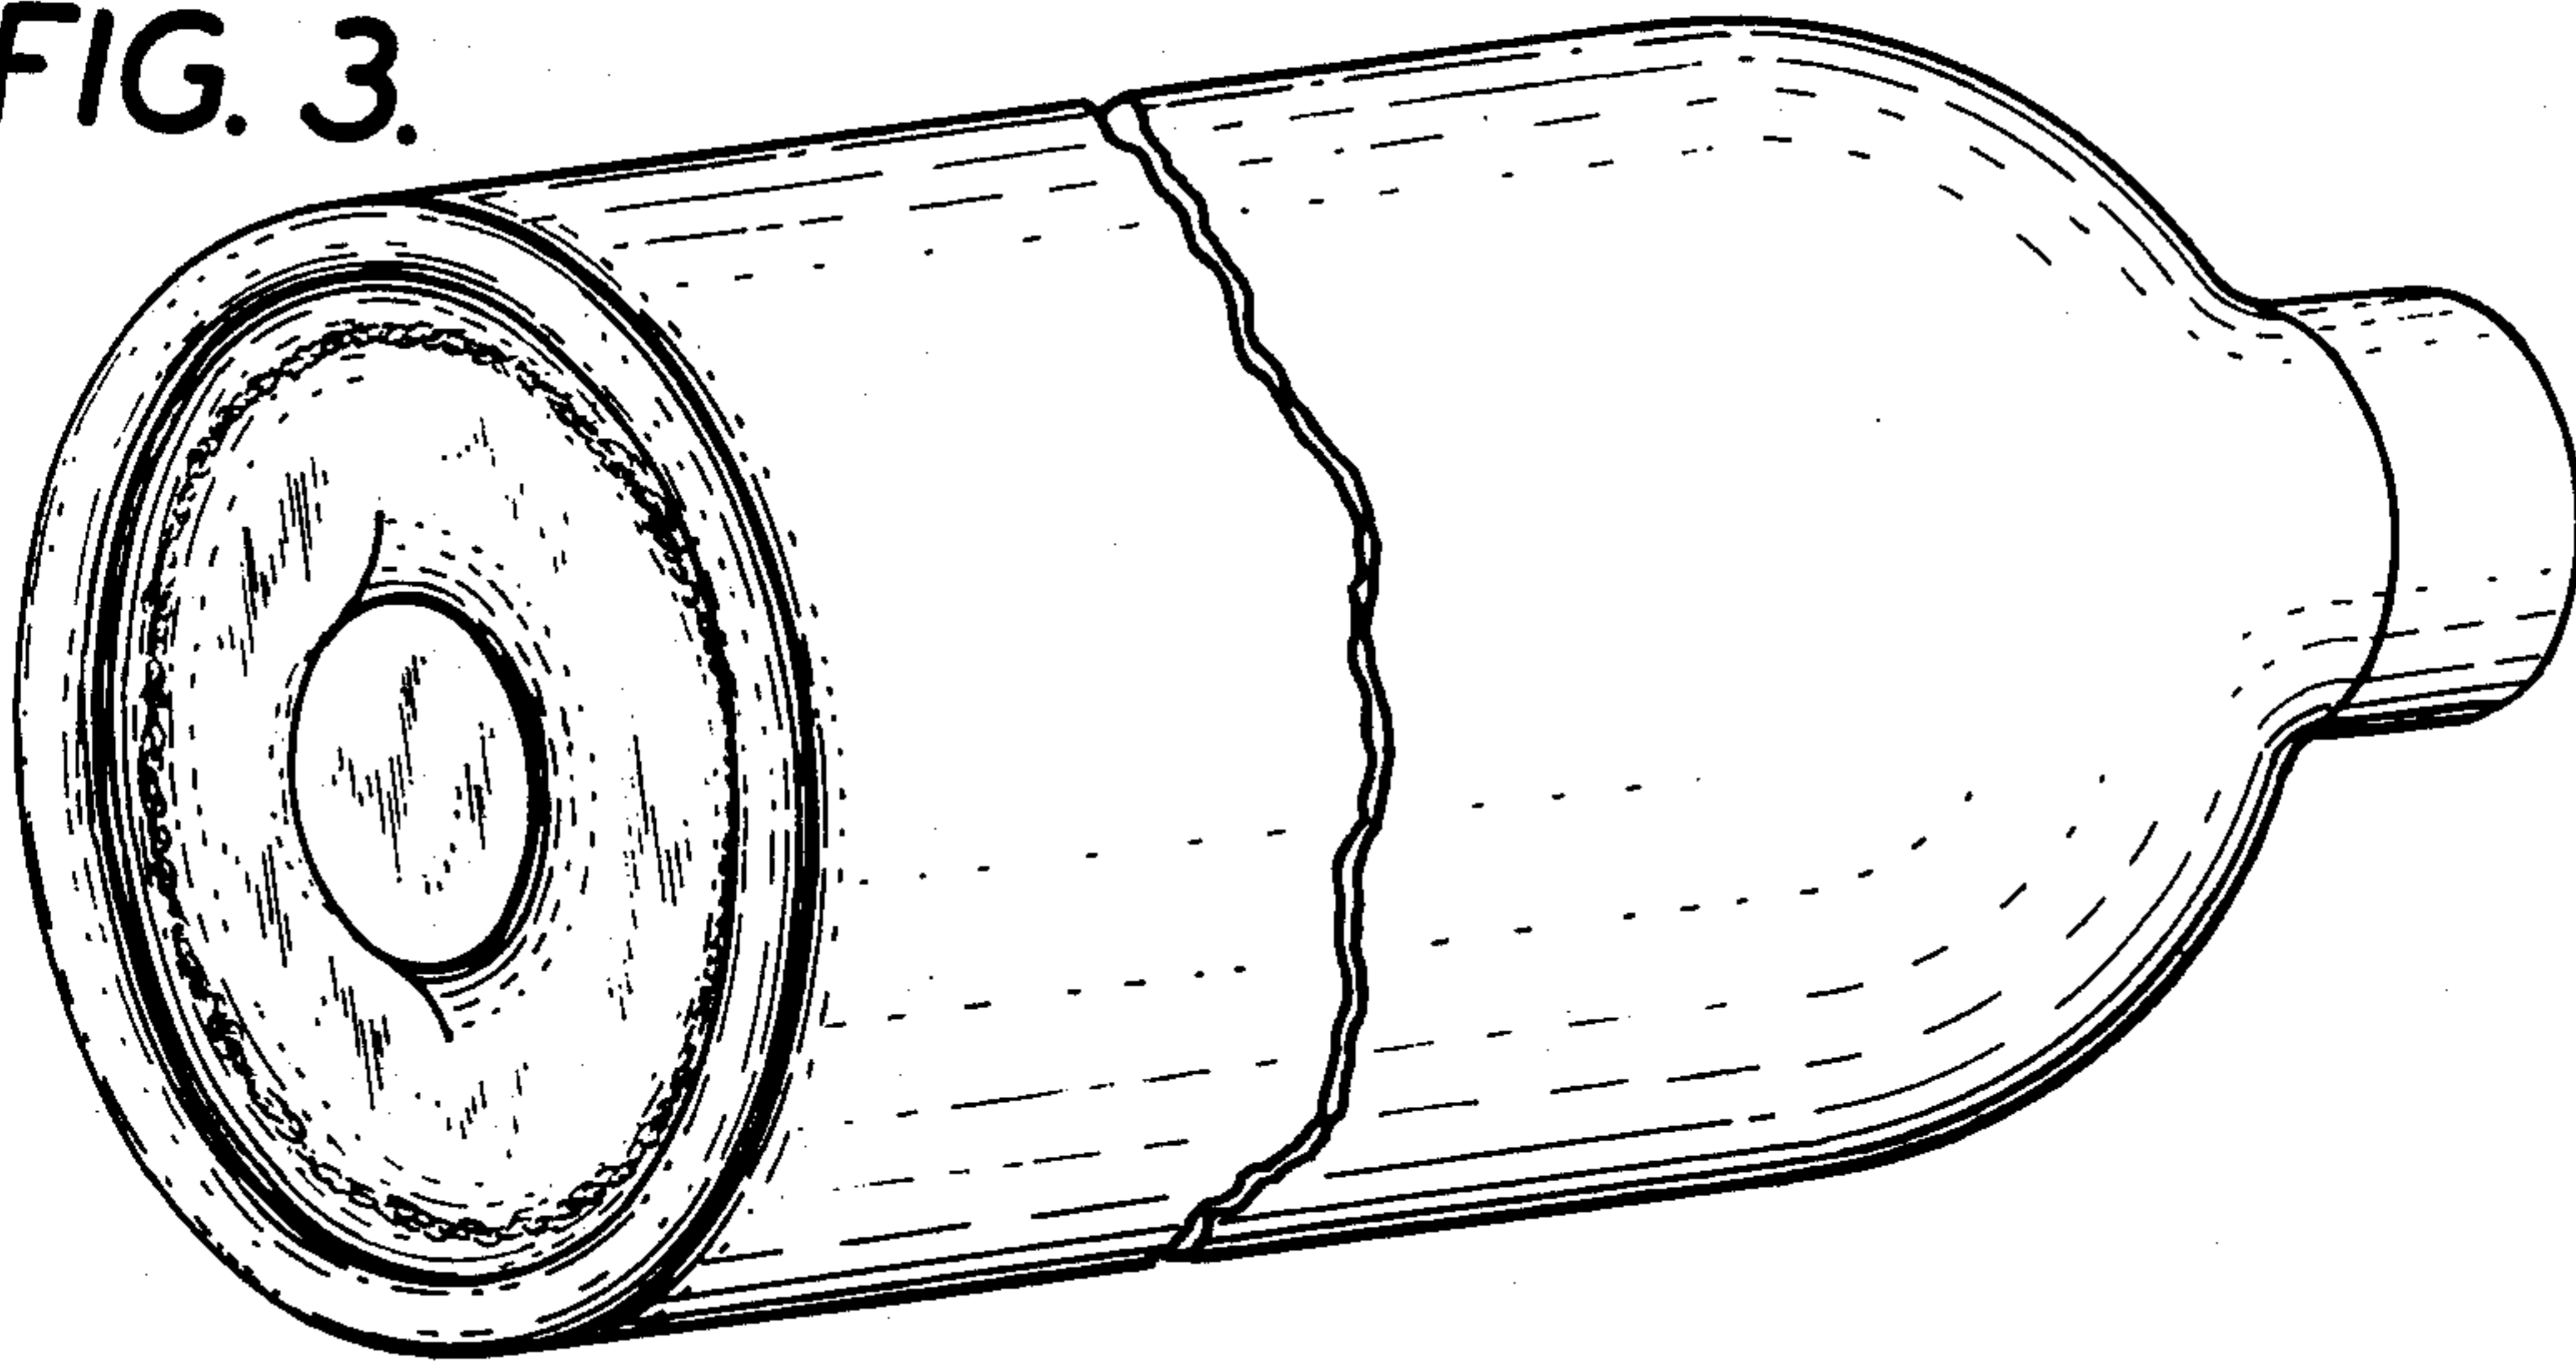

**FIG. 1.**

**FIG. 2.**

**FIG. 3.**

**FIG. 4.**

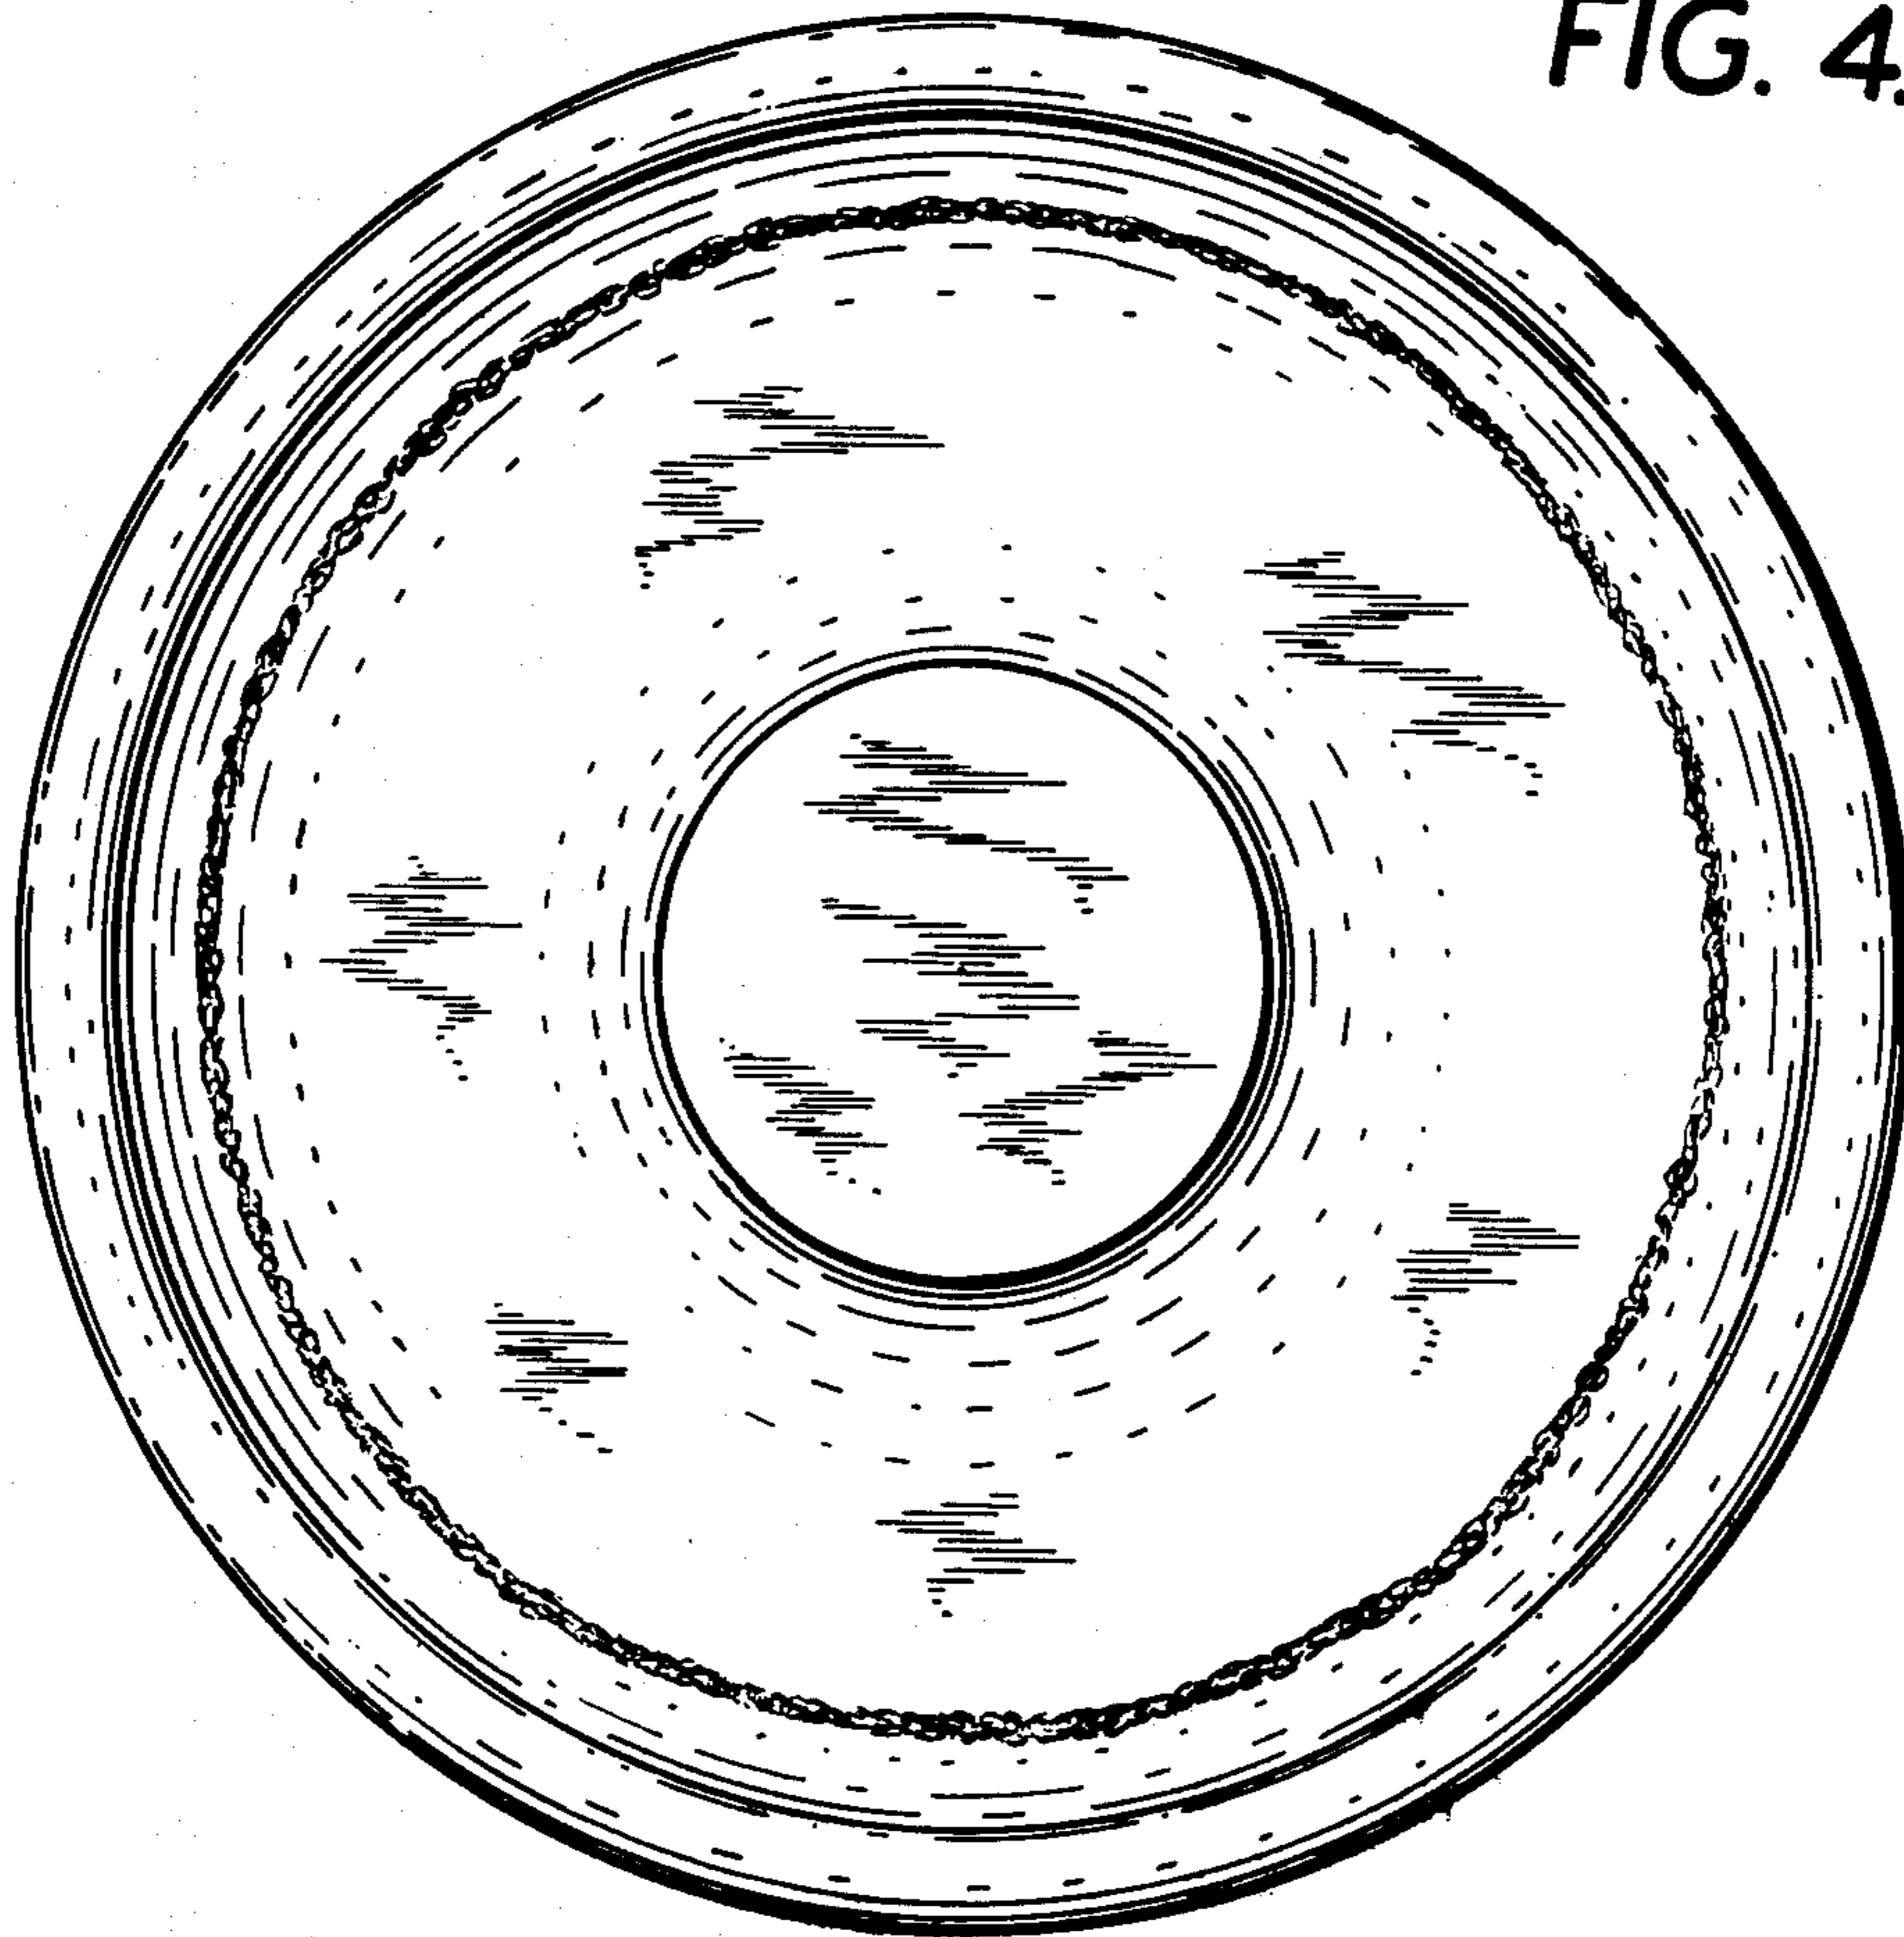

FIG. 5.

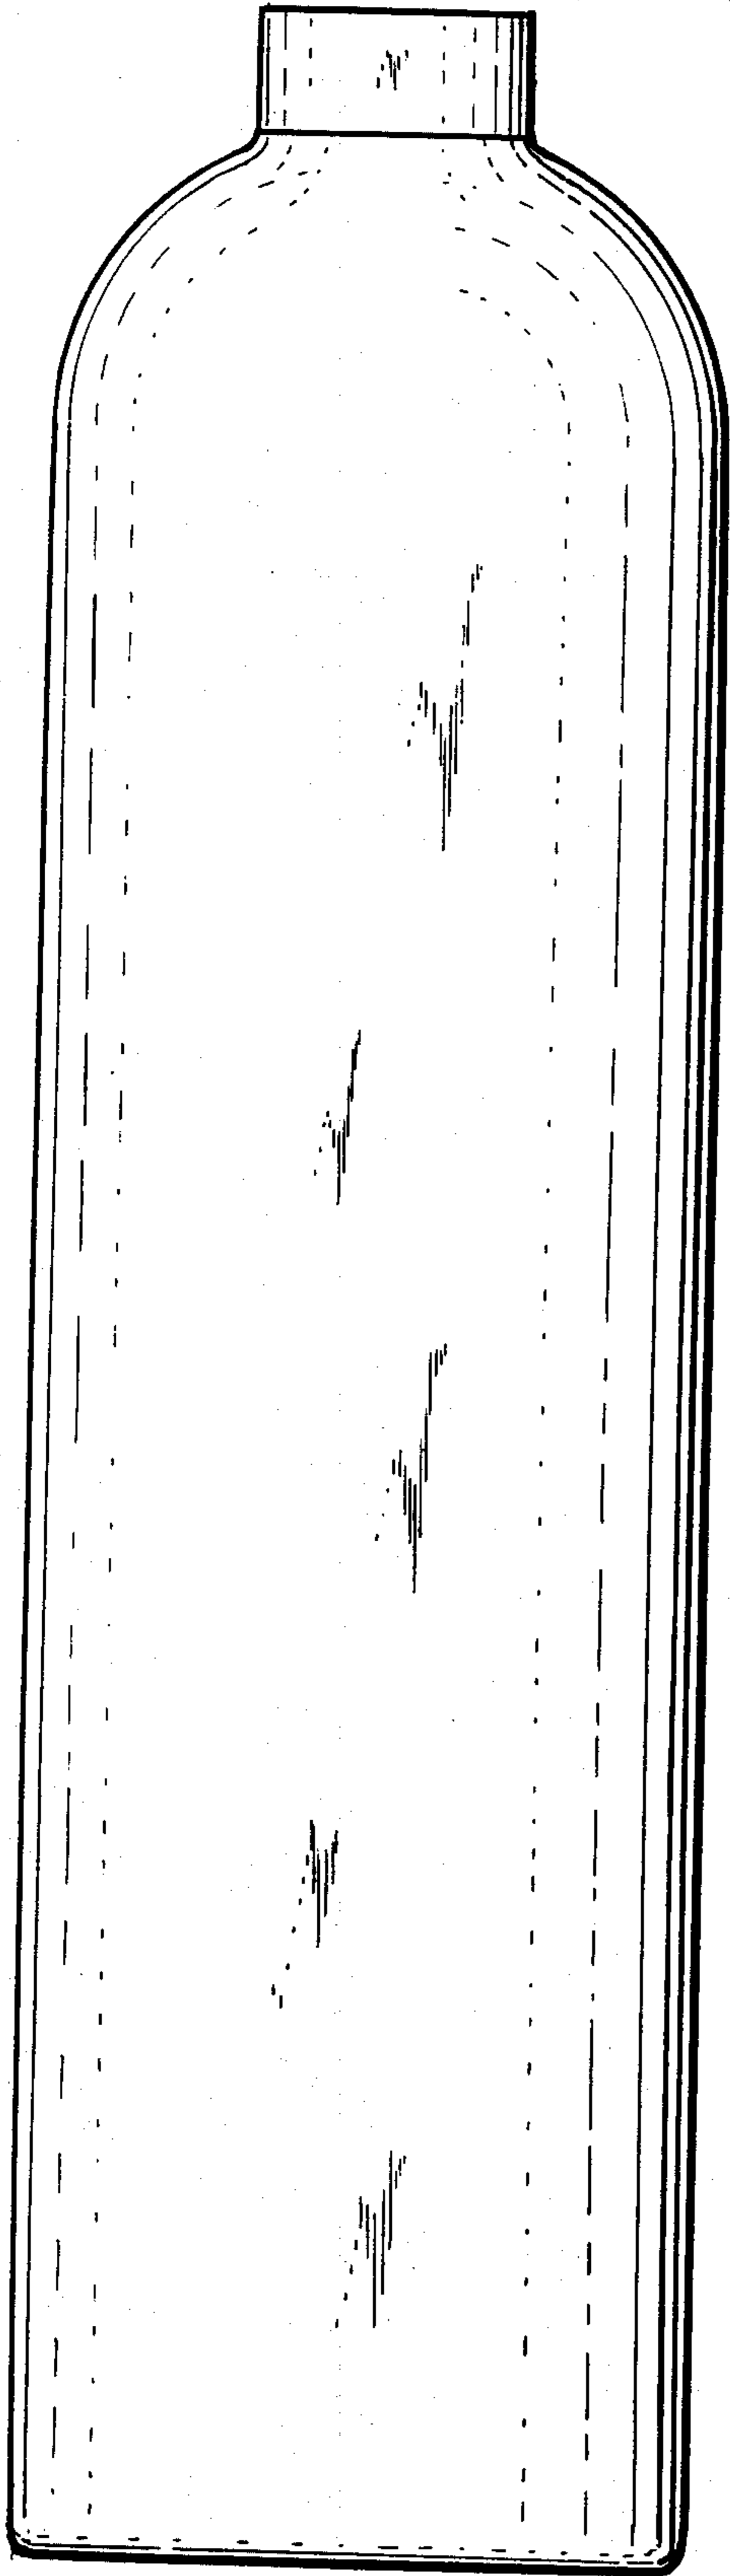

FIG. 6.
